MAY JOIN "U" SQUAD

"Wise Old Joe" Maddock, coach of the University football team, has invited the High School players to go out to La-goon and join the "U" squad in its training. A strong desire has been shown to accept this invitation for the High School boys see an opportunity of getting wised up and toughened up in great shape by being with the Univer-sity stars through the training season. Coach Maddock has done much to strengthen friendliness between the "U" and the High School and his latest move is a noteworthy piece of diplomacy.

J. NO MERCURY

Medicines containing Mercury are often given to persons suffering with Contagious Blood Poison, and so powerful is the action of this drug that it frequently removes the symptoms in a short while, and shuts the disease up in the system to do greater damage to the delicate internal members. When, however, the treatment is left off, the disease always returns, and the patient finds that his health has been injured by this powerful mineral, and he is often left with weak stomach, disturbed digestion, mercurial rheuma-tism, etc. The action of S. S. S. is entirely different. It contains no Mercury, nor any other harmful drug, but is made entirely of healing, cleansing roots and herbs. It cures Contagious Blood Poison by removing the virus from the blood. It searches out every particle of the poison and does not leave the least trace for future outbreaks. S. S. S., in addition to curing the disease, builds up and strengthens every part of the body. Its fine tonic effects tone up the stomach and digestion, improve the appetite and regulate the entire system.
