

Food for Reflection.

Some time since the scientific heads of the Great Universities of the country took up the subject of baking powders, subjecting every brand on the American market to a chemical inquisition that nothing known to the adulterator's art could possibly escape. A feature of their findings, a feature that has food for reflection in it, is that Dr. Price's Cream Baking Powder was found to be free from all adulterants. The most perfect made.

MATTERS OF INTEREST TO Gardeners and Farmers.

BUY NORTHERN-GROWN SEEDS. WE ARE THE PRODUCERS OF seed selected. They are the best in the world. They are the best for all climates. They are earlier, more hardy, vigorous and productive than those grown in lower altitudes. We keep a large stock of fresh seed and believe that we can give you satisfaction. We unhesitatingly affirm that no better seeds than those we deal in can be procured. Bestowing such resolute care upon them, we feel justified in saying our seeds are unsurpassed in purity and quality. We do not pretend to be the "only house in the west selling NORTHERN-GROWN SEEDS," but we do claim that we have the very best seed to be had anywhere; and that has not been all over the country, for several years, in commission boxes, as we do not send out any commission boxes at all, but we send you the seeds in our own hands, and you can see for yourself. Our prices are as low as reliable stocks can be sold at, and afford a fair remuneration for the expense and labor attending the proper curing of these seeds. We ask a trial order from all who have not used our seeds. Write for circulars. Address all correspondence to the UTAH NURSERY CO., General Warehouse, Salt Lake City, Utah.

REPUBLICAN BUSINESSMEN.

They Have a Big Parade in New York, Nov. 3.—Lower Broadway was thronged with people this afternoon to witness the start of the republican parade of business men.

The weather was much the same as that of last Saturday, when the democratic business men paraded. The rain came down steadily from out the leaden sky, but this did not seem in any way to dampen the order of the parade.

Prosperity at the front of the procession, a multitude of people thronged the route. Crowds of sight-seers on the roofs and in windows cheerfully joined in the parade.

The parade was a magnificent one, the marchers in double line, drawing a truck bearing a big flag of the republican cause.

This was intended to represent the Dolphin, which was first declared to be unacceptable to the government, but now considered one of the best vessels in the navy for coast defense.

Alongside the model were a number of other vessels. They came from the dock yards of the navy, and were carried by a standard banner inscribed, "The Democrats Killed John Roach, but His Spirit is Marching On."

One of the most striking and unique features of the parade was the appearance made by the American Club of Pittsburgh. There were 20 men in line, dressed in two-piece suits and white hats, and each carried an umbrella.

These men were the ribs were alternately red, white and blue, thus representing the colors of the American flag.

When the Liberty Street business men swung into Broadway from that street, headed by the several American Bands, there was a big shout from the crowd that lined either side of the street.

First came the Officers Exchange, followed by the Officers of the American Club, and then the American Club, headed by the several American Bands, there was a big shout from the crowd that lined either side of the street.

IN INDIANA.

Guarding Against Fraud.

INDIANAPOLIS, Nov. 3.—The chairman of the democratic central committee sent a letter to each democratic county chairman today, of which the following is a copy:

"Instruct all inspectors to watch that the republican do not vote double tickets on Tuesday. The fraud this morning contains full instructions how such a thing can be done, and how to detect it."

The republican committee early in the day sent the following letter to its county chairmen:

"The democratic in your county are planning to have double votes cast. No mistake about this. Warn our people quick. Let them be on their feet and put out posters at voting places offering a reward of \$100 to any person who will detect and convict of such a man who votes double tickets. Print a copy of our ticket and post at the voting places. Force the thing now."

The republican committee also this morning sent a notice to its county chairmen, and in it, addressed to the public, announcing a reward of \$100 to any person who will detect and convict of such a man who votes double tickets.

After a meeting of the republican committee, the chairman of the committee, Mr. J. C. Harrison, said that the republican committee was determined to win the election, and that they would not be deterred by any fraud.

THE VERDICT UNANIMOUS.

W. D. Salt, druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles and was cured of rheumatism of ten years' standing."

Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my twenty years' experience is Electric Bitters." Thousands of others have testified to its efficacy in curing the Liver, Biliousness and Blood. Only half a dollar a bottle at H. C. Smith & Co's drug store.

A WOMAN'S DISCOVERY.

"Another wonderful discovery has been made, and that too by a lady in this country. Diseases fastened its clutches upon her and for seven years she withstood its severest test, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought a bottle of Dr. King's New Discovery for women's ailments, and was cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamrick & Co., of Shelby, N.C., who sold a bottle at A. C. Smith & Co's drug store.
