HOW TO BREAK UP A COLD.

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two days' time. To do this, however, prompt action is necessary. The first symptoms of a cold are a dry, loud cough, a profuse watery discharge from the nose, and a thin, white coating on the tongue. When Chamberlain's cough remedy is taken every hour on the first appearance of these symptoms, if counteracts the effect of the cold and restores the system to a healthy condition within the system to a healthy condition with a day or two. Special Correspondence. Cardston, Alberta, Cahada, June 20,—
The Women's Press club of Canada made a flying visit to Cardston last week, and was royally entertained. A special train consisting of two Pullman and one dining car, brought in the visitors, under the personal supervision of Manager Naismith of the Alberta rallway. Representatives of the leading American journals to the number of 35, and a few gentlemen representing local papers at Leithbridge, Raymond and Magrath, together with a number of the municipal and provincial authorities, accompanied the club, which was met at the station here by the mayor and members of the board of Cardston, Alberta, Canada, June 10,also representatives of the board of trade. The Candston brass band was at the station with the re-epiton com-mittee and aided much in giving a right royal welcome to the visitors. Enough vehicles were furnished to proterest and entertainment.
