DESERET EVENING NEWS: SATURDAY, OCTOBER 12, 1901.

CROWNINSHIELD'S REPORT.

First Football Game of the Season Played Yesterday Afternoon.

SCORE, FIFTEEN TO NOTHING

High School and All Hallows College Teams Meet This Afternoon at Walker's Ball Park.

The first football game of the season was played on the Twelfth ward square yesterday afternoon, the rival teams being the Wilkes and Oquirrhs. It was not much of a game, but served as a good practice. Quite a crowd of students assembled to see the contest and they crowded around the side lines so that the players could do but little "fancy" work. Punting and end runs were not even thought of.

The Wilkes aggregation proved the stronger. After ten minutes' play it scored a touchdown, but was held back pretty well by the Oquirrhs until the second half. The Oquirrhs were not equal to the occasion in the last half and the Wilkes scored two touchdowns, making the score 15 to 0, when time was called.

The oval was dangerously near the Oquirrhs line when the game came to a sudden termination by the referee's whistle. The lineup was as follows:

Wilkes, 15. Position. Oquirrh, 0. ... Heiss Simmons.......F. B......Dyer Bassett, referee; Romney, linesman, twenty-minute halves; touchdowns, Moss (2), Gardanier.

"Captain.

BIG GAME TODAY. All Hallows and High School Battling

for Gridiron Honors.

The first game among the "big guns" on this afternoon at Walker's field. The game was scheduled for 3:30 o'-clock and is between the High school and Ail Hallows college. While the teams are not in perfect condition, they have been practicing considerably of late and are able to put up a pretty good fight. D. C. McAndrews has been working with the High school boys and Blackburn with All Hallows. The teams lined up as follows:

All Hallows. Position. High School Mellon......L. E.Wheeler Pope.......L. T.Bero Meagher L. G. Anderson McMonigal C. Bird McCornick...... R. G. Smith

row between Miss Genevie Hecker of the Essex Country club, Orange, N. J., and Miss Lucy Herron of the Cincinnatl Country club. After four days play these two have survived out of the eighty-four players who entered the contest last Tuesday, Miss Hecker is the metropolitan amateur champion and is well known in eastern golfing circles, while Miss Herron has surprised everyone here by her brilliant play, being comparatively unknown as a tiptopper at the game in this section. The semi-fianls for the consolation cup were fairly wel contested, Miss Huribut of Morris county beating Miss Elsie Cassatt of Philadelphia by two up and one to play, and Miss Elizabeth S. ter of Boston, defeating Miss Ethel Burnell of Cincinnati by six up and five to play. Miss Hurlbut and Miss Porter will meet tomorrow in the final round for the consolation, immediately fol-lowing the match for the principal hon-

MRS. KAHN'S LATEST ROLE.

Salt Lake Opera Singer Drops Divorce Suit Against Her Husband.

The Lottie Levy Kahn divorce suit has been withdrawn from the courts. What keeps people guessing now is whether the two principals in this runaway match will drift together again, or have agreed to go their separate ways without exposing their private lives to the publicity of the divorce court.

At present Lottie Levy is on the opera stage in New York, and she will probably remain in her position as a pro-fessional singer.

On July 16th, Mrs. Kahn filed her suit for divorce merely on the grounds of non-support. It was the general be-lief that the suit would not be contested. But contrary to expectation the defendant came back with an an-swer denying the charge, and stating that he was both able and willing to support his wife. The plaintiff's tactics were then changed and an amended complaint was filed, in which the defendant was accused of adultery with a Commercial street woman. And here the case has lain dormant for the last three months. It is said that

Mrs. Kahn's relatives only consented to dismissal of the suit at the urgent request of the plaintiff. SOCIAL AND PERSONAL.

Praises Sailors and Marines for Their Conduct While in China.

Much Attention Paid to Gunnery Training-Recommends Barracks Instead of Training Ships.

Washington, Oct. 12 .- In his annual report to the secretary of the navy Rear Admiral Crowninshield, chief of the navigation bureau, speaks of the reduction made during the past year in the strength of the Asiatic fleet, which was drawn upon to furnish two vessels to re-establish the European station and will be further diminished in order to permit of the commissioning of at least two training ships and an increase of the North Atlantic squadron by two gun boats and of the Pacific squadron by possibly one. It is particularly desirable to have some small ships for gulf survice on the Atlantic side. It is said that the operations on the Asiatic station were marked by uniform success and that the conduct of our sailors and marines in China in the main was all that could be asked for. The American fleet in conjunction with the army in the Phillppines, it is stated, has hampered materially the inflow of arms and munitions to the islands.

GUNNERY TRAINING.

Much attention has been devoted to gunnery training and the report says that the department is about to under-take a long cherished project and es-tablish two gunnery training ships on the Asiatic station.

WANTS BARRACKS.

Admiral Crowninshield declares that the time has come when, in the inter-est of the health of the sailors, of their correct drilling, of their comfort and of economy the United States navy should follow the example of every first class navy and provide barracks in place of receiving ships. It is figured that the government would save annually by this course nearly \$150,000, or the inby terest on twice the sum required to provide barracks for 6,000 men. It is recommended that Congress appropriate for such barracks at New York \$800,000, and for League Island and Mare Island \$400,000 each.

SAILORS ENLISTED.

Sailors were enlisted during the year to the number of 9,830, making the total men in service 18,825. From this number there were 3,158 desertions The beginning of a general staff of the navy is foreshadowed in a transmitted recommendation of Capt. Sigsbee, the chief intelligence officer, look ing to a combination in the department of the work of the general board, the war college and the office of naval intelligence, to begin systematically gen-eral staff work.

NAVAL ACADEMY.

Touching the 'naval academy the report inderses the superintendent's re-commendation that no cadet be under 15 or over 18 years of age; that the course shall be four years, and that a 2,000 ton practice ship be provided. Six civilian instructors to take the place of line officers are recommended. In connection with the naval training stations it is recommended that a small brig of 150 to 200 tons be built for the San Francisco station,

PERSONNEL OF NAVY.

TEST DRS. SHORES' SKILL AT DRS. SHORES' EXPENSE.

IF YOU SUFFER WITH DEAFNESS, CATARRH OR ANY COMPLICATED NERVOUS OR CHRONIC DIS-EASE, COME AND TEST DRS. SHORES' SKILL AT DRS. SHORES' EXPENSE. This is a special offer made by Drs. Shores to all who apply AT ONCE to demonstrate to the sick that DRS. SHORES UNDERSTAND THEIR BUSINESS. In the past eight years at San Francisco, Los Angeles, Denver and Salt Lake City, where Drs, Shores have maintained offices, "THE DRS. SHORES TREATMENT" FOR CATARRH and CHRONIC DISEASE HAS BEEN TESTED BY OVER 100,000 SICK PEOPLE, thus giving to Drs. Shores a PERSONAL EXPERIENCE equalled by few medical men. It is to show sick people FREE just how far in advance of the times Drs. Shores really are that they have set apart October to EXAMINE FREE ALL WHO APPLY.

Is It Any Wonder That People Suffered When Doctors Treated Them For the Wrong Disease.

Many people who visited Drs. Shores last week told almost incredible stories of how they had been treated for years for Dyspepsia, when the trouble was Catarrh of the Stomach. Others told of being treated for kidney disease when the trouble was Nervous Debility. One woman was treated four months for Sciatica when there was no such disease present. Is it any wonder they never got well?

Many learned for the first time what really was the trouble, and many so-called "incurables" heard with renewed hopes that they were NOT INCURABLE.

If you suffer from any Chronic Disease of any name or nature, or any combination of troubles, the exact nature of which you have never known, COME TO DRS. SHORES AND LEARN FREE OF CHARGE WHAT YOUR TROUBLE IS, AND WHAT CAN BE DONE FOR YOU. Don't wait until the last days, and be crowded out-but come today. COME MONDAY, COME ANY DAY THIS MONTH, AND DRS. SHORES WILL POINT OUT THE SORE SPOTS: TELL YOU EVERY ACHE AND PAIN YOU HAVE, WHY YOU SUFFER, AND WHY YOU HAVE NEV-ER BEEN CURED, AND IF YOU WANT TO TAKE TREATMENT, DRS. SHORES WILL TREAT YOU AND CURE YOU AT A NOMINAL COST. Prices and terms within the reach of all,

REMEMBER, this special offer applies to EVERYONE WHO IS SUFFERING. The examination is absolutely FREE-you won't have to pay a cent. Come and bring your friends,

Liver Disease.

BIKE RACES TODAY.

Oscar Julius Hot After John Lawson's Record.

A program consisting of a one mile teur, a professional motor race with three machines entered, and a messenger boys' team race. On account of the slippery condition of the track early in the morning, Oscar Julius will not go after the 24 hour record, but will start tomorrow afternoon at 2 o'clock, for the 100 mile record of 3:24.

Present for Griffin.

Manager C. H. Griffin of the White Wings has been remembered by the boys. Yesterday afternoon in a most boys. Testerday afternoon in a most happy speech. Captain Webster pre-sented Mr. Griffin with a beautiful scarf pin-a present from the team. It is set with pearls and opals and needless to say the Manager prizes it birth. highly.

Captain Webster said the members of the team desired to express their ap-preciation of Mr. Griffin's management and kind treatment of them during the summer.

One More Game.

Manager Gimlin of Ogden is making arrangements to pull off a game here on the 27th. He is trying to induce the Portland champions to come to Ogden for the 25th and 26th and here on the 27th.

McNichols Will Stay.

F. J. McNichols, Salt Lake's clever short stop, will remain in Salt Lake this winter. He has accepted a posi-tion with George Mullett & Co., and says he will stay here.

OUTSIDE EVENTS.

CHALLENGE FOR CUP.

Yacht Will be Built for That Purpose.

New York, Oct. 12.—A dispatch to the Herald from Hallfax, N. S., says: It is positively stated that A. J. Mox-ham of Sydney, of the Dominion Iron and Steel company: James Ross, of Montreal, president of the Dominion Coal company, and other members of the Care Braton Yacht club have de the Cape Breton Yacht club, have de-termined to build a yacht to challenge for the America's cup. The yacht will be built in Canada, and

will certainly challenge for the cup this year or next.

MAY USE OLD BOAT.

Proposition to Challenge Again with Shamrock I, Next Year.

New York, Oct. 12 .- As the New York Yacht club has declined to allow Shamrock II to contest again for the cup until two years have elapsed from the date of her defeat, a suggestion has been made to Sir Thomas Lipton to challenge with Shamroc I for next year, says the Tribune. The two years which must elapse after the defeat of one boat before she can sail again for the cup will expire in favor of the first Shamrock on October 0, and the sugegstion is that if the first Shamrock has, as reported, received the improvements she greatly needed when she entered her races with the Colum-bia in 1899, sh should be in good condition to give the Columbia a good run for the trophy in 1902.

ONLY TWO REMAIN.

Golf Championship Simmered Down to Two Contestants.

New York, Oct. 11 .- The contest for the women's national amateur golf experience, that the theory is borne out championship will be finished tomor- by the tacts.

able to continue on his journey home without assistance. CHICKENS WERE BURNED.

Two Hundred Were Cooked in a Fire Last Night.

Last night a fire broke out in a very mysterious manner in a chicken house at Miss Marian Clark's place at 226 B Was not a Success Until He Was Put or street, and about two hundred of the Cecellus X. Hale, of 1717 Barclay St. Baltimore, Md., now quite a famous runner, has had some interesting exbirds were cremated. The blaze was discovered by neighbors, who turned in an alarm immediately. The apparatus from No. 4 responded, reiner, has had to proper feeding. His testimony is worth the attention of any athlete, or in fact, of any person who cares for good sturdy, powerful but the firemen were unable to save the chickens. Some of the adjoining buildings were scorched a little but no great damage was done.

HELD FOR RANSOM.

es and Grape-Nuts Food. They were both invented by a food The final accounting in the Horace S. Eldredge estate was had yesterday afexpert and are made at the famous pure food factories of the Postum Ce-real Co., Ltd., at Battle Creek, Mich. ternoon, and the court authorizes the distribution of the remainder of the This food and the food drink are both estate, amounting to about \$20,000. In the case of Starbuck vs Snarr, an

made for a definite purpose, and there are thousands of users throughout the world that can testify, from pro-tical order has been issued from the district court, confirming the sale of the Maxfield Vinegar company property to J. H. Schwartz for \$2,300.

The most important feature of the report, that of personnel, is reserved for the last. Admiral Crowninshield already has given warning to Congress of the absolutely imperative need of the navy for more officers and men. Now he adds some startling figures to support his renewed recommendations. He says if the department were called upon to man the ships for service it could not meet the demand. There are not enough line officers to man the ships

already constructed. When in the stips already constructed. When in three years the vessels now under construc-tion shall have been completed, the number of officers necessary to man them and survillary to construct them and auxilliary vessels will be no less than a thousand, and the problem presented is how these officers can be

presented in the short time remaining. At present the line of the navy under the personnel act and as fed from Anna-polis is increasing only at the rate of ten per year in number (forty officers being retired arbitrarily being retired arbitrarily each year) which would make thirty for the three years. According to Admiral Crownin-shield, the only remedy is to increase the number of cadets at the naval academy to not less than 800. It is recommended that beginning with the next Congress, there shall be allowed at th academy two naval cadets for every representative or delegate, two for each senator, one for the District of Columbia, and ten at large annually, and that the course be limited to four years, FOR MORE VICE-ADMIRALS.

Another striking recommendation of Admiral Crowninshield's under the head of personnel is that four vice admirals be created, reducing the number of rear admirals to fourteen if nection of a national naval reserve. essary. It is said that the United States often has been in a humiliating posi-

The Oldest and Best.

S. S. S. is a combination of roots and herbs of great curative powers, and when taken into the circulation searches out and removes all manner of poisons from the blood, without the least shock or harm to the system. On the contrary, the general health begins to improve from the first dose. for S. S. S. is not only a blood purifier but an excellent tonic, and strengthens and builds up the constitution while purging the blood of impurities. S. S. S. cures all diseases of a blood poison origin, Cancer, Scrofula, Rheumatism, Chronic Sores and Ulcers, Eczema, Psoriasis, Salt Rheum, Herpes and similar troubles, and is an infallible cure and the only antidote for that most horrible disease, Contagious Blood Poison.

A record of nearly fifty years of successful cures is a record to be proud of. S. S. S. is more popular today than ever. It numbers its friends by the thousands. Our medical correspondence is larger than ever in the history of the medicine. Many write to thank us for the great good S. S. S. has done them, while others are seeking advice about their cases. All letters receive prompt and careful attention. Our physicians have made a life-long study of Blood and Skin Diseases, and better understand such cases than the ordinary practitioner who makes a specialty of no one disease.

We are doing great good to suffering humanity through our consulting deyou to write us if you have any blood or skin trouble. We make no charge whatever for this service.
