MADE BUTLER'S

Daughter of Governor of Utah

Elopes With T. E. Butler

Of Salt Lake.

GOES TO IDLEWILD RESORT.

Her Father and Brother Follow on the Midnight Train and Drive Up the Canyon.

(Special to the "News.")

Ogden, June 10.—Amongst the humble surroundings of the apartments of George D. Folkman, janitor at the county building, 4 o'clock Wednesday afternoon, Mabel Cutler, a daughter of Utah's chief executive, was joined in wedlock to Thomas Edward Butler of Salt Lake in the presence of Mrs. Folkman and a few witnesses.

The romantic wedding was the culmination of a long acquaintance which ripened into friendship then into love. Overriding the objections of her father, Governor John C. Cutler, Miss Cutler without the knowledge of her parents eloped with Mr. Butler to the county clerk's office after reaching this city, where the marriage license was issued and immediately thereafter, George D. Folkman, an elder in the Church of Jesus Christ of Latter-day Saints, and janitor at the County building tied the knot which united the couple.

Immediately after the ceremony they entered a carriage and were whirled out of sight. For awhile those who were acquainted with the identity of the couple believed that they had returned to their Salt Lake home for the blessings of their parents. This supposition was dissipated, however, when Governor John C. Cutler and his son reached the city on a late train in search of the eloping couple. After the newspaper men had made a canvass of all the hotels of the city and failed to locate the couple, the telephone wires were kept busy until they were finally found at the Idlewild resort in Ogden canyon.

Governor Cutler when he reached the city immediately called up a brother of Mr. Butler at Salt Lake by telephone inquiring whether he knew if the missing couple were in Salt Lake. The governor and his son went to their hotel when they were shortly afterwards apprised of the fact that the bride and groom were at the Ogden canyon resort.

The governor apparently deplored the notoriety of the elopement and was reticent when questioned by newspaper reporters. He said that his son had left her home in the afternoon without baggage of any character. That he was bitterly opposed to the match was made evident when he remarked that he had instructed Butler to cease his attentions to Miss Cutler several days ago.

Governor Cutler after learning where his daughter and son-in-law were spending the night, secured a cab and drove to the resort, which is eight miles east of Ogden.

The groom is a son of John M. Butler, a State street merchant in Salt Lake.

NO NEED OF SUFFERING FROM RHEUMATISM.

It is a mistake to allow anyone to suffer from rheumatism, as it can always be relieved and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is almost worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. Many sufferers have been surprised and delighted with its pain-relieving qualities. 25 and 50 cent sizes for sale by all druggists.

A MAN IN THE CASE.

John Hawa Believes Handsome Young Fellow Lured Wife Away.

John Hawa, residing at 97 Rio Grande avenue, has appealed to the police to locate his wife and a handsome young man with whom she is believed by Hawa to have eloped.

The man says that his wife, Amelia Hawa, left her home early yesterday morning, taking all the personal belongings which she could carry, and a considerable property belonging to Hawa, including \$50 in cash. He searched for the woman all day but without success. He said he had seen her several times in the company of a young handsome man and feels certain the two have gone away together.

Hawa says his wife is 39 years of age and quite pretty. He described her as slight of build, dark complexioned with a wealth of black hair which she combs back from her forehead. When she left home she wore a brown striped dress, a shawl, and white cream silk waist and a navy blue silk skirt.

FOR A SPRAINED ANKLE.

As usually treated, a sprained ankle will disable the injured person. Many cases, however, can be cured by applying Chamberlain's Liniment and observing the directions with each bottle faithfully. It is the best remedy for sprains, less than one week's time. This liniment is a most remarkable preparation. Try it on your sprained ankle, when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by all druggists.

AIR GUN PROVES DANGEROUS.

While playing with a number of other boys near the tower on Tower Heights about 5 o'clock yesterday afternoon, Victor Strugnell, the 8-year-old son of J. A. Strugnell, a gunsmith residing at the Heron hotel, was shot above the right eye. The youngsters were shooting with air guns and one of the boys accidentally discharged a toy weapon in the direction of young Strugnell. The shot struck him just above the eye. He was taken to the office of Dr. Henry La Motte in the Adams block and the physician removed the bullet. He said the boy had a narrow escape from losing the sight of the eye but it is not thought he will suffer any serious consequences.

YOU NEVER CAN TELL.

Just exactly how you know you have it. Do you know that Ballard's Snow Liniment will cure it?—relieves the pain, reduces the swelling and limbers the joints and muscles so that you will be as active and well as ever were. Price, 25c. 50c and \$1.00. For sale by Z. C. M. I. Drug Dept., 112 and 114 South Main Street.

UNDONE BY PAIR OF BOOTS.

