There is only one cure for Contagious
Blood Poison—the disease which has
completely baffled the doctors. They
are totally unable to cure it, and direct
their efforts toward bottling the poison
up in the blood and excreting it from
the body.

Don't destroy all possible chance of a
cure by taking the doctor's treatment
of mercury and potash. These minerals
cause the hair to fall out, and will
work the entire system.

S.S.S. For the Blood

It cures venereal, and is the only
blood remedy guaranteed to contain no
poison, mercury, or other mineral.
