GENERAL SATISFACTION RESULTS

Hundreds have within the past few days visited MeWhitter Bros, bakery at 52 So. Main, and theroughly and completely satisfied themselves of its absolute cleanliness. A feature that at-tracted very favorable comment was the motor-driven new modern eanitary cake mixing machine which the boys have just installed. One could not help but be impressed by the orderly and clean condition of everything in the bakery, its surroundings, and the high quality of the materials used in the manufacture of their justiy famed quality cakes and pastries.

brought in and she was taken to St. Mark's hospital. It seems that the approaches to this bridge as well as others are neglected and in bad shape. The floor of the old wooden affinir is also said to be full of heles and through these the horse saw and heard the boiling waters be-law. Becoming trightened the animal backed off the bridge and the buggy, turning turtle, dropped over the high embankment, throwing its occurnates into the water. They clung to the ve-hicle and called for help. One by one they were brought to shore and hurried to Kilpatrick and Frank Larsen's homes nearby.
