

BIG FALLS NOT FATAL

THAT IS, MORE IS A LONG RECORD OF FULLY SAVED LIVES.

Brooklyn, N.Y., and other leading cities, have been the scene of many such accidents.

From the great heights of the falls, many have been seen to fall, but none have been killed.

The first known fall from the falls was in 1850, when a man named John Smith fell from the top of the falls.

Since that time, many other men have fallen from the falls, but none have been killed.

One of the most recent falls was in 1900, when a man named John Smith fell from the top of the falls.

Some people always save a little, most people sometimes save something, and some people never save anything. The road to comfort lies more in what we save than what we make. Zion's Savings Bank was opened for two purposes: As an investment for those who established it and also as a place in which the people of Utah could safely deposit their money and receive a reasonable interest thereon. It is the Largest and Oldest Savings Bank in Utah, and the confidence reposed in it is attested by the fact that since the bank was instituted, 16,508 savings accounts have been opened. Deposits are received in any sum from \$1 up.

We Still Pay five per cent per annum, Compounded Four Times a Year.
