Softens the hair when harsh and dry.
Soothes the irritated scalp.
Affords the richest lustre.
Prevents the hair from falling off.
Promotes its healthy, vigorous growth.

Much serious sickness and suffering might be prevented by promptly correcting those slight derangements that, otherwise, often develop into settled disease. When a cold or other cause checks the operation of the secretive organs, their natural healthy action should be restored, and inflammatory material removed from the system. Ayer's Pills accomplish this quickly, safely and surely.
