

**PRAYING TO THE POINT.**—A certain lawyer who, whilom, dwelt in one of our New England towns, noted for his overreachings and short-comings, during a revival—came under conviction, and requested prayers for his conversion. His appeal was responded to by one of the saints, an eccentric but very pious old man,—honest, plain, blunt, square-toed, and flat-footed, who thus went at it:—We do most earnestly entreat thee, O Lord, to sanctify our penitent brother, here; fill his heart with goodness and grace, so that he shall hereafter forsake his evil ways and follow in the right path. We do know, however, that it is required of him who has appropriated worldly goods to himself unlawfully and dishonestly that he shall make restitution four-fold; but we do beseech thee to have mercy on this, our erring brother, as it would be impossible for him to do that, and let him off for the best he can do without begging himself entirely, by his paying twenty-five cents on the dollar.

The next supplicant at the same meeting was an elderly maiden who got her living by going into different families and spinning for them. She, also, had been famous for her short-comings—never giving full counts on her yarn; the forty threads to a knot was a point which she never reached. The blunt old man thus briefly disposed of her case.—Reform, O Lord, the heart of thy handmaid here before thee, we beseech thee; wilt thou enable her to count forty?—[Boston Post.

### LIVINGSTON, KINKEAD & CO.

**WOULD** respectfully notify their friends and the citizens in general throughout the Territory, who are in want of Staple and Fancy Dry Goods, Groceries, Nails, Glass, Oils, Paints, &c., &c., that their train of 36 heavily loaded wagons is at hand, and bringing all of the above, with many other desirable articles of merchandise suitable to the wants of the people, and which have been selected more expressly to meet the demands of the market, than with any reference to cost or profit. 24-3m

### NOTICE TO FARMERS.

**THRASH** your grain as soon as it is harvested. Past experience has proven to all, that wheat that is put up in a stack to stand until winter has been mostly destroyed by cattle and mice. Having selected and brought through a machine that is well adapted to the grain raised here, and having had long experience in the business, I hope to merit a liberal share of public patronage. Brethren in the adjoining valleys can see me at my residence on Big Cottonwood, or in the 12th ward in G. S. L. City.

As there has been much waste of grain by improper feeding of animals, I will be responsible for all unnecessary waste. 13-19

### LEATHER! LEATHER!!

**WE** take this method of informing the Citizens of this place and surrounding country, that the 15th ward Tannery is now in operation, and design keeping on hand a large and well assorted stock of leather of every description, which shall not only surpass anything heretofore manufactured in the Territory, but shall equal, if not surpass anything brought into this market for sale.

The mechanical branch of this business will be carried on under the direction of A. L. Tonsig, who, having been engaged for years in the manufacturing of leather in Austria, Russia, France, England and the United States, has thoroughly satisfied himself by trial, that the very best article of leather can be furnished from the material with which this country abounds.

Call at Townsend's building, East Temple st., 2 doors above Kimball's store, and satisfy yourselves by a thorough examination of the article.

Hides of every description purchased.

We the undersigned workmen of leather, take pleasure in recommending to the public, the article furnished by the 15th ward tannery of this city, and pronounce it equal if not superior to any leather, domestic or imported, ever offered for sale in this market.
