

# EVENING NEWS.

Saturday, April 24, 1880.

## LOCAL AND OTHER MATTERS.

**Beats All.**—The "oldest inhabitant" called in to-day, to say that this season beats all he has ever experienced since his arrival here in 1817.

**Home Mission.**—There will be a meeting of the Home Missionaries of this State on Wednesday evening, the 25th inst., at 7 o'clock.

**Priesthood Meeting.**—The regular monthly meeting of the Priesthood of this State will be held in the Salt Lake Assembly Hall, at 11 a.m., on Saturday, May 1st, 1880.

**Set for Thursday.**—The races at the Agricultural Park are now announced to take place on Thursday, the 24th inst., providing the weather will permit. There are to be four horse races, after which a contest of bicycles will take place, the rider who makes five miles the quickest, to receive the prize of a silver cup.

**Easy Solution.**—A number of our local newspaper correspondents are endeavoring to solve the problem as to which is the best man, an American or an Englishman, a free-born American, a true-born Englishman, or an Anglied American. When they all give it up, we will tell them that it is the one who behaves himself best.

**Sunday Services.**—The Sabbath school of the Church of Jesus Christ of Latter-day Saints will consist of the following: Sunday schools at 10 a.m.; general meeting in the Assembly Hall at 2 p.m., and meetings in the several wards at the usual evening hours.

Home missionaries will attend the evening meetings.

**Information Wanted.**—Thomas Bewick, of Atherton, Lancashire, would like to know the whereabouts of Joseph Bewick, who emigrated from Bolton to Utah, about 1852-3. Also Catherine Eason, 1 Pottinger Terrace, Roscommon Street, Liverpool, wishes to obtain the address of her brother, Thomas Carran, formerly of Liverpool, now residing in Utah. Also Alfred Wright, Arnold, Nottinghamshire, England, wishes to know the whereabouts of Henry Fisher, who emigrated from Arnold to Utah about 1872. *—Mill-Star.*

**Pleasant Visitors.**—We had an exceedingly pleasant call last evening from Mr. Albert H. Hatch, of Portsmouth, New Hampshire, and Col. John H. George, attorney for the Boston and Lowell Railroad, Concord, Mass., who are travelling in company across the continent and paying Salt Lake a short visit en route. We welcome the gentlemen to our city, and trust their trip will be as enjoyable to them as their call was pleasing to us. They left to-day for San Francisco.

**Impending Floods.**—Persons who know whereof they speak, predict some tremendous floods this spring. In all parts of the Territory where water can do any damage, it is probable that considerable property will be injured, when the warm weather sets in to melt the mountain snow. In times of peace prepare for war, is a good motto. Why not take measures for protection against freshets, while yet the snow lingers among the hills? It's a bad time to think of it when you see your houses caving in and your chicken-coops floating away to the realms of sunset.

**A New Puzzle.**—The "Fuller's Hill Puzzle" is the name of a new and amusing test of perception, which may be had of Mr. William Fuller, the proprietor of the pleasure grounds in the Tenth Ward, on receipt of a stamp and the sender's address. The puzzle is in the form of a picture of Fuller's Hill, Pleasure grounds, which are to be opened on the first of May, and the ingenuity of the solver is taxed to find various representations of men and animals among the trees and shrubbery surrounding the house. Get one and solve it.

**"Watchman" Notes.**—From the Beaver Watchman of the 21st: Mother Neynman, well known in Beaver County and far advanced in life (being nearly 90), sustained a paralytic stroke last Saturday night, being the use of one-half of her body her recovery is doubtful.

**Dr. Jones and Cowdry.** on Monday performed an amputation on the right leg of Mike Monahan, laborer of the big toe and a portion of the foot. The amputation was rendered necessary by the freezing of his foot, mentioned some time ago. The patient is doing well.

The Watchman says of the railroad accident on the Utah Southern Extension on the 13th, which we have noticed before:

As the freight train was running at a fair speed between Deseret and Black Rock, it suddenly encountered about two feet of sand, which had been blown on the track by the heavy gale that was prevailing.

The sudden stoppage caused the telescoping of about six box cars, and destroying property to the amount of \$3,000.

**Jubilee Celebration.**—Brother R. A. Lloyd, of Pine Valley, Washington County, writes a description of a Jubilee celebration that took place on the 6th inst., at that place, to commemorate the 50th anniversary of the Church. At the meeting that was held, Bishop E. W. Jones read the revelation given to the Prophet Joseph, pertaining to the duties of the members of the Church, and addressed the assembly in an appropriate manner. Counselor Hiram Burgess followed in a series of well chosen remarks, treating upon the history and hardship of the Saints during their half-century's experience. Elder J. B. Bracken, who also spoke on similar topics, in which the mobs and their assistants, the military authorities of Ohio, Missouri and Illinois, in early days, came in for a good share. In the evening the meeting was continued, Elder Eli Whipple and others taking a part in the proceedings, all of which were of a very interesting character to those who attended the meetings.

**Springdale Items.**—Brother S. H. Gifford, of Springdale, Rams County, writes, under date of the 15th inst., concerning matters in that settlement. We glean as follows: The past winter had been the coldest by far our correspondent had ever experienced in Dixie, and from indications would continue yet awhile. On the 13th, a gale from the southwest blew up, the hardest known in those parts, and the next morning developed ice and frozen ground.