J. W. Shelley Falls Into Trap and Rides in the Patrol.

A trap was laid last night for the capture of a sneak thief and it worked successfully. The alleged thief is J. W. Shelley, a laborer. He secured a job yesterday to mow the lawn of B. O.

MECKLENBURG, AN ARCHITECT RESIDING AT 337 EAST TEMPLE STREET, AND J. W. SHELLEY CUT THE LATE AND HAD DEPARTED. MR. MECKLENBURG DISCOVERED THAT A PAIR OF BOOTS HAD BEEN TAKEN FROM THE BASEMENT. HE SUSPECTED SHELLEY AND NOTIFIED THE POLICE. THE BOOTS WERE CONCEALED IN THE BACK YARD AND OFFICER CARLSON CONCLUDED THAT SHELLEY WOULD RETURN FOR THEM DURING THE NIGHT.

Accordingly the officer, Mr. Mecklenburg, and some friends waited for the man's return. About 9:30 Shelley stealthily sneaked into the back yard to get the boots. He was quickly captured and taken to the city jail in the patrol wagon.

POOR MILK.

Is often thought to be responsible for an infant's loss in weight or general poor health. The cause usually is that the child has worms. They get the nourishment in the food and the baby starves. White's Cream Vermifuge expels the worms and nourishes the child, sure and safe. Price, 25c. For sale by Z. C. M. I. Drug Dept., 112 and 114 South Main Street.

CITY IN HOLIDAY DRESS.

Everywhere Glad Welcome to Knights of the Grip Is Being Planned.

When the members of the U. C. T. foregather at Salt Lake to make merry next week, they will find the city in the gayest mood it has ever assumed. Electric lights, in pretty little blue, white and yellow clusters, will make of the darkness daylight along Main street, while clusters in more pretentious designs will spell the story of the city's welcome from principal business centers.

The work of preparing illumination is now almost completed and the sets will be put in place on Thursday morning. Besides this work, the great number of floats for the parade are being given their finishing touches, and a big and successful parade is already assured.

From Boise J. H. Barkley brought word last night that the town will be down in force with the best baseball team in the west, and willing to back up this statement by crossing bats with any team harboring another opinion.

At the Commercial club the U. C. T. colors now decorate all of the hallways and the main reception room.

THE BIG HEAD.

Is of two kinds—conceit and the big head that comes from a sick headache. Does your head ever feel like a gourd and your brain feel loose and sore? Can cure it in 10 to 15 minutes on your head with Ballard's Headache Remedy. Isn't it worth trying for the absolute and certain relief you'll get? For sale by Z. C. M. I. Drug Dept., 112 and 114 South Main Street.

In a letter from R. S. Estridge to his father-in-law, David Keith, announcement is made of the death of M. C. Harrington, formerly of Park City, but who of late has been living on his ranch near Seattle, Wash. No particulars are given of the cause of death. Mr. Harrington was a successful business man and a prominent citizen of Park City, and was well and favorably known there and elsewhere in the state. His land holdings in Washington fronted on the ocean and he was engaged in the fishing business, curing and marketing the joint catch of himself and brother.

OLD GLORY IN FLOWERS.

When G. A. R. Veterans and Visitors Celebrate at Lagoon.

The return of summer unexpectedly after a long season of steady rain has enabled the G. A. R. veterans and their friends to plan an unusual feature for their flag day at Lagoon next Monday. It has been worked up by Florist Chas. Boylen of the Lagoon grounds and consists of an immense American flag, grown in the grounds with roses and flowering plants. The plan was first suggested some time ago, they refused to grow against the adverse weather and it has only been since the last two days of sunshine that the feature has been put into effect. Enough variously colored plants are now in bud to insure a big full blown flag by Monday and it will welcome the visitors from a commonwealth position on the lawn near the main entrance.

Arrangements for flag day are being completed by the veterans and all their allied organizations. Hundreds of electric lights have been installed at the resort and in the evening they will be turned on in patriotic hues. The event will be made the occasion of opening a general campaign to secure the 100th encampment of the G. A. R. and Col. George B. Squires is now arranging a program of speeches in which this topic will be discussed from every standpoint. Veterans from Ogden as well as Salt Lake will be present.

OPENING RUSH LAG.

It is expected that on or before Sept. 1 of this year 6,000 acres of government land in Rush valley, Tooele county, will be made available for settlers. The tract is in what was formerly known as the Camp Floyd military reservation and parts of it are exceptionally fertile and well watered. It is a good average land. So important have been the requests made that the land be thrown open for settlement, that the government have of late had the tract appraised under direction of Special Land Agent George Hall, the appraisal being at from \$2.50 to \$5 per acre, in which the sale will be made by auction, the land will most probably bring higher figures than these.

"I have been somewhat covetous, but Donan's Rogues' Club just the result desired. They act mildly and regulate the bowels perfectly."—George B. Krause, 306 Walnut avenue, Altoona, Pa.
