The Oceanic Steamship company's steamer Albatross, on her way from Australia to San Francisco, has on board \$2,500,000 in gold. This is the largest amount of treasure ever brought into San Francisco by a single vessel.

In an effort to secure the holding of the main line of the Oregon Short Line through Boise, the following committee has been appointed: Foster Brown, chairman, Calvin Cobb, Mayor Alexander C. N. Hartz, H. H. Hartman and E. H. Kingdome.

The Pacific Lumber company, of which J. M. Smith of Oakland, Cal., is president, has been advised by the manufacturer to build a mill in California. The site is in the mountains of the Sierra Nevada, near the town of Mammoth.

It was learned at Stockton, Cal., Monday that last Saturday night T. A. Henderson of that city was blown from a railway car into the San Joaquin river. He escaped with a few bruises, though he was thrown a half a mile and lost a part of the time unconscious to the passing world.

A cattle deal involving the sum of \$200,000 was closed in Denver, Wednesday. The contract was between J. W. Hines, of Chicago, and Adams & Adams, of Montana. The latter sold 1,000 head of Hereford cattle and calves to the company for the purpose of ranching in the state.

Walt was shot Monday against Charles J. Berry, the "Kiddie King," who left Fresno, Cal., a day or two ago to sail for Alaska. The contract was made by James H. Berry, of Fresno, who recovered \$25,000 damages for the loss of an eye, which he claims was destroyed by Berry in a violent assault by the latter on the former's office, and who came to San Francisco to serve the complaint.

The Twin Springs Placer company, operating on the divide between the mountains of the Sierra Nevada, has purchased the rights of all the Placer and Drifter ground at Idaho City, including the water of Stone and the creek. The ground covers an area of 100 acres, and the purchase price was about \$100,000. The Twin Springs company will run the mine for the next year and twenty years.

In order to determine as far as possible the extent of the damage to the property in the city of Idaho, caused by the heavy frosts in last November, the California Cal. Times has engaged the services of a conservative man familiar with horticultural interests, to make a thorough investigation of the matter. As the estimate of the loss was generally in excess of the value of the property, it was estimated that one-third of the fruit of southern California was more or less affected.

The will of Herman Lieber, of the North American Commercial company has been filed. No value is placed on the property. The executor is Henry Lieber and Julian Lieber, sons of the deceased, and Isaac Lieber, his cousin, are named in the will. When the final settlement is made, four per cent will be divided equally among the three sons, who are trustees, and a fourth son, Louis Lieber, and his wife, will get nothing, because it is stated in the will that no money is provided for in the settlement made with their mother. The will was received monthly, until she is married, the sum of \$10, to be regularly paid her for the rest of her life, because of small amounts are made in the will.