From the following description it appears that a similar phenomenon, that described last evening, as having appeared at Orderville on the morning of the 14th, was seen at Springdale at about the same time. We give the writer's own words:

"When the sun appeared above the mountains it was in the center of a large bright circle, with bright 'sunbeams' on the outside of the circle. Another very large circle seemed to go through the center of the sun and extended horizontally around the sky, rising as the sun rose, until about 11 o'clock, when it disappeared behind the clouds. This large circle was formed with a narrow white belt, not so bright and dense as the one around the sun and not nearly so wide a belt."

Our correspondent states that it had been storming ever since the appearance of the remarkable sight. The grape-vines in that locality were all winter killed; a great portion of the stone fruit also, and it bids fair for the spring frost to take the rest. Apples promised well, and spring wheat never looked better, ever spring crops were late in consequence of the long winter. There was a little sickness in the ward.

The settlement of the Rockville ward all met at Rockville to celebrate the 50th anniversary of the Church, and had a genuine jubilee.

**The "Miner" Libel Suit.**—The hearing in the case of the People vs. the editors of the Silver Reef Miner, charged with libel on the Christy Mining Company, which has been progressing before Justice Paddock, at the Reef, for some time past, is at length concluded. The examination resulted in the Pike Brothers, who edit and publish the Miner, being held up answer to the Grand Jury of the Second District, in the sum of \$2,000 each. The Beaver Watchman says of the matter:

"We hardly think the evidence of libel is sufficient to cause an indictment of the editors, but under the circumstances we are bound to approve the court's decision. As stated before, the attack on the Christy's mines was made under the disguise of discussing Prof. Bodwell's theory, but nothing of that nature has been apparent, but the real motive, viz., the defamation of the company's property."

It is to be regretted that writers of this sort have got off as frequently as they have, and it is a healthy sign where the courts make them responsible. We dislike to believe that the object of the libel suit, the Christy Company, was for the purpose of "levying blackmail," but we are at a loss to account for it on other ground.

The Christy Company deserves not only the protection of the law, but the respect of the business world generally, having always conducted its affairs on strict business principles and made a success of an industry upon which the country depends largely for its wealth."

We echo the sentiments of the Watchman in relation to libelous writers, generally. There are many far more culpable than the editors of the Miner, whose immunity thus far from richly deserved punishment for slander, is not only a matter of regret but of absolute wonder, in the minds of all who are honest and upright in their principles and opinions.

**The Bicycle Riders Respond.**—The following communications were handed in this afternoon, with a request for their publication:

**SALT LAKE CITY,** April 24, 1880.  
**Editors Deseret News.**  
The Herald of the 22nd contains a statement to the effect that "some of the riders of bicycles were looked upon with contempt." I, as a rider, requested the editor to state whether the First of May, and the ingenuity of the observer is taxed to find various representations of men and animals among the trees and shrubbery surrounding the house. Get one and solve it.

**EDITORIAL CORRECTION.**  
We, the undersigned, bicycle riders of Salt Lake City, observe in the Salt Lake Herald of the 22nd inst., an article containing the following language: "Some of the riders of bicycles were looked upon with contempt." We seem to have formed an estimate of the vehicle (bicycle) by considering some of the riders, and based our condemnation upon contempt for, or dislike of, individual owners of the bicycle. We would be impossible to express a more profound contempt than we feel for all such persons and their champions or exponents.

**To Go East.**—The remains of Mrs. Louise M. Lock, who died in this city last Thursday evening, will be taken back to the relatives of the deceased, in the east, for burial, tomorrow morning. The funeral services were held at the residence of the deceased, on the 22nd inst., at 10 o'clock, and the remains were placed in a casket, and taken to the depot, where they were loaded on a train for Chicago. The remains of Mrs. Lock were a lady of most excellent heart and kindly disposition, respected and loved by all who knew her. During her sojourn in this city she made friends of all her acquaintances, not one of whom but will sincerely mourn the loss of a good and noble soul.

**Benefit Party.**—A party will be given on Monday evening, April 26th, in the Seventh Ward Assembly Hall, for the benefit of Elder E. W. Jones, for the benefit of the 14th prox., for a mission to Europe. Good music, good company, and everything to make a good time, will be in attendance.

**St. Louis Musical Society.**—The Society meets at the Cornish House every Monday evening, at 7:30. All who desire to join the Society are invited to be present, and a full attendance of members is requested.

**"Leader" Local.**—From the Logan Leader of the 23rd inst.: J. W. Meley sent three car loads of wheat to Denver on Wednesday, and will probably ship twice as much on Saturday and Tuesday next.

Another marriage of aged people is chronicled; and this time Wells-ville must have the credit. A few days since two of the residents of that lively little town formed a matrimonial alliance. The groom is 74 years of age and the bride is approaching 60.

A dramatic company was organized in Logan last Monday evening, with Albert Jones as business manager; R. Kirkham, stage manager; William Jones, secretary, and Joe Wilson, treasurer. They will give two entertainments in the near future in order to raise the necessary money to enable them to fit up a new stage, obtain scenery, and other things.

On Wednesday afternoon a little two-year-old son of C. Mortensen, who resides in the 5th Ward suffered a very painful injury. The child was playing about the house; and in his enthusiasm he leaped against an insecurely fastened door which opened into another room, the floor of which was some 16 inches lower than where the boy was standing. The door, which was closed, had been broken by the weight of the boy, the door flew open, and he was thrown backward down the steps. When the child was picked up, it was found that he had been seriously hurt. Dr. Ormsby was sent for immediately. He discovered that the thigh bone of the right leg had been fractured. The bone was set and everything possible done to make the little fellow comfortable. He will, in all probability, entirely recover.
