A LADY WRITES.—I consider the CHARTER OAK a blessing to every housekeeper who is fortunate enough to have so excellent a Cook Stove. A few of its merits are economy in fuel, quick baking, with a large Reservoir that heats water quickly and warm enough for all household purposes. We use Illinois coal, and the flues are so large that they require but little cleaning.

PHYSICIANS are Wonderstruck at the cures of obstinate Coughs, violent Colds, difficulty of breathing, and incipient consumption, daily accomplished by HALL'S HONEY OF HOREHOUND AND TAR.

Pike's Toothache Drops cure in one minute. d&w

Deeny's Lasting Finger

WILL never mar the teeth that are brushed daily with Odoriferous SOZODONT. It lends a floral fragrance to the breath as well as protects the teeth from corrosion and decomposition. d&w

FOR Bronchial, Asthmatic and Pulmonary complaints, "*Brown's Bronchial Troches*" manifest remarkable curative properties.

IMPORTANT TO THE TRAVELING PUBLIC.

It is the duty of all persons before starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

The Depot in Chicago is centrally located, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making Eastern connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Air Line Handle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets on the Old Pioneer Route—
The Chicago and North-Western.

You will find on all through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class Cars now on any road in the United States.

Particular information with maps, time tables, etc., may be had at any of the Through Ticket Offices in the West, or upon personal or written application to J. W. Irons, Ticket Agent, Salt Lake City, A. H. Earl, Ticket Agent at Ogden, or to J. H. Mountain, Western Traveling Agent, Omaha, Neb. or to W. H. Stennett, General Passenger Agent, Chicago. d54

EVENING NEWS.

Tuesday, November 30, 1875.

Local and Other Matters.

THERMOMETER 60 degrees F. in the shade at 1 p.m. to-day. Some clouds.

A Large One.—At the Empire Market are portions of a hog which turned the scales at 635 pounds. Rather huge.

Passed Omaha.—Hon. Geo. Q. Cannon passed through Omaha on Saturday, on his way to Washington.

Not Arrested.—The police have not yet been able to discover any clue to the whereabouts of Keene, the man who shot his mother-in-law and brother-in-law, in the 17th Ward, on Sunday morning.

A Change.—Judge White has appointed Col. Betts clerk of the Third District Court, in place of Mr. Ed. B. McKean, resigned.

Mr. Willis McBride, a courteous and obliging young gentleman, who has been in the office for some time, has also been appointed deputy clerk.

A Contrast.—We are having a few days of pleasant weather with the thermometer running from 50 to 60, while people in some of the Eastern States complain of the mercury several degrees below zero. Even as near as Old Fort Laramie the thermometer the other day showed 14 below zero.

District Court.—Tuesday, Nov. 30th.

The People, &c., *vs.* James Dunn *et al*; continued for the term.

The People, &c., *vs.* John McGinty *et al*.

Jury called, witnesses examined, case given to the jury.

One alien admitted to citizenship.

Apologetic.—We owe an apology to our Ogden (Utah) contemporary for attributing the paragraph charging the Union Pacific railroad with arbitrary discrimination against Mormon workingmen to the Ogden *Junction*, when it really originated in the Evanston *Age*. The *Bee* has no desire to do anybody injustice, hence it makes this correction. In this connection we may as well also state that our contradiction of the charge referred to was based upon information imparted to us by the general superintendent of the Union Pacific, of whom we made inquiry touching the truthfulness of this paragraph.—*Omaha Bee*.

An Exciting Incident.—This morning, shortly before the arrival of the Utah Central train from the north, a gentleman, in company with two or three companions, entered the depot carrying with him a double-barrelled shot-gun. He laid the weapon against the fence on the outside, and waited for the train. A couple of men who observed his movements and considering they were portentous of mischief, agreed to prevent him from shooting anybody, providing he should make the attempt.

As the train rolled into the depot he picked up his gun and, as a lady was stepping from the passenger car he made a rush forward toward her, with his weapon pointed in that direction. He suddenly appeared to change his mind, however, and, putting the gun aside, greeted the lady, probably his wife, and conducted her to a street car.

The supposition is that he expected to find the lady accompanied by a male companion, and was waiting for the purpose of making short work of one or both of them.

The incident created considerable stir and excitement, but if a tragedy was intended none was consummated.

The Brigham Young Academy.—The revised deed of the above institution, of which we spoke some time ago, has been received by the Trustees named therein as follows: A. O. Smoot, William Bringhurst, L. E. Harrington, W. H. Dusenberry, Martha J. Coray, Myron Tanner and Harvey H. Cluff. Meetings were held during the week, on Monday and Friday, at the former of which an organization was perfected by electing A. O. Smoot, Pres't., W. H. Dusenberry, Secretary, and H. H. Cluff, Treasurer. A committee on by-laws and rules was also appointed, and yesterday this committee reported a series of by-laws and rules, which were adopted. Executive and auditing committees were also appointed, and the possibility of opening the Academy at once was considered.

We are informed that it is quite probably the Academy will be opened on Monday, December 6th, but will be able to state definitely by the middle of next week. We are also requested to state that all charges are payable in advance. We would therefore advise all parties interested to call upon the Treasurer, Mr. H. H. Cluff, and receive a permit for their attendance.—*Utah County Times, Nov. 27.*

Going North.—Brother James Standing, living on First South St., in the 12th Ward, has sold his house and lot there, also his land in the Big Field, and purchased the place known as Hampton's, on Bear River, eighty-five miles north, including the house or hotel, stabling, bridge, farming land, stock, farming implements, etc., where he intends moving, with his family, to reside. He leaves the City to-morrow.

Brother Standing has been a resident of this city for twenty-five years, having lived all the time in the 12th Ward, on the lot he has just sold, and which he took up soon after it was surveyed. His friends and acquaintances will wish him success in his northern home.

