

poorer than he was before he was nominated for sheriff. Roswell P. Flower has at different times contributed \$5,000 to the State campaign fund for the privilege of declining the nomination of lieutenant-governor. C. N. Bliss, Jos. W. Drexel and Levi P. Morton, who were candidates for governor on the republican ticket, have forwarded their checks for \$5,000 each to the State committee, aside from district and local contributions. Jay Gould, Russell Sage, Cyrus W. Field, Sidney Dillon, John T. Terry, J. Pierrepont Morgan, Levi M. Bates and many other republicans have demonstrated their old-time fealty to the republican party by aiding the ticket financially.

NEW JERSEY.

TRENTON, 3.—The election in this State passed off very quietly, no serious disturbances being reported from any polling places. In seven counties—Bergen, Burlington, Cape May, Hunterdon, Middlesex, Passaic and Sussex—State Senators were elected. They will serve three years, and will vote upon the next United States Senator, who will succeed Gen. Wm. J. Sewell, republican. There are 60 assembly districts in the State and one member of the State House of Assembly was elected from each district. Last year the State Senate was composed of 11 republicans and 10 democrats, and the House of Assembly of 3 republicans and 24 democrats, giving the republicans a majority on joint ballot. Nine of the Senators holding over are republicans, so they will control that body next session if their candidates were successful in any two of the seven districts in which Senators were elected to-day.

CONNECTICUT.

HARTFORD, 3.—The election in this State is for members of the Legislature only, consequently the vote is light. The Senate stands 13 republicans to 11 democrats; House, 15 republican majority; 2 independents, 1 labor, with New Fairfield to hear from which last year elected 1 democrat. The democrats have gained 4 Senators and 23 members of the House.

NEBRASKA.

Lincoln, 3.—The election in this State to-day was of no special importance, and passed very quietly. A multiplicity of local tickets brought out a good vote. The State officers voted for are, Judge of the Supreme Court and two Regents of University. Returns will come in slowly, as some counties have five local tickets, none less than three. It is not probable that any definite information will be received to-night, though it may be taken for granted the Republican State ticket is elected.

MISSISSIPPI.

Jackson, 3.—The election to-day passed off quietly. Indications are the vote is unusually light. Jackson polled 850 votes; registered 1,000. The negroes generally are not voting. The light vote is to be accounted for because of there being no ticket in the field except the regular democratic State ticket. In a few counties having local disaffections, the vote is divided and a few independents may be elected to the Legislature and the county offices.

COLORADO.

Denver, 3.—The election is passing off quietly, weather warm and sunny. The only State officer to be elected is Judge of the Supreme Court. A comparatively small vote was polled in this county. The republicans conceded the election of the entire democratic-independent county ticket, majorities ranging from 100 to 3,000. Elbert, republican, Supreme Court judge is probably elected by 5,000. Interior counties not yet heard from.

ILLINOIS.

Chicago, 3.—"Beyond all doubt the city election law is carried," said the *Daily News* transparency at 10.30 o'clock. Popular interest here is almost entirely centered in the fate of the new election law, the democrats having endorsed the republican nominee for judge. Fifty-seven precincts give 5,879 votes for and 229 votes against the election law. For commissioners the democrats are ahead except in the case of Lang, who ran away ahead of his ticket. On account of the large amount of scratching, returns come in slowly.

Elgin, Ill., 3.—The special election for Congress for the Fifth district to fill the vacancy caused by the death of Reuben Ellwood, is very quiet. Hopkins, republican candidate, is ahead. Bishop, nominee of the democrats, received a very light vote. Two hundred and thirty-seven precincts have sent in returns which make it a certainty that the city election law is carried. Two republicans and two democrats have been elected county commissioners. The other names on the ticket are still in doubt. Now that it is known that the election law is carried, popular interest has largely subsided.

MASSACHUSETTS.

