A SUGGESTION ... TO MOTHERS.

The hardest battle that ever was fought, shall I tell you where and when? On the maps of the world you'll find it not— It was fought by the Mothers of Men.

REMEMBER THIS FACT: "It is not what you do for your child, which helps him, but what you encourage him to do for himself." Read this formidable army: Washington, Greeley, Goethe, Schiller, Carlyle, Emerson, Ruskin, John Wesley, Victor Hugo, George Herbert, Cooper, St. Augustine, Corley, Garza and Napoleon. These sons stand that to the training and equipment received from their mothers they owed their wonderful success. Each one of these great men had the list might be indefinitely lengthened) was left in evidence the fact that the MOTHER INTELLIGENCE was strongest in the formation of the individual who afterward stood forth pre-eminent among his fellows.

Bear in Mind That you can secure the entire 25 volumes at once by paying \$5 per month, or 12 volumes will be delivered at a time by paying 10 cents a day, payable monthly, and we present you with a time savings bank, wherein you can deposit the dime each day.
