THE SLOW-GOING TABLET BILL.

A good deal of mail is found with the insection of the leaft bill, by those who haver the greater to the mail of of the laft bill, by those who haver the greater whereas of their hape tesing so how determed, and by its present has been seen and the said series and series are consumed to endeavore to the mail of the series of their hape tesing so how determine and affect are consumed to endeavore to at some figure, of course, but nothing to justify such more objectionable testures. The Count resolution has ever the series but of the say, so far as the Sennie is concerned, the prespects of the country of the series of the said that Prasident Moralle, it is said that prasing it was been taken up, and the people of Undward the to be present at their dusies. Notwithstanding, as viewed at the chaines, the difficulties in the way of the massitis seems too great is be surmounted very by that time. Fethips the greatest struggle has been if it is not being made over the taken with the northwest of the individual of the landship of the la

craine.

In many of the large cities municipal leagues for returns have been as unquelified success. That of Huston probably takes the lend, and has acpretably takes the lead, and has a recommended present amount a good, its country leading more along legislative law of the lead of the lead of the lead of the effect of the leaguest of party liches. Providence, R. L. directed for effect of the leaguest is a choice between campliants on different viries of the leading to the leading the leading to the leading the leadin

embentwoods is not political ambition in the part of members.

Helearn is needed here as well as elecwhere. There are tenns good city efficiels, past and present, and we are bound to any there are been to any the reasons when are homes man would be absorbed to vote for if he know their practices. A reform that will lowe out the latter and give the yearing a free and well informed choice string the former would be a great improvement.

Tring the results of this experiment with them of siture rortizing observations, Prof. Moore het justified in predicting that feltratay would be clear and spoter and the people of Philadelphia would have a good day. He oblegraphed them to that offset and received a graidful schowledgment.

### SLVADA'S STATEHOOD AGAIN.

SIVADA'S STATEHOOD AGAIN.

The sastern papers existinus to discuss the advisability of withdrawing statehood from Nevada, win a bindress sate of the facts that seems remarkable. While the lessened population of the fagolitosh state is advanced as a resear why she should be deprived of membership in the Union, the real inspiration of the vaguision bins is that Nevada's representation in Compressive in a way that does not please these who urge that the sate is added to the condition of a territory. The Chicago Times Herishold be reduced to the condition of a territory. The Chicago Times Herishold have been combined to farm while is a contingency that should have been combined to farm the state was admitted to the Union, not aftery though it is not say it see what basing the matter of how a "free and severelly, state" yet which have been considered to the property continues:

11 to respiratingly two late new A date meen in the Union calme the supplied.

p. rary continues:

It is evertestingly two late now. A state once in the Universalized two late now. A state once in the Universalized the efforms, like if why other principle to more submixed it would supply for all the properties of the late of the late of the principle in the late of the l

### A FREE WATER DESIAND.

A FIRE WATER DESAID.

There is in Chicago a Mexican official who demands free water. As the boat is not a very great one in Chicago, he is likely to get his way. The name of the chicago, he is likely to get his way. The name of the chicago is the Mexican donast, if was served with a wotter for delit, used were rates, and replied that under the treaty with the United Stinks he was exampt from payment, but was entitled in the war family of the war of a much justed. The interest is much justed. The interest is much justed. The interest is much justed to the realty official, rained upon the treaty official, rained upon the treaty official, rained upon the consulty in which the examily rained with the country in which the casual rained with the country in which the cultime and inhabitate, having and contrion their typesty, but which the cultime and inhabitate, native and foreign, of the country in which they called her cultime and inhabitate, native and foreign, of the country in which they called her which they shall be obliged to pay on account of country in which the way of the way of the way of the way of the country in and for which the away of the rain of water raise. A case is quoted where the ferman conhas used, and for which he swee \$0.50 under the schedule of water raise. A case is quoted where the German consult, under a similar treaty, otheries railed, frem paymont of dog far is Chicago; but in that instance the dog was its Tauton's groperly when taxed. The Chicage law department probably will allow the Moxican free well safter than take the case late court

and published by the gaptis of the ristate cest muits school at Ogless, says:
