examination of such accounts up to date. Cottrell and Fernstrom opposed the resoluton because they thought it a scheme to cast reflection and suspicion There was a lively smashup at Stat morning. As Bishops Preston, Morupon the present city officials. The latter declared that Mr. Davis was looking for fat jobs for some of his pet expert accountant friends. Davis deris and Miller were driving down basic street in a surrey, the horses suddenly took (right near the Second South street anied the charge and stated that he had no ulferor motive whatever; that it is the custom in all large cities to have the books examined by experts. The took (right near the second south stread track, and plunged violently to the left. They collided with a pole at the worth-cast corner, knocking in the front of the surrey, and smashing the carriage pole into splinters. The shock released one of the horses which tore up Sec-ond South street, making women and matter was referred to the finance com-

shelling them with two mountain guns and a mortar. This kept up with slight intermissions for refreshments until 4 o'clock on Wednesday, when the ditch o'clock on Wedaesday, when the ditch around the fort was crossed by a bam-boo bridge and the fort was taken by assault. We had a total of 11 men wounded and one died of cholera in front of the fort. We had seven more deaths from cholera before and after our return to camp. It was rather fierce to see a young soldier alive and nealthy in the evening and then attend his burial the next day. I thought at one time I had the cholera, and I am six inches shorter as a result of fright."

SCOTT ANDERSON'S FUNERAL

Son Tomorrow Afternoon,

The death of Scott Anderson, announced in last night's "News," was a great shock to his many friends in this city who, while generally apprised of his illness, were not aware it had assumed such a serious phase. Mr. Anderson, as stated in th "News" at the time, last week underwent a serious operation at the Holy Cross hospital. The operation was quite successful and t was thought he would soon recover, but a condition arose which made such a thing almost impossible and he passd away yesterday, in the sixty-eighth year of his age.

DON'T LIKE JAIL

HEATING AWARD

President Cottrell Objects to Action

Of Board of Public Works.

TO AUDIT CITY ACCOUNTS.

No Clear Title to Isolation Hospital

Site-Huilding Contract Let Never-

theless-Want More Pay.

The awarding of the contract for the

heating of the new city jail to P. J.

Moran upon his bid of \$4,934, was the

subject of considerable discussion at

the city council meeting last night. The

only other bidder was Higson & Ros-

siter, whose bid was \$5,070. President

Cottrell opposed the action of the board .

of public works in awarding the con-

tract to Mr. Moran and made a strong fight to have the award set aside and

to authorize the board to re-advertise

He stated that a number of firms de

sired ao bid on the work but that they could not get the full details and could

not complete their bids in time so they requested the board to postpone action

requested the board to postpone action on the matter for another week. This the board refused to do and it award-ed the contract to Moran at the meet-ing held on Friday and notifed the council of such action last night. Mr. Cottrell said that he did pot wish to cast any reflections upon the board, as it had acted honorably in the matter, but that there was something wroug

but that there was something wrong somewhere which he would disclose should the matter be referred to the

City Engineer Kelsey stated that the Green & Reeve company had protested against the awarding of the contract because it had not had time to bid on the work. The advertisement for bids

had been published in the papers for

three weeks, the engineer stated, which

is a week longer than required by law. After nearly every member of the coun-

cil had spoken on the question, the matter was referred to the police and

prison, fire and finance committees for

TO AUDIT CITY BOOKS.

consideration.

for bids.

LIBERTY PARK SIGNS.

A resolution was introduced permitting Councilman Hewicit to continut his large sign in Liberty park. The resolution was laid on the table by a vote of 9 to 6. Later a resolution was introduced allowing the sign on the building erected by Mr. Zimmerman. This was also laid on the table.

ISOLATION HOSPITAL SITE.

Land and Water Commissioner Mac-Knight notified the council that the land selected by the council for the new isolation hospital, near Emigration canyon, had been sold in 1831 to M. C. new isolation hospital, field in 1891 to M. C. Moon at tax sale and by him trans-ferred to F. C. Phillips who subse-quently transferred it to Moon by war-ranty deed. There is therefore quite a cloud upon the city's title to the prem-ises. The matter was referred to the city anyther reported that it would be impossible to lay a water pipe to the east half of the site for the new isola-tion hospital, and that the cost to lay pipes to the part referred to by Mr. MacKright would be about \$4,000. Notwithstanding the trouble which has arisen over the site, the council awarded the contract for the construc-tion of the hospital, upon the plans sub-

awarded the contract for the construc-tion of the hospital, upon the plans sub-mitted by Building Inspector Ulmer, to A. L. Harolin at the price of \$7,500. He will be required to furnish bonds in the sum of \$4,000 and will forfeit \$25 per day for every day over 60 days which he takes to complete the build-ing. The other bidders were: George Anseil, \$9,990; George Curley, \$8,375; Hernard Mecklenburg, \$9,678, and T. I. Arm, \$7,970.

Rheumatism.

City Engineer Kelsey submitted a surrounded on all sides, and were

heumatism

suffering of others, know that Rheumatism is torture, and that it is right-

asunder. Others feel only occasional slight pains for weeks or months, when a sudden change in the weather or exposure to damp, chilly winds or night

air brings on a fierce attack, lasting for days perhaps, and leaving the pa-

tient with a weakened constitution or crippled and deformed for all time. An acid, polluted condition of the blood is the cause of every form and

variety of Rheumatism, Muscular, Articular, Acute, Chronic, Inflammatory

and Sciatic, and the blood must be purged and purified before there is an

end to your aches and pains. External applications, the use of liniments and

plasters, do much toward temporary relief, but such treatment does not reach the real cause or cleanse the diseased blood ; but S. S. S., the greatest of all

blood purifiers and tonics, does cure Rheumatism by antidoting and neutraliz-

ing the poisonous acids and building up the weak and slaggish blood. It is

All do not suffer alike. Some are suddenly seized with the most excrucia-
