LOCAL AND OTHER MATTERS.

THE DRAMA.—The Theatre on Saturday evening was crowded with a very appreciative audience, quite a number having "standing seats," and not a few were compelled to return home unable to gain admission at all. The playing in the "Carpenter of Rouen" could be excelled by but few stock companies anywhere. Messrs. McKenzie, Thorne, Mackintosh, Graham, Teasdale, Evans, and Messdames Kiskadden and Romney enacting their parts admirably. We would here remark that supernumeraries would gain more favor if they would pay more attention to their business at rehearsals, because as much depends upon them, sometimes, as the leading characters in a piece. Just take a hint, boys and girls!

The farce of "John Buttercup" was played very well and created roars of laughter.

To-night a good bill is to be presented, "The Avenger," and "My Husband's Ghost." Both pieces are an attraction which should fill the house.

A INQUIRY ANSWERED.—"A gentleman from the East," who inquired in Saturday's News for the whereabouts of David Turner, is informed that he lives in Fillmore, Millard County. Further particulars of him may be learned on inquiring of Mr. Jonah Coxall, of the 7th Ward of this city.

MURDER IN RUSH VALLEY.—Our correspondent, "Nestor," of Tooele City, writes on the 7th instant, that, at about 9 o'clock on the evening of the 6th, three persons rode up to the house of a person known as "Spanish Frank," living at or near Stockton, Rush Valley, and asked for a drink of water. A man in the house brought the water, and while he and the owner of the house, "Spanish Frank," stood in the doorway, the latter was shot dead, and the former was wounded in the thigh; the three villains then rode off and made good their escape. Our correspondent says that immediately after the shooting an exclamation of some kind was made by one of the ruffians, and that the voice was recognized by a woman in the house, as that of a desperado whose evil deeds for years past have rendered him notorious, but whose cunning has hitherto enabled him to elude the law. It is to be hoped that, if this last terrible crime can be brought home to him, he will be speedily captured and the claims of justice, as far as can be, satisfied by meting out to him the punishment the law awards. The occurrence caused great excitement at Stockton.

PERSONAL.—We had a call this morning from J. W. Burke, Esq., Agent of the Bridesburg Manufacturing Company, Philadelphia. This Company manufactures every description of machinery and has already filled several orders for citizens of this Territory, and their relations heretofore always been pleasant and satisfactory. Mr. Burke is himself a practical engineer and machinist and comes well recommended, and his business here is to increase relations between the firm he represents and the people of Utah.

COLONEL SAGE.—Col. Peter Sage, of Troy, N. Y., reached town to-day, en route from the Pacific to the East. The Colonel is a noted stock raiser, and has just been importing a choice drove of Cotswolds to California, which have taken premiums and prizes wherever exhibited there.

The San Francisco *Scientific Press*, of the 24th ult., says the Colonel is about to start moderate sheep folds in Colorado, Nevada, and Utah, south of Salt Lake City, with the view of proving the various localities, as to climate, grass, &c. We hope this is true, for we believe it would be a means of permanently improving the breed of sheep in this Territory.

Speaking of the Cotswold the *Scientific Press* says: "They are better and coarser feeders, more prolific, and come early to maturity as any other breed. Being more hardy than our common sheep, they require less skill and care, and are better fitted to endure the hardships of scanty feed and water, and exposures to the pelting and continuous winter rains of California, without shelter. The fleece of the graded Cotswold is worth one-third more than that of the common short-wool breeds, and is much sought after for its silkiness and excellent combing qualities; while the carcasses are from 33 to 50 per cent. heavier and makes a better mutton."

DR. ROBERTS,

THE GREAT

MAGNETIC PHYSICIAN,

Will Heal the Sick

BY ANIMAL MAGNETISM AND THE SWEDISH MOVEMENT CURE.

AT THE

REVERE HOUSE,

SALT LAKE CITY.

FOR THIRTY DAYS, commencing

Oct. 1st, 1870.

CONSULTATIONS FREE.

