The D. S. U. baseball team is still in the lead in the high school league. The team won its first place in the league and will win first place unless the other teams get a hustle on and head the fast bunch from the university. Yesterday afternoon the Salt Lake High school defeated the state university prep and the D. S. U. boys beat the All Hallos college team.

The high school prep game resulted in a score of 13 to 11. It was played on Cummings field before a fair sized crowd. Although the game was rather ragged it stirred up considerable enthusiasm and was well worth witnessing. Houston for the prep pitched a fine game, but the D. S. U. team was most miserable. It must have been disappointing to him for his team to lose by two runs after he struck out 12 men and kept the nine hits well scattered. Errors caused defeat for the prep. Houston made three safe hits one put out and seven assists, but one man can not do the work of a team and win games. In batting Jessup hit in three runs and made that many runs himself.