Sheffield Conference.—A Conference was held in the New Brunswick Hall, Sheffield, on Sunday, Oct. 17th, as reported in the *Millennial Star*. Joseph May, reporter.

Elders from Utah on the stand—A. Carrington, President of the European mission; P. Barton, President of Sheffield Conference; Elder E. L. Young, from *Millennial Star* Office; W. B. Barton, Pres't. of Liverpool Conference; E. Snelgrove, Prest. of and A. Goodliffe, traveling Elder in Manchester Conference; L. Brown, Prest. of and W. Clark, traveling Elder in Leeds Conference; G. L. Farrell, Prest. of and A. D. Young and W. A. C. Bryan, traveling Elders in Nottingham Conference.

The Conference held three meetings and was addressed by most of the above Elders.

Prest. P. Barton said he and the local Elders had preached considerably in the open air during the summer, and much good, he believed, would be derived therefrom. He and his brethren had visited places in which no missionaries from Utah had preached for fifteen years, and had held good meetings there.

The Financial and Statistical Reports for the year ending June 30, 1875, were read and accepted.

Editor Deseret News:

As the following may be of interest to some of the travelling community, it is respectfully furnished you for publication if you deem proper—

Headquarters, Fort Hall,
Idaho Territory,
Nov. 21st, 1875.

To the Regimental Adjutant, 14th Infantry,
Camp Douglas, U. T.

Sir,—I have the honor to inform you that, commencing with the 10th inst., during the ensuing winter months, the mail for this post is brought from Corbet's Station, which is twenty-two miles north of Ross's Fork.

All persons coming to this post from now until next Spring, should get off the stage at Corbet's, as it is impracticable to cross the divide to Ross's Fork during the winter months.

Very respectfully,
Your obedient servant,
(Signed)
AUGUSTUS H. BAINBRIDGE,
Captain 14th Infantry, Commanding Post.

Official,
M. M. W. CAMMON,
1st Lt. and Adjt. 14th Infantry.

Amusements—Improvements—Death.

BRIGHAM CITY, Nov. 29, 1875.

Editor Deseret News:

"Floral and Little Old Folks," was represented here on Friday and Saturday evenings, by Prof. A. J. Phelps and lady, before crowded houses that were well entertained and amused by the exercises.

Many houses have been built here during the season. The masons and carpenters could find plenty of outdoor work for a number of weeks, were it possible that we could have fine weather, and there seems to be indoor work for them for the space of a full winter. No man needs to be idle. Our population now numbers 2,000 souls, or a little over. More than 200 have been added to our numbers within the last year. A large building, to be known as the "Social Hall," is now being roofed, the first story of which is built of rock, walls three feet at the basement. The upper story is of brick, made here. A prominent vestry is attached to the rear of the main building.

A canal, at the cost of about $2,000, is being constructed along the line of part of the "Box Elder," calculated to draw the water from various sources holding it back, and thus greatly increase said element for irrigation purposes.

Bro. P. D. Packer, son of Jonathan T. Packer, died suddenly of lung fever, on Saturday afternoon.

Brother S. A. Dunn, one of our oldest citizens, has been quite low for sometime with what seems to be neuralgic complaints, but it is hoped he will survive, although his strength is not increasing by any means.

Yours truly, A. C.

Began to Rapidly.

FREEBORN CO., Minnesota,

Editor Deseret News:

I am now here in this part of the world, according to appointment, and enjoy health and strength, and hope by your kindness to inform my numerous friends in Utah that the effects of the U. P. R. R. as well as the C. and N. W., treated us with all due respect as gentlemen.

We have baptized two persons, blessed three children, and organized a branch here. To-day Bros. Jorgensen and Broberg are going to Wisconsin, and to-morrow I am going to St. Paul and N. T. Junction alone. We have held three meetings, all well attended, and I believe I have made a few friends here. Snow is on the ground and it is very cold.

THIS IS THE
MEDICINE OF NATURE
For Destroying and Expelling all Kinds of Worms, Cleansing the Body, Blood, &c.
SYMPTOMS OF WORMS.
A few of the most Common Symptoms which indicate the presence of worms:—Changeable Appetite, Offensive Breath, Pains in the Stomach and head, Grinding of the Teeth during Sleep, Pale Face with Hollow Sunken Eyes, Itching of the Nose and Fundament, Irregularity of the Bowels, a Short Dry Cough, Loss of Spirits, Feverishness and Disturbed Sleep, Rising in the Throat causing Sickness, &c.

DO NOT LET YOUR CHILD DIE.
Shall the bud of infant bloom
Soon be hurried to the tomb?
Mother, you with watchful eye,
Do not let your darling die.
Mark the dullness of that eye,
All irregularity;
Mark that paleness, white and deep,
And the feverish restful sleep,
See the stomach, full and hard,
And the Bowels still debarred,
Mark the spirit, even low,
All be-peaking pain and woe.

SAVE IT—SAVE IT!
Why has your darling never smiled,
The Worm is in your precious child,
And gnaws its vital powers away,
Sinks it to death and dire decay.
Hear then the really welcome sound,
Save it! a remedy is found.
PLANT'S never-failing Powder and Syrup
Cure most sure and speedy makes;
Kills the death-worm, and the gloom,
Changes to matchless health and bloom;
It never fails, it never can,
It saves the child, the youth, the man;
It's taken, too, with haste,
Not unpleasant to the taste.
Besides those who have tried it all attest
It is the cheapest and the best.
Try it—try it—try it—try it—
Every parent now should buy it,
Wait not till another day,
Till every chance has passed away;
Make at once the solemn vow
That you will try it—try it now!
Mother, you with watchful eye,
Do not let your darling die.