Boston, Nov. 3. The returns have caused many surprises in the election of members of the Senate and House in particular. Lynn has been carried by the republicans for the first time in five years, and has also elected four, out of five, republican Representatives. In the Lowell Senatorial district, Lily defeats Marden, a democratic triumph, and Naphen, democrat has

been elected to the Senate from South Boston district. Another surprise is Alger, democrat, defeats Chamberlain in the Cambridge Senatorial district, which is considered a great victory by the democrats. Morse, democrat, defeats Hart, republican, in the First Norfolk district. Fall River, despite the labor vote, was carried by Robinson.

The city of Boston elects 19 republicans, 24 democrats, 1 independent democrat and 2 independents to the Legislature.

Last year's vote throughout the State was: Robinson, republican, 159,345; Endicott, democrat, 111,960.

The returns from all but ten small towns in the State give the following result:

Robinson, republican, 100,162; Prince, democrat, 82,381; Lathrop, prohibition, 4,057; Sumner, greenback, 2,070.

The returns indicate the election of 28 republican and 12 democratic Senators, being a democratic gain of 6 over last year. The House will probably stand 157 republicans, 72 democrats and 6 Independents, making a slight democratic gain.

DAKOTA.

St. Paul, Minn., 3.—Specials to the *Pioneer Press* from all parts in South Dakota, summarized, show that the Sioux Falls constitution was carried. The republican State ticket is elected. Prohibition is partly carried. Sioux Falls, so far, leads for the capital location.

IOWA.

Des Moines, 3.—The day has been fair here and all over the State so far as reported, and a heavy vote has been polled. Returns will be late as a large proportion of the polls will be kept open till 9 o'clock.

Estimates at republican headquarters, based on returns received up to 11:15 p.m., give the republican majority on State ticket at from 17,000 to 20,000. At democratic headquarters no estimate is made on State ticket. The democrats claim the election of members of the legislature in Scott, Dubuque, Pottawatomie, Wapello and Tama counties.

Ninety precincts of Iowa give a net republican gain of 362.

Utica, N.Y., 4.—While the votes were being counted in a room at the station house last night, the place took fire and two prisoners confined there lost their lives.

MONTREAL, 4.—A few days ago the sanitary officers proceeded to the residence of a man named Gagnon to remove his child sick with smallpox. Meeting with resistance, a warrant was issued, when the officer was met by Gagnon carrying a loaded revolver in each hand. He threatened to shoot the officer if he crossed his threshold. The officer, not being armed, retired. A second warrant was taken out on the charge of "threatening to shoot."

Constable Brandon with a single companion made an attempt to serve the warrant, but this time found Gagnon and his wife armed, both of them carrying a revolver in each hand. The officers once more retired. Next night Sergeants Moran and Carpenter accompanied by six constables surrounded the house and, after the men had been properly placed in the front and rear, the sergeants passed through the kitchen door and found themselves in a low narrow passage with another door at the end. This was suddenly thrown open and Gagnon and his wife appeared again, armed. A parley took place, but to no use, as they threatened to shoot the first man that advanced. The officers held a consultation, when the inner door suddenly opened and a bullet whizzed in close proximity to the sergeants' heads. The officers quickly got outside and at this moment one of the upstairs windows was thrown apart and two more shots discharged at the police, though on the first appearance of the constable there was no one around. By this time there was a dense crowd of sympathizers. Sergeants Moran and Carpenter now formed their men in line at the same time shouting they would shoot the first man attempting to dispute their passage. They then departed leaving Gagnon for the third time victorious. The health officials will to-day consult as to the advisability of taking the house by storm.

Des Moines, 4.—Up to this hour, noon, the State Register has definite returns from 65 counties and partial from all. Its figures make the republican majority between 12 and 18,000, and give the republicans 61 members out of the hundred in the House, and 32 of the fifty Senators. The figures of the Republican State Committee agree with the Register's.

ALBANY, 5.—The *Evening Journal* estimates that 20 republicans and 12 democratic Senators, and 74 republicans and 52 democratic and 2 independent assemblymen are elected.

New York, 4.—Complete and corrected returns from the city of Brooklyn and Kings County make Hill's majority in that county 8,687. Very few returns from the interior were received this morning, but everything indicates Hill's majority will be between 12,000 and 15,000.

