Willard Foster, sen of Warren Fos-ter of this city, was married on the 29th ult., at Muscatine, Ia., to Miss Myrile Bethel of Davenport, Ia. The marriage comes as a surprise to the purents of the groom, as they had not expected anything of that kind. A perfect swarm of men is now at work on the paving of Canyon road, and the indications are that the job will be finished within three weeks. So many errors have been made in publishing the figures for this job that it is well to set the matter straight. Mr. Moran's bid was \$5,906, or about \$200 under the estimate of the city engineer. MARKETING UTAH SHEEP.

N. A. Neilsen of Mount Pleasant Says This Has Been a Good Season.

Special Correspondence.

Kansas City, Mo., Oct. 31,-N. A. Neilsen of Mt. Pleasant, Utah, was on the market several days ago, with five carloads of wethers and lambs. Mr. gaged in the sheep business in Central that for many years, and they are heavy shippers to this market. 'A few more shipments of lambs and sheep will be made from that part of the state this fall," said Mr. Nellsen, "before the sheep men get into winter quarters on the desert. But after that no more shipments will be made. We nad a good season this year, and sheep are all in good shape. It is our custom in the fall, when we get ready to go onto the desert to cull out our poorest lambs and leave them behind and feed them on aifalfa hay through the winter. In this way we do not lose a head, except, from the ravages of the wolves, which are numerous on the

The big end of the cattle receipts here ast week, of course, were range cat-tle, and a large proportion of these consisted of thin old cows and medium to poor quality stockers. Quite a number of Kansas grazed Texas steers were also included, but the clean ups of the big ranches made a good share of the receipts. Under these conditions and considering the heavy supply of 85 100 head, with big runs elsewhere, nothing but declines could be expected, and they came. The fair to good killing-cattle closed the week nearly steady. wednesday being the low day, but sh stuff and stockers and feeders lost 2 cents during the week. Most of the Colorado and Panhandle killing steera ...000 to 1,200 pounds, sold at 3,50 to 4.00, and one drove of 1,141 pound steers from Blife district, in Colorado, sold at 4.25. Some big strings of Panhandle cows 700 to 850 pounds, sold at 2.15 to 2.40, and him old canners sold at 1.60 to 1.85. Toward the end of the week medium to zood feeders and stockers sold at 3.00 to 1.35, and stock calves had a wide range 50 to 3.50. Supply of cattle today is 7,000 head, market on killing steers steady to 10c lower, she stuff and stock-

with close of last week.

The sheep and lamb market keeps on galning strength. Prices are la to 25 tents higher than a week ago, and sales today are at the top notch. Some 7-gound Colorado lambs brought 5.70 to lay, and 103 pound Colorado yearlings 1.40. Fairly good Utah ewes sold at 1.55 today, but choice ones would go up 0.3.75. The run is dropping off a good 1eal, and is lighter than at this time ast year. The good prices for killing ituff are encouraging to feeder buyers. and are encouraging to needer buyers, and prices on these have stiffened a fittle. Quality is not extra good now, and practically everything has to be sorted, leaving a good sized feeding and. Wethers and yearlings for feeding purposes bring 2.35 to 3.65, ewes 2.50 to 3.60, according to age and quality ambs, 3.85 to 4.25,

FROM FIRE TO TELEPHONE.

Charles T. Vail Quits Service of the City After Nine Years.

Charles T. Vail, superintendent of fire alarm of the Salt Lake fire department, has resigned.

He handed his resignation to Chief Bywater at 4 o'clock yesterday afternoon, and it is to take effect Sunday. It is understood that Mr. Vall has accepted a position with the Bell Tele-phone company. He was foreman for that company several years ago, and left the position to work on the fire department. It is understood that Mr. Vall has secured a position which will be better for him than the one he held

with the department.

Mr. Vall has worked on the department for about nine years. He was appointed as superintendent of the fire alarm on July 1, 1890. For some time after that he was out of the service. but was re-appointed by the board of commissioners in June, 1894. Second Escapade of the Gay Young Deceiver-Has Probably Gone To Honolulu.

W. D. Van Blarcom, Jr., recently a reporter of this city, has deserted his bride at Los Angeles, and she threatens to take her life in consequence. A Los Angeles dispatch details the sensation. al affair as follows: "'I can't be good. I want to be bad.

I shall commit suicide, said Mrs. Van Blarcom through her tears in her apariments at the Alta Visto on South Bunker Hill avenue this afternoon, She would have killed herself but for the intervention of friends. Mrs. Van Blarcom believes iffere is a woman in the case, but does not know what has hap-

"Van Blarcom estensibly came to southern California for his health. He secured employment on a local paper and was employed as a reporter at the time of his disappearance. He was di-vorced from his first wife in September and married Mrs. Emilie Minor three months later. Mrs. Minor had been divorced four years earlier. Her family is highly respected in Wyoming, and she is a painter of china of ability.

"Van Blarcom left his wife in desti-

tute circumstances and pawned her gold watch on the day of his departure. He was a member of the order of Elks, and a subscription has been taken up by that body to ald the deserted wife to return to Salt Lake."

HIS SALT LAKE RECORD.

Van Blarcom before coming to Salt Lake was a reporter on the Rocky Mountain News at Driver, where he was also a colonel and alde de camp on the governor's staff. He left his first wife at Denver without making provision for her maintenance, so she stat-ed later; and when she followed him to ed later; and when she followed him to this city and sought to rejoin him, he merely told her that he didn't care to bother with her any more, and that she must shift for herself. Van Blarcom then surprised his friends by marrying Mrs. Minor, the china painter, and only a short time ago went with her to Portland, where he secured employment, and afterwards removed to southern California.
