BUT RES ATTITUDE IS FIRM

Fighting Reported Between Macrillo niars and Turks—Agriction in England for Green.

Armino, March 5.—The silination of efficire nors, as the depositor is entitled in the control of the Creater and the control of the Creater crise is yet possible. This is more particularly to in the case of forces, it is builted the give compestic sincers to not destrict any configuration which may proved far and wide. The gravity of the situation is recognised on all sides, and all those interests seen within the criterian arminosity of the configuration of the difficulties is possible.

If makes in her intention to carry out at all cost the program which are the mepped out for bernell in regard to Creek, while at the sample of the control of
