EVENING NEWS.

Wednesday, January 12, 1876.

By Telegraph.

PER WESTERN UNION TEL. LINE.

Last Night's Dispatches.

EASTERN.

Dead.

WASHINGTON, Ll.—John Watson, formerly commissioner of the general land office and third auditor of the Treasury, died to-day, aged 65.

Mrs. Bartley, wife of Judge Bartley, and sister of General Sherman, died last night.

Supreme Court Decision.

The Supreme Court decision in the case of Wallack *vs.* Van Reswick, establishes the principle that a rebel, whose property has been confiscated, can make no valid title to its purchaser additional to the latter's interest during the rebel's lifetime, also that on the rebel's death his confiscated estate becomes vested in his heirs.

Land Bills.

In the Senate, to-day, Harvey, of Kansas, from the committee on public lands, reported, without amendment, the Senate bill to confirm pre-emption and homestead entries on public lands within the limits of railroad grants in cases where such entries are made under the regulations of the land department; placed on the calendar. He gave notice that he would ask the Senate to consider the bill on Tuesday next.

Kelley, of Oregon, introduced a bill enabling claimants to land within the Territories of New Mexico, Colorado and Arizona, to institute proceedings to try the validity of their claims; referred to the committe on private land claims.

Senatorial Caucus—Investigation Wanted.

The republican Senators held a caucus to-night to consider Morton's bill to provide for and to regulate the counting of votes for President and Vice President. The caucus agreed to abolish the 22nd joint rule and to support Morton's bill in lieu of it. There is substantially but little difference between the joint rule and the bill; the new feature of the latter is when the two houses separate to decide on an objection that may have been made to counting any electoral vote or votes, from any State, or for the decision of any other question pertaining thereto, each senator and representative may speak to such objection or question ten minutes, and not oftener than once, provided that after such debate has lasted two hours it shall be in the power of the majority of each house to direct that the main question shall be put without further debate. According to the present joint rule, questions in controversy are required to be decided in each house separately without debate.

Senator Davis will submit the following to-morrow, and will speak on the subject to-morrow or next day:

"*Whereas*, there appear to be material alterations and discrepancies in the official finance reports of the Treasury Department as to the annual expenditures and receipts of the government and the public debt, particularly in the reports of 1860 and of 1869 to 1872 inclusive, which discrepancies, changes and alterations involve large amounts, and no satisfactory explanation appears on the face of said reports for the same; therefore,

"*Resolved*, that a committee of five be appointed to investigate the conditions of the books and accounts of the Treasury expenditures, particularly with reference to the discrepancies and alterations in the amounts and the figures that have been made in them, especially in the annual statements of the expenses of the government, the revenue collected and the public debt contained in said reports; and if any such discrepancies and alterations are found to exist, to report the same and the extent and nature thereof, the years wherein they occur, by what authority made if any, the reasons inducing them, and to report generally such other and further information bearing on the subject as to them may seem best, and that said committee have power to send for persons and papers."

The Richest Gold Mine on the Continent.

LARAMIE CITY, Wy., 11.—A party have just come in from the Centennial mine, bringing in several thousand dollars in gold and a large quantity of very rich quartz, which literally glitters with free gold. This mine is situated twenty-six miles due West from Laramie City and everything indicates that it is the richest gold mine which has ever been found on the continent. The deep snows in the mountains in that neighborhood prevent all the people in this region rushing in there in search of gold.

Murder.

CINCINNATI, 11.—Mrs. Baker was found dead with her skull crushed in, at her house, six miles south of North Vernon, Indiana, on Saturday; murderer unknown.

A Splendid Revenue Measure.

COLUMBUS, O., 11.—In the Senate to-day a bill was introduced imposing a fine of $50 for taking the name of God in vain.

Failed.

NEW YORK, 11.—Ockerhausen Brothers, sugar refiners, have failed; their liabilities will not exceed $375,000.

A Demurrer Served.

Shearman and Sterling, counsel for the Rev. H. W. Beecher, in the suit brought against him for malicious prosecution, by Francis D. Moulton, to-day served on General Prior, counsel for the plaintiff, a demurrer, upon the ground that the complaint does not state facts sufficient to constitute a cause of action.

Petition From Religious Sects.

DENVER, Col., 11.—A meeting of delegates from the Baptist, Methodist Episcopal, Southern Methodist, Presbyterian, Congregational, Christian and German Reformed churches, of this city, ex-Governor Evans presiding, to-day unanimously adopted a petition to the constitutional convention against taxing property used exclusively for religious worship, education, public libraries and for charitable purposes.

Woman Suffrage Convention.

A woman suffrage convention has been sitting here since last week. Its sessions, which are interesting and largely attended, disclose an unexpectedly influential element in favor of a universal suffrage article in the constitution, now being framed for the State of Colorado. Mrs. Campbell of Boston, and Mrs. Wilks of Colorado, are among the speakers.

A Savings Bank's Trouble.

BOSTON, 11.—The West Boston Savings Bank has been restrained from receiving or paying deposits, or transacting other business, owing to shrinkage in real estate and personal securities; the capital of the bank has been impaired, but depositors are not liable to severe loss.