The Senate and Assembly will both be strongly republican.

New York, 4.—An organized effort to vote was made yesterday by women in nearly every district of the State. Several ladies had been registered in this city, two in Brooklyn and several in each of the large cities in the interior, including Albany, Troy, Utica, Ithaca, Jamestown and Ogdensburg.

It was not definitely known last night whether any women had actually accomplished their purpose of voting, but members of the woman suffrage party expressed themselves as confident that in the number registered, a few at all events had succeeded in getting their votes accepted. Three ladies made the attempt in this city, but the inspectors refused to take their votes. In one or two cases in this city and Brooklyn when offers to vote and be sworn as voters were refused, solemn protests were entered, and in all probability legal proceedings will follow if the courts will take action. It was only last winter that the women suffrage party came to the conclusion that women could vote under the constitution of this State, and consequently for the first time a considerable number attempted to exercise what they thought to be their right. It is said next year the women of the State will make a similar attempt in larger numbers. It is found that a large number of women have voted in this State in the last elections.

The *Evening Post* places Hill's majority in the State at 12,158, and states that the next Legislature will be composed of 21 republicans and 11 democrats in the Senate, and 78 republicans and 50 democrats in the Assembly.

The chief interest in the election in this city was in the three-cornered contest between Tammany Hall, the county democracy and the republicans for City and County offices. Tammany Hall came off victorious and is correspondingly jubilant. That body is particularly well pleased at having secured the Sheriffalty, which is a very fat office. The total vote on Sheriff in the city is: Grant, Tammany, 73,689; Jacobus, republican, 65,538; White, county democrat, 59,238.

For County Clerk, Keenan, the present incumbent has been beaten by Flack, Tammany nominee. The total vote on the office stands: Flack, Tammany, 67,751; Goebel, republican, 65,999; Keenan, county democrat, 62,393.

Tammany has elected Nooney, its candidate for President of the Board of Aldermen. He polled 71,030 votes; Aster republican, 65,993, and Dayton, county democracy, 59,642.

The complexion of the newly elected Board of Aldermen will be seven elected by the county democracy, eight by Tammany Hall, and five by the united democracy. The members elected by the united democracy are of the county democracy antecedents; of the three coroners elected—Levy, Nugent and Demarest—the two first named were Tammany Hall candidates.

The result on the Supreme Court is: Barrett (united nominee); on Superior Court; Sedgwick, republican; on Common Pleas Bookstaver; Tammany, and Strong, republican. On City Judge, McAdam, Tammany, and Eckick, County Democracy.

The *Sun* makes Hill's majority for Governor 11,377.

The following table gives the pluralities in the various counties as far as heard from:

Albany, 4.—The *Evening Journal* estimates 20 republican and 12 democratic senators and 74 republican, 52 democratic and 2 independent assemblymen elected.

Elmira, 4.—Governor Hill was serenaded by the Elmira club to-night. In response to calls he delivered an address in which he thanked them for having assisted in vindicating him from the charges which had been brought against him during the campaign. He congratulated the party upon the fact that New York is a democratic State and said that the result showed that the independent republicans had left their party and become permanently identified with the democratic party.

Brooklyn, N.Y., 4.—Whitney, democrat, for Mayor, is elected by 12,024 majority.

MARYLAND.

Baltimore, 4.—Sufficient returns of the election held yesterday have been received to indicate that the majority for the Democratic State ticket will be nearly 30,000. The legislature will be about:

Senate—Republicans, 6; democrats, 20.

House of Delegates—Republicans, 16; democrats, 101.

Democratic majority on joint ballot 99, assuring a democratic successor to Senator Gorman, whose term will expire on the 4th of March, 1887.

MASSACHUSETTS.

Boston, 4.—The vote of Massachusetts, with five towns to hear from, is for Governor: Robinson, republican, 112,343; Prince, democrat, 90,136; Lathrop, prohibition, 4,594; Sumner, labor, 2,184; Robinson's plurality over Prince 22,207.

NEW JERSEY.

