Third South, Tel. 1238-k. \$1,000 CASIL that are dark and not always in vain, for which some ice cream makers are peculiar. In New York there was a sensation sprung not long ago over what is known as "hoky poky," that is "ice cream" made from the tailings of plates and leavings from cans. Most of this had melted and got warm, and fer-mentation sometimes had set in. How-ever, when serious cases of poisoning resulted, on several occasions, the newspapers took up the matter, and "hoky poky," like "Humpty Dumpty" had a great fall, with similar experi-ences in the matter of being put togeth-er again. Whether any such practise obtains here, the state chemist's exam-ination is likely to make plain. Call early and secure this snap. After arresting a man named Len Pitts, Officers Corless and Leaker, and Sergeant Hempel learned yesterday that the man is the person who burg-larized the place of a man named Vissing on June 10, and stole a saddle and bridle and a set of harness. Pitts was arrested this morning on the charge of but confessed to committing the burglary.

A telephone message from 40 wes North Temple street yesterday to North Temple street yesterday to the police department, conveyed the in-formation that a crazy man was at large and had assaulted several per-sons. The patrol wagon and an officer proceeded to the scene, where it was found that C. M. Jackman was crazy-crazy droub. He was taken to the staerazy drunk. He was taken to the station and locked up,

This is "Orangeman's day," July 12 and the same will be observed by the Orange lodges in the larger cities of the country. Orangemen are north of Ireland Protestants whose ances "came over with Cromwell," and and th celebration of this day has in the past often been accompanied by serious con-flicts with their countrymen of the filets with their countrymen of the Catholic faith, both in the old country and in America.

The Sunday School union meeting of the Liberty stake was held in the Second ward meetinghouse Monday night. There was a very fair attendance, con-sidering the season of the year. They were favored with the presence of Ej-der Josiah Burrows of the general board, who, upon invitation, spoke a short time, complimenting the Sunday school workers of the Liberty stake for their continued effort, and for the beau-tiful Sunday school spirit which was manifest. manifest.

Complaints have been made to the ounty attorney by County Horticul-ural Inspector J. P. Sorensen against foral inspector J. P. Sorensen against 25 owners of orchards who have failed to obey the order of the inspector to clean up their orchards or spray them. It is proposed to prosecute the men. The law provides for a fine against the owners of trees who fail to comply with the orders of the inspector and the court can order the cleaning and spray-ing done and assess the cost against the property itself. the property itself.

the property itself. Harry Shearman says that while in Europe he saw no end of Americans, and they were spending money right royally. Most of these were in south-ern Europe, for which American visit-ors appear to have a special liking. In some historic localities the abori-gines fairly live off American bene-factions and patronage, and at one place, when Mr. Shearman asked sev-eral citizens what the principal local industry was, they promptly replied "Americans." Mr. Shearman agreed with them. with them.

Parties who have been up in the Bear River valley returned yesterday after-noon, with a big bunch of green wheat as a sample of what is growing up in
