OGDEN, UTAH. NOV. 15, 1901.

### DAMAGE SUIT COMPROMISE

Funeral of William H. West Will be Held Saturday, at 1 p. m.

Sunday School Singing Class—Boys Arrested for Violating Curfew Ordinance—Weddings.

A petition was filed in the Second district court by Mary E. A. Higman, administratrix of the estate of Daniel Higman, deceased, against the Southern Pacific company to recover the sum of \$1,999.99 damages alleged to be due for negligence alleged to have been committed by the defendant company whereby the said Daniel Higman lost his life. The petition sets forth that because the filing of said action the defendant company has offered to compromise the said action with the petitioner and plaintiff therein, by agreeing to pay the sum of \$1,999.99 and the costs of action. Wherefore the petitioner, Mary E. A. Higman, prays that the court make an order permitting her as administratrix of said estate to accept the said offer and as plaintiff in said action to agree that judgment be entered therein for said sum of \$1,999.99 and costs. Judge Rolapp whereby the petition was amended in order permitting the acceptance by the petitioner of said compromise.

**FUNERAL OF WILLIAM H. WEST.** The funeral services over the remains of William H. West will be held at the Fourth ward meeting house Saturday afternoon at 1 o'clock. The remains may be viewed at the family residence, No. 212 Madison avenue, on date of funeral, from 10 to 12 a. m.

**SUNDAY SCHOOL MUSIC CLASSES.** The sight singing and chorus classes, which were organized under the direction of Mrs. Joseph Ballantyne, at the Stake Sunday school superintendent, began work last Saturday in the Ogden tabernacle with a good attendance.

Mrs. Ballantyne reports much interest on the part of those who attended, and the prospects are bright for an interesting and progressive class during the season. The children by attending will have their musical education developed and will grow up imbued with a love of the divine art. Part singing is taught, as is sight singing. The children's classes meet at one and two o'clock, and the adult class at three o'clock. All who desire to join should do so at once, so that they may go along with the class in the sight singing work.

**IN POLICE CIRCLES.** A Mr. Dean, residing on Twenty-seventh street, was yesterday arrested, charged by Fred Toot with assaulting the latter's boy. The case is set for hearing today.

Captain Browning and Officer Hutchins last night arrested ten boys, belonging in age from 7 to 14 years, who were loitering about the rear of the opera house. The charge on which they were booked was violating the curfew ordinance. The youngsters were all taken to the station, but were released on promises to appear for trial at 4 o'clock tomorrow.

Samuel Glover, confined at the county jail charged with taking \$150 belonging to a sheep man, was taken into Parker J. Hall's court yesterday, but the hearing was postponed. The deposition of Mrs. Scott, however, was taken, she being one of the witnesses in the case, and about to leave the state. The defense objected to her testimony being received.

A persistent hobo yesterday made himself obnoxious to a gentleman coming up Twenty-fifth street who was, however, somewhat the worse for liquor. At the third request for cash made by the hobo to the gentleman, the latter stepped behind him and landed a blow just behind the hobo's ear. The latter picked himself up from the gutter and went away satisfied.

The stage was tastefully decorated with plants and flowers, and draped with flags and bunting, and the thirty-year graduates formed a beautiful group. The program as published in last evening's "News" was rendered (with the exception of Chief Clerk Mathewson appearing in place of Superintendent Nelson, who was unavoidably detained and delivering an address). Special Correspondence. Logan, Cache Co., Nov. 14.—The Logan sugar factory sustained two or three breakdowns of a minor character during the first two days of its operating career. It is expected that a constant stream of such breakdowns will begin to pour forth, however, at 10 o'clock tonight.