New York, 4.—The *Tribune* gives the

complexion of the next State Legislature in New Jersey, as follows:

Senate—Republicans 13, democrats 8. House—Republicans 32, democrats 27, independent democrat 1.

This gives a republican majority of 9 on joint ballot and insures the election of a republican United States Senator.

NEBRASKA.

Lincoln, Neb., 4.—The returns from the State ticket come in slowly. There is so much excitement over the local tickets and so little interest in the State ticket (the election of republicans being conceded), that the precinct canvassers pay but small attention to it. The returns as far as received indicate a republican majority of 15,000 to 18,000.

PENNSYLVANIA.

Philadelphia, 4.—Further returns from various counties in the State come in very slowly. From what has been received, however, it can be estimated that Quay (republican) for State treasurer has majority of at least 35,000, with a strong probability that these figures will be exceeded. All changes in figures show republican gains over the majorities telegraphed last night.

Official returns from 25 counties and revised estimates from the remainder give Quay, republican, for State Treasurer 37,661 plurality over Day, the democratic candidate. It is probable that the official returns will increase Quay's plurality to 40,000.

VIRGINIA.

RICHMOND, Va., 4.—Additional returns do not change the indications telegraphed last night as to General Lee's majority reaching 25,000 and it may go to 30,000. As to the legislature sufficient returns have been received to show that the democrats have already 62 out of 100 members of the House of Delegates and 23 out of the 40 members of the Senate. The republicans have 16 members out of the House and 11 Senators. The counties yet to hear from will increase the democratic membership to a two-thirds majority in both houses.

Returns from one-half of the State show a net democratic gain of 7,386. The counties and cities to be heard from gave Blaine 3,000 majority. Later reports from Rockingham county state that the vote is very close with indications somewhat in favor of the democrats.

OLYMPIA, W. T., 4.—Governor Squire to-day issued the following proclamation:

WHEREAS, It has recently appeared by published statements and various other evidences commonly understood in certain counties bordering on Puget Sound, that certain persons have concerted together and caused the removal of all Chinese from such counties in Washington Territory, and

WHEREAS, All acts of violence and intimidation against the Chinese residents are plainly against the laws of Washington Territory, and the law and treaty of the United States, and

WHEREAS, It is represented by the Sheriff of Pierce county and by the Chinese residents of the city of Tacoma, in said county, that said Chinese have been forcibly removed beyond the limits of said city, and

WHEREAS, The Mayor of the City of Seattle now represents imminent danger of disturbance of the peace in that city on account of the present anti-Chinese agitation, and

WHEREAS, The United States Government has, by the Secretary of the Department of State, instructed the Executive of the Territory that every power of the law should be lent to secure the Chinese from assault, and

WHEREAS, The good name and prosperity of the Territory depend upon the preservation of peace and good order herein by the duly constituted authorities:

Now, THEREFORE, I, Watson C. Squire, Governor of the Territory of Washington, hereby warn all persons against participating in any riot or breach of the peace, and at this time especially warn all person against inciting others to riot or breach of the peace, in that they will be held responsible for such acts under the penalties of law, and I call upon the sheriffs of the respective counties and other officers who are charged by the law with the duty of keeping peace therein, to secure all Chinese residents from assault, and I call upon all good citizens to assist them in so doing.

Fellow Citizens:

I appeal to you to array yourselves on the side of law. This is a time in the history of the Territory for an intelligent, law-abiding and prosperous community who love their country and their homes; who are blessed with the boundless resources of the forest, field and mine; who aspire soon to become a great and self-governing State, to assert their powers of self-control and self-preservation against a spirit of lawlessness which is destructive alike to immigration, to labor and to capital. If you do not protect yourselves, beyond is simply the fate of Wyoming and the speedy interference of United States troops.

In witness whereof I have hereunto set my hand and caused [L.S.] the great seal of the Territory to be affixed, at Olympia, this 14th day of November, A. D. 1885.

WATSON C. SQUIRE, Governor.

By the Governor: N. H. OWINGS, Secretary of Washington Ter'y.

Portland, Ogn., 4.—The action of Gov. Squire in issuing the proclama-

tion is in view of the fact that Friday, Nov. 6th, has been fixed as the day upon which the Chinese in Seattle "must go," according to the mob's orders.

