## STUDENTS HONOR PROF. M'KENDRICK

Invited to Weber Academy on  
 "Urgent Business" to  
 Meet a Surprise.

### BUSINESS IN DISTRICT COURT

Divorce Day—Probate and Other  
 Cases—Tabernacle Services To-  
 morrow—News Notes.

Ogden, Oct. 24.—Prof. Wilford M. McKendrick of the Weber Academy responding to a call Thursday evening to go to the academy on "urgent business," was greatly surprised when turning on the lights in the assembly hall to find 400 students of the school there to wish a joyous surprise. As soon as the startled principal could regain his composure he was led to the platform where a magnificent leather chair was presented to him. After a few brief remarks by members of the student body and members of the faculty, and words of appreciation from Prof. McKendrick, the assembly repaired to the auditorium where dancing was indulged in. Later in the evening refreshments prepared by the young ladies of the school were served in the domestic science department. Altogether the affair was one of the most delightful social events that have been held at the institution for many months and is one of several that the school will probably give.

**DIVORCE DAY IN COURT.**  
 Yesterday was default divorce day in the district court and for the first time in many months all the plain-

tiffs were men who were deserted by their wives.  
 The first case on the call was that of Elwood Nelson against Lucy Nelson, who were married in Ogden, February 19, 1898. The plaintiff alleged that in July, 1907, his wife deserted him and has since refused to live with him. The decree was granted.  
 George W. Hunter was given a decree of divorce from Lydia Hunter upon the grounds of desertion. The couple were married in Bingham Canyon March 26, 1878, and in July, 1891, the defendant wilfully deserted the plaintiff.  
 A decree was also granted John W. Henley from Lenna Henley upon the grounds of desertion.

**DIVORCE SUIT FILED.**  
 A suit for divorce was filed in the district court yesterday afternoon by Elizabeth Warton against Joseph Warton upon the grounds of non-support and desertion. The couple were married in Youngstown, Ohio, in 1890. She also asks that her maiden name of Elizabeth Smith be restored to her.

**WATERWORKS CO. LOSES SUIT.**  
 In the district court yesterday afternoon before Judge Howell a decision was rendered in the case of the Ogden Waterworks company against Joseph Farr and others in favor of the defendants and against the plaintiff. In the opinion the court states that for more than three years past the defendants have operated in the canyon a certain lime stone quarry and kiln which existed prior to the time the waterworks pipe was laid and the plaintiff company sought to have the kiln declared a public nuisance and secured a temporary restraining order against the defendants from blasting. The court held that the operation of the kiln such as blasting was done at such hours that it did not interfere with public travel and that the temporary restraining order was dissolved.

**PROBATE BUSINESS.**  
 In the probate division of the district court yesterday afternoon a petition signed by Thomas W. and Edgar M. Stoker and Emma Stoker Greenwell, asking for the issuance of letters of administration to Daniel Stoker in the estate of William T. Stoker, deceased, was filed.

The petition, after setting forth that the deceased died Oct. 21 of this year, leaving an estate valued at \$2,500, to which there are thirteen heirs, states that Kate Stoker, widow of the deceased, is unable by reason of drunkenness, improvidence and want of ability and integrity to properly care for the estate, most of which is a general merchandise store in Plain City.

In the estate of Richard Tacey, a petition has been filed by Telitha Tacey Shurlock for the issuance of letters of administration to J. G. S. Abels. The estate is valued at \$800, from which the annual rental is \$20. The deceased died at Willow Creek, Idaho, May 2, 1898.

**TABERNACLE SERVICES.**  
 At the tabernacle Sunday afternoon at 2 o'clock Edith Wrentham A. Shreve will be the speaker. The following musical program will be rendered:  
 Selection, tabernacle choir.  
 Solo, "The Good Shepherd" (Gracie), Miss Ruby Geddes and choir.  
 Solo, "One Sweet Solamen Thought," Carl Samuelson.

# INDIGESTION

A Chelsea Woman Suggests a  
 Course of Treatment.

How to Strengthen the Organs of Di-  
 gestion and Really Cure  
 The Disease.

There are plenty of remedies by which you can relieve for the time heartburn, pain and gas on the stomach and can smother nervous sensations and induce artificial sleep. But when you take your next meal all your troubles begin afresh.

Some people know that the strength which the weak stomach needs, and for the lack of which the whole body is suffering, can be found surely and quickly in Dr. Williams' Pink Pills, a preparation known in medical circles as the greatest blood and nerve tonic. In hundreds of instances these pills have succeeded where every other remedy had failed, and in every case the cure was radical.

Miss A. Gertrude Stewart, of 643 Broadway, Chelsea, Mass., obtained no relief from indigestion until she tried Dr. Williams' Pink Pills. Suffering from stomach trouble should profit by her experience. She says:

"I had suffered for years from indigestion and would be in bed for two or three weeks at a time. I tried nearly everything I could think of for relief but found none. There was a full feeling in my stomach and I had considerable gas on it. I was subject to severe nervous headaches and dizzy spells and was short of breath. I had very little color and was in very poor health."

"The doctor's prescription did not help me and I took a salt water trip thinking that might do me good. But as I got no relief I tried Dr. Williams' Pink Pills. I commenced to get better after taking a few boxes and could eat without the food distressing me. I took several boxes and was cured. I am now in good health."

Every dyspeptic should have a copy of our diet book which is mailed free to any address. Send postal card request for a copy today. Dr. Williams' Pink Pills are sold by all druggists, or by mail, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Co., Schenectady, N. Y.

the various employment agencies in Ogden, there is plenty of work for laboring men in the railroad construction camps of the west for every class of a mechanic or common laborer. All the big construction companies headed by the Utah Construction company of this city are constantly sending requests into this city for men.  
 The agents at the labor bureau say that the men do not seem inclined to accept the jobs in the construction camps but are waiting around for the hope of securing jobs of another character and one that will give them an opportunity to spend the winter in the towns or cities.

**TRADES AND LABOR BALL.**  
 Thursday evening at the Congress Dancing academy, the Ogden Trades and Labor assembly will give the first annual ball, which bids fair to be greater than any similar affair ever attempted in Ogden. At the ball a delegate will be elected to the annual meeting of the American Federation of Labor, which is to be held in the near future in Denver.

After due consideration, it was decided to hire another teacher for the Maeger; this school having the greatest number of pupils to the teacher. The change made will necessitate double sessions; one session will meet from 9 to 12:30 and the other from 12:30 to 3:30 beginning Monday, Oct. 25.

**WEDDING A SURPRISE.**

Emma Schmidt, Christensen Lundgren surprised her many friends last week by getting married to Mr. C. P. Christensen of Malad. Of late Emma has been frequent trips to Malad, telling the girls in the store that her branch millinery store at Malad was not doing so well unless she was there herself, so when she came home and presented to the astonished girls Mr. Christensen as the man who had promised to love, honor and obey, the girls all wanted to go to Malad to look after the business, in fact one has already gone—and is also happily married.

Another happy marriage occurred last week, that of Mrs. Johanna Ahrensbach to Mr. John P. Olson, of the First ward. Mr. Olson is one of those well preserved Scandinavians, octogenarians who appear prepared to live 80 years more.

Marriage licenses were also issued to A. J. Valente of Brigham City and Miss Irma Jeppson of Millville and John A. Hillstrom of Brigham City and Lovena Davis of Harper, Ward 2.

The "Yankee Doodle Boy" will be presented at the opera house Saturday.

Funeral services were held in the Third ward hall Thursday afternoon over the remains of Miss Anna Madsen, who came to Utah a couple of years ago from Fredericksburg, Denmark.
