For Delegate to Congress, JOHN T. CAINE.

Tuesday,

A SPECIMEN NON-TAXPAYING mining interests of any kind was "LIBERAL.

The truth is that our laws, if any-WE give place to-day to a scurrilous thing, are specially favorable to mincommunication from one James F. ers, exempting entirely from taxa-Bradley, whose name appears in the tion not only "mining claims" but list compiled by Historicus and pub- the "products of mines and the ore lished in the EVENING NEWS of in the mines."

Oct. 28, as one of the "Liberal" non-taxpayers. It is evident that the writer of the letter is a "hit panies, we suppose those very generbird." His rage and flutterings ous disbursers simply pay for what show that the shot has touched him in a sore place. All right; let the but what this has to do with braggarts wince and fret and fume; non-payment of taxes, by persons all their epithets and illogical inprofessing to pay such large amounts,

sinuations will not alter the facts is not very apparent to the ordinary which make them so uneasy. Let mind us look at the question to be con-Finally we notice the closing absidered, fairly and rationally.

Finally we notice the closing ab-surdity of this Liberal non-taxpay-er's letter. "When as a tax-payer I city, I have been actively engaged Certain persons calling themselves "Liberals" have been asserting in am accorded political representation, with what of means, of time and influence I could command, in minpublic meetings, among other atroetc." Why, he has not shown yet etc." Why, he has not shown yet ing operations. In all that time, that he is a tax-payer. The record instead of being one of the "proclous falsehoods, that they pay a large proportion of the taxes and proves that he is not. But does he minent and mouthy liberals," you not export to vote on the 7th occupied in wrestling with the of November, just the same as "bread and butter problem" that I are denied representation. The alleged proportion ranges all the way from one-third to the chief part of the though he had contributed as much have not been so earnest and outtaxes paid in the Territory. To meet to the revenue as the greatest prop- spoken against the "twin relie of one part of this boastful assertion, erty owner in the Territory? Does barbarism," polygamy, and the unrepeated with that brazen effrontery not his ballot count one just the that comes of custom and uncontrasame as the vote of any other citisame as the vote of any other citi-zen? Could he have more than one all the time occupied by me during dicted story-telling, a gentleman of this city not connected with this vote in any other part of the United the foregoing twelve years in pub-States? If he is with the minority lic utterances for or against the paper examined the records and found the proofs of the falsity of the that is his own choice. "Accorded political [:representation," indeed. Fudge! He has just as much "poclaim. The figures were furnished us for publication. The fact is ap-Fudge! He has just as much "po-litical representation" in Utah as he could get anywhere, that is, the power to vote for whom he pleases. and constituting one - fifth and one-tenth respectively of the parent that James F. Bradley, one of the "Liberal" assailants of the People's Party, one who, as appears

by Governor Emery on further knowledge and consideration. What did he say in his veto on this quee-Geo. Webb, speakers. A "LIBERAL" LETTER. A "HIT FIRD" FLUTTERS.

Editor Deseret News:

Bome years ago the indiscriminate murder of peaceful emigrants, men, women and children, at "Mountain Meadows," in this Territory, roused a feeling of horror and indignation ion in the bill which would have had to roughout the civilized world. One that effect, and there was nothing man only (and he a priest of the in it in relation to the mining order of Aaron or Melchisidec or in it in relation to the mining

ties, ad valorem rates combined with specific rates, will be recommended, there will also probably be impor-tant changes in custom house regu-lations, as to the clearance of the consulor invoice duties or changes and such matters will be suggested. No change will be recommended in both,) of all the murderers engaged in that massacre, suffered punishduties on china-ware. Reimpostition of the duty found in the laws prevailing in other Quinine as peristently urged on the part of manufacturers of chemicals will not be advised. ment.

Last Saturday, in your paper, a wholesale assassination of character mining regions. The assertion often made that an exorbitant tax was was attempted by one or more of the same priestly order and with a spirit akin to that which prompted the sought to be levied on mining property is equally false, for the faxes first named slaughter. You parade a list of thirty-three citizens of Salt Lake as "Anarchists who have and have been uniform, light and much ess than in the Territories and States adjacent. No special tax on are plotting against the liberties and lives of the law-abiding Mormons." In endorsing this mendacious state-ment editorially, you denounce these citizens indiscriminately for ever passed or proposed in Utah.

their "falsehood, their impudence, their baseless brag," and stigmatize them as "non-producers and non-taxpayers, and their contribution to the general growth consists merely of "gas" giving forth no light, and

As to the amount of money "dis-bursed in Utah" by mining com-words without knowledge and without truth."

Now, as one of the private citizens NASHVILLE, 21. - Capt. Bogard-us, the noted pigeon shot, passed through here from Selma, Als., to they buy, receiving quid pro quo, list" I care but little for the "back Elkton, Ks., with his son recently, about "plotting against the liberties and lives," etc., but I resent the baseless imputation of being a "nonwas badly hurt on the train, while traveling with Cole's circus. The producer and non-taxpayer,²² and at the risk of appearing egotistical, I demand as a matter of justice, space son will recover.