FITCHBURG, J.—The engine, tender, baggage and smoking cars on the Old Colony train were derailed by a misplaced switch in Leominster to-day. One employee of the road had both feet crushed and several passengers were hurt, none of them seriously.

ST. PAUL, 4.—Cyrus Yandes, whose father, James W. Yandes, formerly of Indianapolis, died a few days since, leaving a colossal fortune for the young man to settle, was found dead on his father's grave to-day. He had blown the side of his head off with a shotgun, with suicidal intent. Grief for his father, his life-long inseparable companion, and the responsibility of settling a million dollars estate for himself and sister in the absence of a will, is believed to have unsettled the young man's mind and led to his tragic end.

SAN FRANCISCO, 4.—The whaling bark *Atlantic* from the Arctic reports having spoken the British bark *Prince Rupert* from Victoria to London. The *Rupert* was leaking badly and compelled to take to the pumps every hour.

MONTREAL, 4.—The first through passenger train on the Canadian Pacific Railway from Winnipeg, arrived at noon to-day on the schedule time of sixty-two hours.

NEW ORLEANS 4.—A special to the *Times-Democrat* from Talladega, Ala., says: A collision occurred on the East Tennessee, Virginia & Georgia Railway, twenty-five miles south of here, last night. Thirteen cars were wrecked. Four men were badly injured, one dying soon after the accident.

BUFFALO, 4.—The body of Eva Herman, the wife of Charles Herman, was found in the rooms of the couple in this city to-day. The couple were heard quarreling on Sunday night, and the fact that Mrs. Herman had not since been seen led to an investigation. Her body was lying on the bed, with her throat cut from ear to ear and her hands gashed as if in a struggle, to which the state of the room bore witness. The woman kept a market stall and her husband is a butcher out of work. He has been seen to enter the house every evening and leave it every morning since the tragedy, and as there is but one bed, it is believed that he has been sleeping beside the corpse of his wife. He has not been arrested.

VICTORIA, B. C., 4.—C. A. Bauman, a German, passenger by the last trip of the *Mexico* from San Francisco, died at the hospital to-day, having literally starved himself to death. He was insane, and it is believed he escaped from some California lunatic asylum.

BALTIMORE, Md., 4.—The democratic majorities in this city range from 10,000 to 19,000, the highest being for State Comptroller, and the lowest for Sheriff.

Returns from counties continue to come in, but do not change the result indicated last night.

Frederick County, the republican stronghold of the State, is conceded to have elected the entire democratic ticket, as also Anne Arundel County, which was thought doubtful. The legislature will be nearly two-thirds democratic.

WASHINGTON, 4.—The President to-day received a large number of telegrams from prominent democratic politicians in all parts of the country, but principally in New York, congratulating him on the result of the election in New York as an unmistakable endorsement of his policy.

WASHINGTON, 4.—The President returned to Washington this morning in a special car. He came alone and was met at the station by Lamont. The President expressed himself as being much gratified with the result of the election in New York.

Immediately upon his arrival at the White House the President sent the following telegram:

"Executive Mansion, Washington, D.C., Nov. 4, 1885. Hon. David B. Hill, Elmira.

I have just returned from Buffalo and learned the result when nearly here. I heartily congratulate you on your election."

GROVER CLEVELAND." New York, 5.—Levi Knott, horse breeder of Oregon is trying to replevy the racer Jim Renwick. He says he brought the horse from California last fall and was with it at Jerome Park, Monmouth Park, Saratoga and Sheepshead Bay. After this he left it in charge of G. R. Buchanan, trainer at Jerome Park. Knott alleges that Buchanan entered the horse in his own name this season and won many races with it, and that he has failed to render an accounting. Knott gave his bonds in \$4,000 in his suit yesterday in the Brooklyn Supreme Court. Jim Renwick is in possession of the deputy sheriff.

WASHINGTON, 5.—The President appointed, this afternoon, E. L. Carson, of Texas, Indian agent at Ouray, Utah.
