Manifest Indifference. - The amount of cool indifference manilested in portions of this county, character, their rendition is worand especially in this city, at the ship. Singing enters necessarily late election is somewhat remark- into the worship of the Creator, and able. We mean on the part of and when done in the spirit, and many of the Latter-day Saints. It is true that the enemies of the people are comparatively powerless, and very insignificant at present, but that is no reason why there should be such a manifestation of indifference with regard to the performance of an express duty, for cal entertainment. we hold it to be the duty of every elector to jealously and energetically guard and defend the rights and liberties of the commonwealth, as well in times of peace as in times of formidable and always unscrupulous opposition. So far as the non-voting electors are concerned the reins of local government might have slid into the hands of meeting by the object of being enthe most rabid, unconscionable and unscrupulous set of vampires that exist anywhere, and such would, as a matter of course, have been the case had all been alike negligent in the performance of a plain public duty.

Perhaps some of those easy people who appear to think that any election can go on just as well without as with their vote, as "our side is sure to win any way," do not realize the extent of the calamity that would befall the community did the management of local Saviour in its purity. affairs slide over to the people's enemies. Let such look at and of reptiles brought from Arizona by total of 149gress to enact legislation that would examine them. divest them of every religious and political right and privilege, reducing them to the position of political nonentities. And even in the absence of the legislation they desired. one has but to consider the arbitrary and extra-judicial measures adopted at times without a shade of coloring of law to sustain them, in frantic efforts to demolish "Mormonism" and the "Mormons," which monstrously illegal measures were, however, overturned by to-day from Judge G. Edmunds, of 2 to 3-Spelling, by Prof. M. H. the Belle View Ranch, Kern - George Eliot says, "The the national court of last resort. Carthage, Illinois, a former part- Hardy.

FORENOON, Aug. 12th.

Prof. Monch, on Theory and practice, continued to speak on school amusements, showing among other things, that dancing when not carried to excess, is beneficial, tending to produce graceful movements and good manners. Some hints, also, upon school government were given, but not to any extent, as this is a subject for future remarks.

The methods of traching the first, second, and third readers in common schools, were mentioned and some different modes of recitation given by Prof. Hardy. With re gard to order and position, he would impress upon the teacher that while discipline is necessary, it must still be remembered that activity is law of childhood and must not be eye were spoken of to some extent. as contributing to natural reading.

He advocated reading before the whole class or school as a drill calculated to inspire pupils with confidence, but would suggest that great judgment be exercised in this respect.

Miss Ida Ione Cook entered upon the lecture on Object Lessons and carried it through in the same interesting manner as in the two previous ones. Her method of teachclearly shown.

Between the lectures Misses Clarissa Smith and Loie Hinckley favored the Institute with readings. The following additional mem-