**SEQUEL TO A DIVORCE.** Mrs. Talitha Karren, of Lewiston, has begun a somewhat unusual suit against her husband, Fred Karren, in the first district court. She admits that she was guilty of infidelity during his absence from home a year or two ago, but alleges that upon his return he forgave her and lived with her again. She now alleges that he obtained her consent to a divorce on the promise that if they were separated he could secure some property from his father which was otherwise unobtainable, and that as soon as he was in possession

of the property he would remarry her. She alleges that he obtained the divorce of divorce and the custody of their three minor children through the charge of infidelity, but that she was never properly served with the summons and that the divorce was, therefore, illegal. **KANOSH.** ECHOES OF THE EARTHQUAKE.

Sensational Experiences—Prevalence of Sickness Among Children.

Special Correspondence. Kanosh, Millard Co., Nov. 14.—Our little town last night had a very interesting experience from quite a severe shock of earthquake which took place at 9:35 o'clock. Many people were much frightened, some jumping from their beds and rushed screaming into the streets for help, while others shouted fire, fire. One widow lady, Mrs. Ida Penny, went into hysterics and remained in that condition for hours. It is quite amusing to listen to the ludicrous experiences of some people. So we will simply narrate our own.

We were sitting reading the "News," wife nearly had dropped her paper to her lap and entered the land of nod. Suddenly a noise like unto a band of cats galloping upon the porch; this soon developed into the rush and roar of stampeding and into the whole house appeared to be dancing upon troubled waters, the chandelier swung like the pendulum of a clock, the glass and other articles on the shelves rattled and clattered. This continued for several seconds, ample time for wife to get very wide awake, jumping to her feet and looking for the source of disturbance, and looking at me and asked, "How white you are." And the general action and effects upon the various people seem to plainly indicate that the recent earthquake could command a little earthquake rattles would be a great scramble for the pentest seat.

**MUCH SICKNESS.** We have had a number of cases of sickness among the small children. It is a new kind of throat trouble. Yesterday we buried the little eighteen months old girl of Charles and Annie Bennett, and today we have another funeral, that of Mr. Robert Shaw, of Cash Store. Mr. Shaw's trouble was beyond the reach of local skill and he recently left with his wife for Provo. Dr. Robinson took him on to Salt Lake City, but the patient was beyond the reach of human skill, and he died at the home of P. E. Parsons, 65th West North Temple street on the 12th of November. The cause of death was "Hodgkin's disease." Mr. Shaw has been married to the widow of the late James L. Dorrity between three and four months and was but forty-eight years of age. A large number of friends and relatives attended the funeral from Sevier county.

This meeting was preliminary to one that will be held in Ogden next Saturday.

the Farmer's Union, was presented with a fine son on the 5th inst. All doing well.

## STOMACHS THAT WON'T WORK.

That Retain the Food and Refuse to Digest It. Make the Head Heavy and The Nerves Weak, Need Stuart's Dyspepsia Tablets.

There is a cure for dyspepsia. Sufferers who have had tedious noisome stomachs will probably be skeptical but skeptical vanishes when Stuart's Dyspepsia Tablets are tried. Whether the trouble

is dyspepsia of long standing or merely a simple case of indigestion, relief is prompt and pronounced. The less the trouble the fewer tablets need be taken.

Headaches after eating, sour stomach, as indicated by belching, fatigue and slight exertion or with no exertion at all, disturbed sleep, nervousness, constipation, depression, "blues," brain and stomach commonly be down as symptoms of dyspepsia. And dyspepsia is merely indigestion in an aggravated form.

By promoting perfect digestion, Stuart's Dyspepsia Tablets produce strong nerves, restful refreshing sleep, pure blood and good sound healthy flesh. They make the skin clear, the eyes bright, the mind cheerful.

Stuart's Dyspepsia Tablets are a medicine and more than a medicine. They digest the food and make it easy of assimilation, and they relieve the inflamed, diseased condition of the membrane lining and the glands of the stomach and bowels. They help the digestive organs over the hard places, and put them into a healthy, active condition. They take a quick and permanent cure. You don't have to continue taking them forever, still it is well to have a box handy and take one at the first return of the trouble.
