IMPORTANT TO THE TRAVELING PUBLIC.

It is the duty of all persons before starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

The Depot in Chicago is centrally located, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making East ern connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Pan Handle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets on the Old Pioneer Route—

The Chicago and North-Western.

You will find on all through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class Cars now on any road in the United States.

Particular information with maps, time tables, etc., may be had at any of the Through Ticket Offices in the West, or upon personal or written application to J. W. Irons, Ticket Agent, Salt Lake City, A. H. Earl, Ticket Agent at Ogden, or to J. H. Mountain, Western Traveling Agent, Omaha, Neb. or to W. H. Stennett, General Passenger Agent, Chicago. d54

EVENING NEWS.

Saturday, - December 4, 1875.

Local and Other Matters.

THERMOMETER 46 degrees F. in the shade at 1 p.m. to-day. Cloudy.

Meetings.—Religious services tomorrow at the meeting-houses of the various wards, at 2 and 6 o'clock p.m.

Messages at the Western Union Telegraph office for John Byrne, A. M. Paul, and John Stober.

Convalescent.—We are gratified to be able to state that Bro. David H. Cannon, of St. George, who was reported dangerously ill some time since, is convalescent, and gaining strength rapidly.

Indisposed.—Justice Pyper has been unable to attend to his official duties in the police court the last few days, being confined to his room with a rather severe spell of sickness, from which, however, he is now, we are pleased to be able to say, recovering.

Information Wanted.—Johan Magnus Anderson, of 86 Twenty-fifth Street, Chicago, Illinois, desires to hear from his brother, August Anderson, formerly of Weddige Socken, Hallands Lane, Sweden, but now supposed to reside in this Territory.

Sunday School Union Notice.—The monthly meeting of Sunday school superintendents and teachers will be held in the City Hall, on Monday, at 7 p. m., the 19th Ward choir will be in attendance. The superintendents are particularly requested to give notice of the meeting in their schools to-morrow.

Personal.—Mr. B. F. Mills, correspondent of the New York *Times*, called in this morning, having arrived in the city yesterday. He is on an extended tour, embracing California, where he will stay a few weeks, and Australia. He expressed himself in terms of admiration of the site, plan, and general appearance of the city.

Bound Over.—The investigation of the charge against Mollie Wilson, *alias* Brown, yesterday, before Justice Raleigh, of stealing $230 from a miner, resulted in her being bound over in $500 to await the action of the grand jury. She deposited the value of the amount of the bonds, and was allowed to go at liberty.

The Death of the Prophet.—Our daily and semi-weekly issues containing the article from the Chicago *Times*, descriptive of the martyrdom of the Prophet Joseph Smith and his brother Hyrum Smith, having been sold out, the same article will appear in the next issue of the weekly, of which an extra number of copies will be struck off, so as to meet the large demand for the article in question.

Attempted Rape.—Yesterday afternoon James Carroll, charged with attempted rape on the person of Sophia Rosengreen, at Sandy, had an investigation before Justice Raleigh. The evidence was clear against the accused, and showed the outrage to be of a most brutal character. The only extenuation offered by the defendant was that he had been drinking and did not know what he was doing. This is a common excuse for a criminal to put forth, but is not entitled to consideration, except that he be punished for drunkenness, as well as for the other crime.

Carroll was committed to jail, in default of finding $2,000 bonds, to await the action of the grand jury.

A Small Fire.—At twelve o'clock to day the fire alarms at the Wasatch engine house and City Hall were rung, causing considerable stir and anxiety to know the locality of the fire, which proved to be the residence of Mr. Fred. J. May, in the 20th Ward. Being the dinner hour, the firemen were out in considerable force, and the apparatus was followed by a crowd of young sters, numbers of whom are generally around loose about that time of day. Fortunately the flames were extinguished, without it being necessary to bring the fire apparatus into requisition, by means of buckets and tearing most of the roof from the back kitchen to which the fire was confined.

The fire originated in the roof, through which a stovepipe projected, the only protection for the timbers being the ordinary deck-cap. The damage will probably amount to in the vicinity of $50.

The "Wasatch" boys were on the ground a few minutes after the alarm, and formed the bucket brigade that extinguished the flames.

District Court.—Friday, December 3rd, afternoon.

A. M. Williams *vs.* B. F. Cummings; after argument, motion for new trial taken under advisement.

Saturday, December 4th.

The People, etc., *vs.* William Bean, larceny; on account of the absence of material witnesses, case continued for the term.

The People, etc., *vs.* John F. Tasker, three cases; motion to dismiss appeal granted, and that the Clerk issue an order to the Justice to proceed.

Mary A. Harker *vs.* John A. Bernard *et al*; publication of summons ordered.

Cora Conway *vs.* Jeter Clinton *et al*; after argument, motion to amend complaint granted, defendants except.

Louis Reggel *vs.* Timothy B. Foote *et al*; on motion of defendant's attorneys, counsel for plaintiff consenting thereto, ordered that execution heretofore issued herein be and is hereby recalled and the judgment and default heretofore entered herein be and the same is hereby set aside and vacated.

Theatre.—There was a fairly large audience at the Theatre last evening to see the Ware and Lenton combination. In consequence of the indisposition of Miss Georgie McCain, the programme was necessarily changed. The audience appeared to be greatly pleased with the performance, the guitar playing, and the character singing, and applauded vigorously. The Lenton gymnastics were very cleverly done, and gave much satisfaction. The combination play again to-night.

Our Country Contemporaries.

Ogden *Junction*, Dec. 3—

Yesterday while Mrs. Etherington was attending a meeting, some petty thief entered her house and stole some money and a store order.

F. A. Hammond & Co's herd started this morning for winter quarters. The late severe storms destroyed a great deal of hay in Ogden Valley, as a wind storm preceded them, which opened the stacks and prepared the way for moisture to enter. The consequence is, much stock has had to be sent away on the winter range, on the northern shores of the Great Salt Lake.

A successful operation was performed in this city last Tuesday. Mrs. J. J. M. Butler has suffered for many years with a cancer on the right breast. Her husband has expended large sums for medical attendance, with no permanent benefit. At last recourse was had to the knife, and Dr. Waugaman, assisted by Drs. Condon and Sellers, and Mr. Arthur Wade, extracted the cancer, which weighed three and a half ounces. Mrs. Butler endured the operation with fortitude, but had to be subjected to the influence of chloroform. The operation was attended with entire success, and Mrs. Butler is progressing favorably.

Beaver *Enterprise*, Nov. 30—

Mr. J. H. Dupaix has been appointed, by the Utah Centennial Commissioners, their agent to collect specimens and transact such other business as may be required in this section of the country.

And now it's Shauntie that is to have a paper, the materials for it being now on the road. Whoever the proprietor may be, we wish him success beforehand; he exhibits a hardihood and indifference to surrounding circumstances truly gratifying in this degenerate age. Starting a paper is bigger fun than an ice bath and a frozen towel in midwinter.

From Ed. Keisele, Esq., just in from the mines (Shauntie, especially) we learn that Shumer & Co. have been forced to shut down for a few days, pending the arrival of machinery to replace some that was recently broken.

The Cave mine, Lincoln district, has got a tunnel in 217 feet and work going ahead actively.
