FROM "THE TIMES." Editors Times : - The veterinary department in your valuable paper is always read by me with great in-terest and I value the information received from it a hundred fold more than the small amount paid for the paper. One year ago you published a letter from Dr. John Bates, relahad in curing spavins and splints with Kendall's Epavin Cure, and his allesion to using it now in his practice for several human allments on account of the success he has al-ways had with it. The above state-n waits from so prominent a Physicn wants from so prominent a Physic-ian gave me great faith in its effi-cacy, and as I had been afflicted for years with rheumatism and hip-joint lamaness so bad that I could hardly walk at times, I produced a bottle and as it has completely cured me I wish to proclaim it to all the world as the most wonderful discovery ever made for the benefit of afflict-ed men as well as for the poor horse, for which it was first used. As this remedy must be of incalculable value to the world, I write this letter to express my thankfulness to you for ever mentioning it in your col-umns and to ask another favor in behalf of my fellow men who are
