A foolish rumor was started on the street yesterday afternoon, to the effect that the President had vetoed the Edmunds-Tucker bill. Some people are hard up for a joke.

The gross earnings of the D. & R. G. W. Railway for 1896 were \$1,001,900; the operating expenses aggregated \$701,102, leaving \$300,798 as the net earnings of the road.

A vocal and instrumental concert will be given in the Twenty-first Ward meeting house on Friday evening, March 4th. The programme consists of character songs, choruses, recitations, etc.

Com. Holland was before Justice Pyper this morning on the charge of drunkenness. He was taken in by the police last night, and had \$12.50 in his possession. He was released to-day on payment of a fine of \$5.

An individual who gave his name as Bart. Bastible was arrested in the Police Court this morning for having been drunk last night and creating a disturbance. He pleaded guilty, and in default of payment of a \$10 fine was given employment with the chain gang.

A huge grizzly bear, which for some time has been watching around Fort Douglas, was yesterday shot and killed by post-trader Seakers. He sold the carcass to O. H. Guiver, the butcher of Second South Street, who had it dressed and hung up in his place, the hide and flesh separately. Bruin was only a year old, but he scaled 700 pounds.

Richard Hook, whose trials on the charges of grand larceny and assault with intent to murder have been postponed till the next term of the Third District Court, was placed in jail this morning. He had been bled too freely of intoxicants, and the result was his arrest. He pleaded guilty to having been drunk and profane, and was fined \$10 to-day. He had no cash to meet the bill, and was sent to jail.

Utah Central Railway.—Commencing Tuesday, March 1st, the Utah Central Railway will put on an additional passenger train for the accommodation of the public, to leave Juab at 5:30 a.m., Nephi 6:15, Santaquin 7:11, Payson 7:55, Spanish Fork 7:57, Springville 8:01, Provo 8:15, Pleasant Grove 8:45, American Fork 8:50, Lehi 9:01, Draper 9:40, Sandy 9:52, Farmington 10:10; arrive at Salt Lake at 10:30 a.m. Leave Salt Lake at 4 p.m., arrive at Juab at 8:30. Other trains run as usual.

"Zitka."—Of this drama, which will be produced at the Theatre this evening, the Philadelphia Times speaks as follows:

"A melodrama, well written, well played, well mounted, is not so common an affair as it is passed over without remark. The play of 'Zitka' is such. It is a play in which the action never flags, which is filled with admirable exciting situations, and which holds the interest of the house from first scene to last. There are in it plot and counterplot, villains cast down, the good lifted over all, vice defeated, virtue victorious and true love triumphant. There are the elements of melodrama, and with them all the most enthusiastic company of actors to interpret them, the scenery, becoming costumes, fit accessories, success is assured. A house crowded in all parts, above and below, testified by its frequent spontaneous and most enthusiastic applause of the success of 'Zitka.' The construction is strong, the plot well acted together, and the interest of the story is kept at fever heat. The play was fortunate in the production of the players. Mr. Levick is a very proficient actor, and he played with great earnestness and feeling."

To Be Sure.—Deputy Wm. Thompson, Jr., who shot and killed Edward M. Dalton, at Farway, last December, has commenced suit against the DEARBART NEWS COMPANY for the sum of \$25,000, that being the size of the plaster that he deems will be about adequate to cover the damage to his reputation. The papers were filed yesterday. The complainant is represented by assistant prosecuting attorney C. S. Varian, the gentleman who was so delightfully unanimous with Thompson's attorney when he was tried at Beaver. The case will be tried at Beaver. The defendant will not champion his cause in the capacity of prosecutor, however. This is the same Thompson who was discharged by his superior officer—U. S. Marshal Dryer—shortly after the killing on the ground that the offense with which Dalton was charged being a misdemeanor, "he had no right to shoot." The ground taken on the complaint consists of portions of a series of articles that appeared in the News in which Thompson and the bloody deed were commented upon. We shall see what we shall see.