DR. ROBERTS treats successfully the following named Diseases, together with many other forms of human maladies not herein mentioned:
Diseases of the Brain, Rheumatism, Epilepsy, Nervous Debility, Neuritis, Weak Spines, Curvature of the Spine, Inflamed Sore Eyes, Paralysis, Weak Eyes, Partial Blindness, Dropsical Tumors, Ulcers, Scrofula in all its various forms, Incomplete Consumption, Diabetes, Weakness of the Limbs, Bronchitis, Loss of Voice, Palpitation of the Heart, Diseases of the Liver, Kidneys and Bowels, Dyspepsia, Falling of the Womb, Suppressed Menstruation, Catarrh, all kinds of Sexual Diseases, Impurities of the Blood, etc. Paralysis and Deafness are the most uncertain of all diseases, although patients afflicted with even these terrible maladies will be more or less benefited, if not cured, by Magnetic Treatment.

DR. COSS

Is the famous INDIAN HERB DOCTOR and acts as consulting Physician, prescribing Herb Remedies in those cases that require Medication in addition to the ANIMAL MAGNETIC TREATMENT of DR. ROBERTS.

OGDEN, UTAH, Sep. 15th 1870

I hereby certify that Mrs. H. B. Goss has been terribly afflicted with Epilepsy for five months past—often having FROM FIFTY TO ONE HUNDRED FALLING FITS A WEEK. All medication failed to relieve her until I brought her to Dr. ROBERTS & GOSS, at Ogden, September 7th, 1870. She had a great number of fits the day I took her to Dr. R. & G.; and a fit when I carried her into their office. She has been under Magnetic Treatment one week, and has not had a single spasm or fit in that time; in fact, I believe her to be wonderfully improved in health.

GOING AWAY.

On Sunday next the celebrated and world-renowned Dr. R. R. Roberts, who has been stopping at the National Exchange Hotel, will leave for Virginia City, and those desiring his services should call on him before that time. During his stay in this country he has performed some of the most wonderful cures we have ever heard of. For the cure of every kind of disease he cannot be excelled. He has cured the sick by animal magnetism and the Swedish movement cure. No physician ever came to the State so highly recommended as Dr. R. R. Roberts. All who are afflicted, call on him.—*Daily Transcript*, Nevada City, California, July 1st, 1870.

A MOST WONDERFUL CURE.

GRASS VALLEY, June 21, 1870.
This certifies that I have been for fifteen years an invalid and great sufferer from a combination of most distressing diseases, viz: dyspepsia, spinal disease, prostatic ulcer, and for the past eight months I have been paralyzed in the left half of my body (hemiplegia). No tongue could tell what I have suffered during the last three years of my life. I have been treated by eminent physicians—by their advice have changed climate. I have also tried the celebrated "Mineral Springs"—but all seemed of little or no avail, and I had given up all hope of being anything but a miserable sufferer for the remainder of my days.

During the winter of 1869 I was treated by Animal Magnetism and the Swedish Movement Cure on the 6th of June, and with three treatments I felt like a new creature—the paralysis was removed. I have now been under his treatment fifteen days, and have improved daily. Nearly all my difficulties have entirely disappeared, and the remaining ones have been so far relieved that I now feel that time and care are all that is necessary to restore me to perfect health.

I have been acquainted with Dr. Roberts thirty years. I have always regarded him as one of the most reliable of men. I was the recipient of a healing power about sixteen years ago. I have known, personally, many cures that he performed in Iowa, while yet a mere youth, that were really wonderful. I shall ever praise God for His mercy in providing means for my restoration to health, and shall ever be grateful that the blessing of Heaven may go with Dr. Roberts in his good and glorious work.
(Signed) MARY M. BALL.

A WONDERFUL CASE.

What can the "Old Fogies," Bigotes, Skeptics and Idiots say to refute the following Wonderful Case?
My little daughter, aged ten years, has been paralyzed in her right side for years. Dr. Roberts has cured her with six Magnetic treatments. She can now use her arm and hand well, which had been useless from infancy. I reside at No. 47 K Street.
