BEAUTY!
OR, THE
Secret Fair Face
An Item of Interest to Every Lady who
Desires to be More Beautiful
than the rest.
Unfortunately not one woman in a hundred,
subjected to the action of an American climate,
possesses that healthy and glowing complexion
which is the result of a pure and clear complexion.
What nature has thus denied, art must be
called upon to furnish.
It can be done, it is done daily. Prof. W. H.
Hagen, of New York, has discovered a method
of restoring the complexion to its natural
state, and of making it more beautiful than
it was before.
