

## TABERNACLE SERVICES.

Elders John Nicholson and Chas. W. Penrose the Speakers.

The Signs of the Times, and the Moral Hygiene of the Doctor to Educate in Christ's Millennial Reign.

Elder C. W. Penrose, of the Salt Lake Tabernacle presidency, presided at the services held in the Salt Lake Tabernacle on Sunday, June 3, 1894.

The choir sang, "Come thou glorious day of promise." Prayer was offered by Elder A. M. Moore. The choir sang, "Praise ye the Father."

Elder John Nicholson addressed the congregation. He read from the Book of Deuteronomy and Corinthians concerning the remarks of the Lord to His disciples regarding the signs of His coming (John 6). It was prophesied that in latter days a light would break forth among the Gentiles, which light would be a cause of the Gospel, which would be presented to the nations of the earth. The first principle of this Gospel is faith in God and in the Lord Jesus Christ. Without faith it is impossible to please God. Faith, then, is the starting point for admission into the Church. The next principle is repentance—a determination to forsake sin and endeavor, as far as possible, to do the will of God. The third principle taught is the resurrection of sin, and this is followed by the laying on of hands for the anointing of the Holy Ghost.

The true Church of Christ is an organization in which there are officers and members—Apostles, Prophets, Pastors, Teachers, etc. It is found in the world that Apostles and Prophets are no longer needed—that they were necessary in the Church in its inception but are not now, but the Apostle Paul says they are given for the edifying of the body of the Church, for the work of the ministry, until all should come to a unity of the faith. It is evident that this unity is not enjoyed at the present time, and therefore that the necessity for Apostles and Prophets still exists.

Regarding the condition of affairs co-existent with the time of the restoration of the Gospel, there need be no apprehension among the children of men that they will be persecuted or slain. Much trouble has manifested at the present time, and never has been paralleled in history. There is a hating of "Ghosts" and idealism abroad. It is now in the implement stage. In the last ten years before the fulfillment Joseph Smith predicted the war between the North and the South, indicating where it would begin—in South Carolina. The Prophet told of other strife that would result from attempting to assert the rights of the people of this country and disregarding the Constitution. It is clear that there is growing in this country a disposition to disregard the Constitution. When that palladium of human rights is ignored, there is no particular standard to preserve the people's liberties. It makes no difference that the Lord says, "I will not let the people who will maintain the Constitution be put to the hour of greatest peril, and judgments of the near fulfillment of this prophecy already are beginning to appear."

Regarding the restoration of the Jews, it was predicted that things they should be restored in all nations a remnant shall be gathered when the times of the Gentiles shall be fulfilled. The times of the Gentiles have come in the present dispensation, so we must be prepared to meet and end the times of the Gentiles as well. When they have made it clearly manifest that they have rejected their God, and the children of Israel will have to be withdrawn. Then the Jews will have gathered in to form a nation saved from their enemies by the coming of their Lord.

The speaker evidently believed that the Jews in America, the Latter-day Saints, are engaged in a work that Christ still stands upon the witness that the faithful who are His shall see His face and hear His voice and know that He is their Redeemer.

Elder C. W. Penrose corroborated the statements of the Prophet, the speaker added, that the work of the Kingdom through the Italy Coast had not ceased, the everlasting gospel preparing the coming of the Lord. There is indeed in the land a work of mission, one evidence of it is in the meeting of men who are in the seat of government. There are causes for this state of interest and action problems to be solved in relation to capital and labor. The solution of these problems will remedy for existing difficulties, the salvation of the Gospel revealed by the Almighty through the Prophet Joseph Smith. The Almighty has promised that the Kingdom will be a wealthy people, a people that takes care of earth, in accordance with the law of the Kingdom of God.

"I suppose about ten for," at the open meeting of choir and congregation held in the Tabernacle. Elder Vandy P. Ellsworth presided over the exercises.

WHY WOMEN WEEP

It is explained when men are failing, enough not to supply the household property. A poor Law Lawyer brings tears. A second-hand Laundry Woman brings tears. A slovenly wife brings tears. In fact anything brings tears to this woman that is not genuine. Many of these calamities can be avoided by purchasing everything the household needs in the way of furniture or house furnishings at the