Emma Abbott.—This favorite prima donna will appear with her new grand opera company at the Salt Lake Theatre in a four days' engagement, commencing Wednesday, March 2nd. In order to be ready for the opening, the company will arrive by special train from Battle City. Many seats have been spoken for already. It is said that during the two years of her absence she has improved the strength and sexiness of her voice, and gained in force of real dramatic power, which fact will be fully demonstrated in her rendering of the title role of the grand tragic opera "Lucetta Borgia," her impersonation of the famous poisoner of Italy, has received the highest praise from the most critical press in the country. The company is almost entirely new, embracing many renowned artists, who will be heard in some of their best roles during the engagement. "Mikado," "The Traviata," "Carnival of Venice" and "Linda of Chamouni" will be given. The sale of seats continues on Monday morning.

JAMES C. WATSON AGAIN ARRESTED.

HE IS CHARGED WITH VIOLATING THE EDWARDS LAW.

About 6 o'clock this morning James C. Watson was, for the second time since his release from the penitentiary for violating the Edwards law, arrested on the charge of unlawful cohabitation. He was on the street engaged in his duties as nightwatchman, at the time the warrant was served. Immediately afterward a host of U. S. deputy marshals headed for Mr. Watson's residence in the Sixth Ward, and subpoenaed his family and quite a number of neighbors. One of the witnesses, the lady who is named in the complaint as the third wife, is now recovering from a severe attack of typhoid fever, and is in a condition that will not warrant her coming out of doors in such inclement weather. She was guarded by deputy marshals for several hours, but as it was out of the question for her to come to the Commissioner's this morning, she was permitted to remain at home.

The accused was taken before the Commissioner at 10 a.m., and the examination set for 2 p.m. to-day. The complaint in the case is made by E. A. Franks, and asserts that the defendant has lived with Mary Watson, Ellen Riley and Lizzie Evans as his wives since January 1st, 1896, to-wit: the 13th of October, 1896. Bail in the sum of \$2,500 was required, H. Watson, Alex. Watson and Peter S. Condie signing the bonds.

This afternoon, at Mr. Dickson's request, the witnesses were excluded from the room during the examination. James C. Watson, Jr., was the first witness. He testified—The defendant is my father; my mother's name is Mary; is father's first wife; lives in the Sixth Ward; father has lived there during the past year and a half; I know Ellen Riley; she lives in the Sixth Ward; I have not been in her house since father came from the penitentiary; I know Lizzie Evans; have never been at her house; have not seen her little baby.

Mrs. Ellen Riley Watson testified—I was married to the defendant in 1873; live in the Sixth Ward; I have six children; the youngest is two years old next August; the defendant has been at my house since then to see the team; he has not visited regularly; has not been so often since his arrest last October; the teamster's name is Arthur Lewis; he has lived with the defendant two years; the defendant has never come to see me as his wife since he left the penitentiary.

Mr. Dickson—Isn't it the truth you have conceived and had a miscarriage since your husband came out of the penitentiary?

Witness—I do not know how to answer you; it is true.

William T. Evans testified—I live in this city; know Lizzie Evans; she was the wife of the defendant; he died six years ago; Lizzie lives in the Sixth Ward; sometimes call at her house; she is about 35; she has a young child about a year and a half old; I know nothing of the pregnancy of the child; she has lived in her present home three or four years; before that she lived at 438 S. Fourth West Street; my father has left three widows; Lizzie left on account of her husband's death, when the property was divided.

The defendant stated that he did not desire to deny that Lizzie Evans was his wife.

Witness, to Mr. Dickson—I do not know when she was married to Mr. Watson; Ada Evans is one of father's wives; Lizzie's sister who lives with her Mary Bezzant.

Mrs. Lizzie Evans, having been unable to present, Mr. Dickson requested that her deposition be taken, and the Commissioner so ordered it.

The Judge charged the grand jury, giving about the following construction to the evidence: The defendant is to be construed to be an apparent relation of polygamy, whether he has in fact committed it or not; the fact that he is a real fact between the parties, and the appearance of that relation, is sufficient to determine whether the plural marriage is a crime. The defendant is to be construed to be a real fact between the parties, and the appearance of that relation, is sufficient to determine whether the plural marriage is a crime.

H. H. EVANS ARRESTED.

HE IS BROUGHT BEFORE COMMISSIONER MCKAY.

