

LESS AND LESS.—An eastern paper says—

"The number of emigrants arriving at New York from December 13 to January 13 was less than at any corresponding period during the last twenty years, and nearly half of them have been in this country before."

Treating the Wrong Disease.

Many times Women call upon their family physicians, one with dyspepsia, another with papitation, another with trouble of the breast, and in this way they all present alike to themselves and their easy-going and indifferent doctors, separate and distinct diseases, for which he prescribes his pills and potions, assuming them to be such, when, in reality, they are all symptoms caused by some uterine disorder, and while they are thus only able to palliate for a time, they are ignorant of the cause, and encourage their practice until large bills are made, when the suffering patients are no better in the end, but probably worse for the delay, treatment and other complications made, and which a proper medicine directed to the cause would have entirely removed, thereby instituting health and comfort instead of prolonged misery.

From Miss Lorinda E. St. Clair, Shade, Athens Co., Ohio:

"Dr. R. V. Pierce, Buffalo, N.Y.—Your Favorite Prescription is working almost like a miracle on me. I am better already than I have been for over two years."

From Ella A. Schafer, Zanesville, Ind.:

"Dr. Pierce—I received the medicine you sent me and began using it immediately. As a result of the treatment I feel better than I have for three years."

From Mrs. John K. Hamlin, Odell, Ill.:

"Dr. Pierce—The Favorite Prescription has done me good, which I am very thankful for."

Dr. Pierce's Favorite Prescription is sold by all dealers in medicines.

A FRIGHTFUL CHORUS.—Nothing strikes so unpleasantly upon the ear of an affectionate parent as the wheezing, snuffing, coughing, and hoarse voices of a family of children laboring under bad colds. A chorus of this dismal kind is kept up in some households the winter through, simply because the father and mother are either ignorant of the means of cure or are guilty of gross neglect. HALE'S HONEY OF HOREHOUND AND TAR, will establish quiet in three days. No cough or cold can resist its soothing influence.

PIKE'S TOOTH-ACHE DROPS.—Cure in one minute.

IS IT ANY WONDER?—In view of the immense amount of saleratus and adulterated baking powders used by the masses of people in food, is it any wonder that there are diseased gums, decayed teeth, weak and useless muscles, and disordered digestion? See to it that you escape these evils by using Dr. Price's Cream Baking Powder, the only kind made, by a physician, with special reference to its healthfulness, and indorsed as such by thousands who have used it for years. We do not hesitate to indorse it as the best in the market, and also Dr. Price's True Flavoring Extracts, Orange, Lemon, etc.

THE Provo Manufacturing Company want 400,000 lbs. of wool, for which they will pay the highest market price, half cash and half cloth. They have a good assortment of doeskins, tweeds, jeans, repellants, plain and dress flannels, linseys, shawls, blankets and yarns, white and colored, always on hand. Read their advt., examine their goods and try them. They are superior.

THE attention of all lovers of the fine arts and the public generally is invited to the advt. of Mr. C.

R. Savage, who announces his readiness to make enlarged portraits from small ones, in various styles and at reasonable prices. He also invites attention to his portraits of the First Presidency and the Twelve, which he sells at low prices per dozen, and in any quantity. He has excellent stereoscopes, and stereoscopic views of foreign subjects, which he sells very cheap. He has also an extensive assortment of frames, pictures and fine art notions constantly on hand and for sale, at fair rates, to country dealers or to the general public, and he only keeps the best goods. Call at his establishment, and you will be sure to see something that you like.
