PROVO, UTAH, JULY 20, 1894.

A Broken Leg.

Alma Stewart, a boy of 12 years, son of Lewis Stewart, of the Nevada ward, had his leg broken through the femur, while riding a bicycle and falling on the top of his leg. The fracture was reduced by Dr. Allen.

Notes.

The county court is in session as a court of sessions.

The Nevada ward Sunday school had a very pleasant outing on Wednesday.

These people are known to many: Martin M. Warner, of Plummer, aged 27, and Daniel Mahat Pratt, of Provo, aged 21; Leonard H. Jackson, aged 22, and Julia Adams, aged 21, both of American Fork.

James Davis has been arrested by Deputy Sheriff Hall on the charge of larceny. This complaint was sworn to by Sheriff W. H. Williams, and charges Davis with signing the name of Mark Davis to a deed with intent to defraud.

Samuel Carter, charged with disturbing the peace of his aged grandmother, by being present in view proximity to her and molesting her, was arrested by Deputy Sheriff Hall on Wednesday.

The Nevada ward Sunday school, which is meeting at the Nevada ward, is now being conducted by Mr. W. H. Williams, and is very popular.

Deputy Sheriff Williams has returned from his trip to the Nevada ward, where he has been visiting. He has been very successful in his work, and has returned with a large number of prisoners.

"Mother" Huddington.

On June 12, 1894, at 10:30 a. m., Mrs. Maria Huddington was born. She was the daughter of William Huddington and Ann Huddington. She was born in the Nevada ward, and was therefore a native of this ward. She was born at the Nevada ward, and was therefore a native of this ward.

At the age of seventeen she was married to William Huddington. He was an accomplished and successful man. He had an independent income at the time of his marriage, but unfortunately he became involved in a law suit over a matter of some importance, and was forced to leave the country. He was never heard from again.

After the death of her husband, Mrs. Huddington was left with a young child. She was very devoted to her child, and did everything in her power to bring her up as a Christian. She was very successful in her efforts, and her child grew up to be a very good person.

On June 12, 1894, she died. She was very old, and had lived a very long and useful life. She was very devoted to her family, and was very successful in her efforts to bring them up as Christians. She was very successful in her efforts, and her child grew up to be a very good person.

Can a Man do Better Than to Buy a "STEARNS!"

We made the bold statement, challenging contradiction, in last week's Tribune, that the Stearns bicycle was the highest priced bicycle in the world. It was the highest priced bicycle in the world. It was the highest priced bicycle in the world.

Stearns, Fowler, Gendron, Waverly, then is to be found elsewhere. In every town and city there is a man who will sell you a Stearns bicycle for less than the price of the L. A. W. bicycle.

How about the Fowler?

Good, about good workmanship. Value for price in every purchase. Mr. A. Fowler, Fisher, Browning Company, bought two Waverly bicycles, one for his daughter and one for his son. Mr. A. Fowler, Fisher, Browning Company, bought two Waverly bicycles, one for his daughter and one for his son.
