RUGS! RUGS! RUGS! REDUCED.

Just now a reduction on Rugs should be doubly interesting, while the busy housewife is engaged in the usual spring cleaning, and when the question of floor covering is a matter of no little concern, for if the old rug or carpet is put down again, even though it be clean. its shabbiness detracts from the cleanliness of its surroundings, and there is little to show for our hard work.

A new rug will give tone and brighten things up and give the satisfaction that would result from the hard work of house cleaning.

An opportunity for 33 1-3 per cent saving on Oriental rugs at this time should be generally acceptable, especially when their saving can be had on such pieces of art as comprises our stock.

A selection rich in color, bold and beautiful in design. A 33 1-3 per cent reduction means that it places these Oriental rugs at about what you would have to pay for the ordinary kind