About 6 o'clock this morning Deputy Greenman, Pratt, Bush, Franks, Thompson and others made a raid on the Sixth Ward. Hyrum H. Evans was arrested on a charge of unlawful cohabitation, made by Deputy Franks, and alleging that he had lived with Lizzie Evans and Ada Evans as his wives from March 1st, 1894, to February 1st, 1897. After the warrant had been served on Mr. Evans, and his wife and little daughter subpoenaed, the deputies inaugurated a search for the alleged plural wife, whom they insisted was in the immediate neighborhood. They drew from their pockets a sufficient number of candles to suit their purpose, and by the light thus afforded examined every apartment and corner in the house, as well as all the out-buildings, but to no purpose. A number of witnesses were then subpoenaed from the neighborhood, and the accused was taken before Commissioner McKay, at 10 a.m. The Commissioner fixed the preliminary examination for this afternoon, and Mr. Evans was released on \$1,000 bail pending the result, A. G. Givogue and O. A. Woolley being sureties.

This afternoon Mr. Evans stated that he desired to waive examination. Mr. Dickson replied that if he would admit the facts charged he would permit it; otherwise he would not.

Mr. Moyle said the defendant would admit having two wives, Henrietta and Ida Rushton Evans, and that he had lived with them during the past three years.

The defendant was held in \$1,500 bail to await the action of the grand jury.

EDWIN RUSHTON.

ARRESTED ON THE PREVAILING CHARGE.

This afternoon Edwin Rushton, an aged resident of the Fifth Ward, was arrested on a charge of living with Mary A. Rushton and Sarah Rushton as his wives. The complaint was made by E. A. Franks. He was arraigned before Commissioner McKay and pleaded not guilty.

Mrs. Sarah Rushton testified—The defendant is my husband; I live in this city; my husband lives with me; my youngest child is ten years old.

The defendant was placed under \$1,500 bonds to await the grand jury's action.

Fatal Accident.

Joseph Nelson Sawyer, son of Walter O. Sawyer, of this city, died at the residence of his grandmother, in the 11th Ward, on the 24th inst., at a quarter past ten p.m. On the 12th day of this month he met with an accident while loading a pigsticker. The pigsticker was discharged and the ball entered the left lung and passed through the body. This occurred on the 12th inst., at a sheep herd over which he had charge, which was about forty-five miles from Grantsville. He was brought to this city and Dr. W. F. Anderson called to his assistance, but the wound was mortal. He was 21 years old December 13, 1886. The date of the funeral will be announced hereafter.

It is estimated that the loss of cattle on the range in Beaverhead County, Montana, is about 20 per cent. at the present time, and there are no more cold snaps it will not exceed those figures.

OBITUARY.

GLEASON.—Desdemona Chase Gleason, daughter of Isaac and Phoebe Chase, was born in Sparta Township, Livingston County, New York, on the 24th of April, 1821. Emigrated to the West in her native place, June 21, 1839, being baptized into the Church by Elder Phileas Brown, she was married to John S. Gleason on the 28th of December of the same year. She gathered to the bosom of the Church, in Nauvoo, Illinois, in 1841, and through the stormy vicissitudes and trials of the period of persecution prior to and subsequent to the martyrdom of Joseph the Prophet, remained firm and unwavering to the truth. She was one of the first company of Saints that left Nauvoo in the exodus of 1846, crossing the frozen Mississippi on the ice in the month of November. After many trials and privations incident to a journey of over a thousand miles across the plains into a wild and uninhabited country, she reached Salt Lake Valley in the fall of 1846, being one of Amasa Lyman's company. After several years residence in various places she finally settled in Farmington, Davis County, where she continued to reside until death. She was seized with an acute attack of pneumonia, on Monday, the 16th instant, and on the Friday following, at 11 o'clock, breathed her last. She was the mother of six children, four of whom were boys, the youngest, Hyram, being now on a mission in the Northwestern States. Among the last wishes she expressed was that she should remain in her home and be buried in the same place. Her husband and four children are left to mourn her absence. She was a firm, faithful and consistent Latter-day Saint, honest and plain spoken, kind and hospitable, and drew around her many friends, with whom numerous relatives, deeply regret the separation, though perfectly assured that with her all is well. The funeral services were held in the Farmington meeting house on Sunday, February 20, 1897, at 2 p.m. Bishop O. P. White, of Salt Lake City, delivered the discourse, which was fraught with comfort and instruction. The remains were interred in the Farmington cemetery in the presence of a large assembly of mourning relatives and friends.
