Returning from Germany I visit-ed some of the Branches in East-Swiss; Elder F. Theurer is laboring faithfully in that part of the mis-sion; he tells me the meetings are well attended and the inquiry after truth is on the increase. Elder J. truth is on the increase. Elder J. J. Walser is laboring diligently in the Office here, visiting occasional-ly neighboring branches. Brother John Schiess is laboring as travel-ing Elder in West-Swiss; he re-ports success and plenty of work. In a day or two I intend to go west to visit the Branches in West-Swiss
