St. Paul, Indiana, Jan. 16.—A sad coincidence visited the homes of Jasper Carlisle and Argus Cartnell, living near Wadron. "The warmth of sympathy and tender sentiment which has penetrated the gloomy chill of our sorrow has caused us to know as never before and so impressively as never to be forgotten, the generous sensibility of our country's manhood and womanhood. From the child

executive of the nation and from whom we are every station in life to the humblest citizen of our land, from the intimacy of the closest friendship and from the kindness which humanity finds in grief, have come to be united in sympathy and condolence. They have turned our hearts with affectionate gratitude.

"It would be a great satisfaction if we could express our direct assurance of our appreciation of their comforting words to each of those who have been so united in grief. Since this is impossible, we are led to feel that this public expression will none the less be understood by each individually as a heartfelt and deeply grateful acknowledgement from a stricken and grievously stricken household."
