The Queen's Last Reception.

Queen's confidential agent is in Zion on the most serious business for the Salt Lake opera company, and the dates of its first appearance are to be necessary arrangements of this week, negotiations being given up on Monday, pending which the alleged Mr. Mackenzie, who claimed to be Manager Pat Feeney, the Queen of Northern Opera and Bull Frocks and very much in the dark regarding the matter, he told that the opera company is authentically said to be the same as that engaged in the metropolis of Utah, and the same that has been here before. The Queen comes here next month. The Queen comes here with a company of 100 people, and more than 100 scenes and costumes are provided. The advance inquiries of the local Mackenzie indicate that the Queen's Last Reception will play to enormous business.

AMUSEMENTS.

Across the ice in the steamer was an immense steamer bearing the inscription, "Discovery and Fur Rivers," which is Yes Fur, Three Two, or Hamsome and the single Gold standard."

A gun was mentioned the audience with some appropriate remarks.

Tonight the last performance with Co. will be given at the Theater in the course Kind. Regular Theater prices have been put in for the occasion, and the arrangement on the part of the management of the company should result in good business for the stranger, which will soon be given to Tabernacle and Friday evening.

Another full house greeted the second presentation of Two Merry Tramps at the Grand last evening, and the usual storms of approval were manifested.

The sale of seats for The Queen's Last Reception will open this morning at the Theater box office. The first performance being given on Wednesday evening of next week. Mr. Perry, the Welch Rarebitted adjudicator, with friends, will occupy a stall at the performance, by courtesy of the management.

HOMES FOR THOUSANDS.

To Laster-day Saints Who Desire Good Places to Make Comfortable Homes. A Good Opportunity to Accumulate Means to Pay for Them Without Incurring the Bondage of Debt.

One Hundred Thousand dollars is labor wanted.

Fifty miles of the Alberta company's canal to be built, and the half will be paid in cash and balance in easiest gentle land, at 10 an acre, with free water for ten years. Good terms on these lands.

Lands are to be settled in families or settlement form, so that neighbors and settlers the benefit of ward organizations, including day and Sabbath schools.

All labor will be contracted for, at the ends a cabin for each family, and ground, home and seed loan to be paid for in proportion.

An industrious, able-bodied man, with team can earn a good farm, town lot and cottage in one year.

Lands to be settled are adjacent to a railway. Plenty of coal for fuel near at hand.

President C. O. Card, writing to the First Presidency under date of September 23rd, says: "I left for Alberta to consult on the canal, that parties in Salt Lake desiring to work the fall would do well to hurry, as the frost and wagons by railroad. By doing this they could get to work in the spring in less than a week after starting. Another thing about observing people, he says that Bro. H. Smoot's judgment in regard to a ton and location, it can be said there is not a month from the date of his letter that a car will be ready to sell on the canal, as for cities in the immediate vicinity grass is farm lot to twenty inches high. Work can also be done on the canal, men can be building house for themselves. He advises men to come with their teams, saving their families until the spring, by which means they may be provided for them. Parties desiring to go should see settlers in making homes, who may put cash to be used on the canal, can obtain land through Provident Card.

CITY COUNCIL AND WATER.

Engineer Kelsey Directed to Secure Information for the Members.

The City Council again devoted all of some session last night to a discussion of the water problem, and resolutions directing the engineer to secure all necessary information for a full report to the municipality hereafter. The action was taken after a protracted debate and the small amount of levity so characteristic of the water committee.

The report referred to was presented by the special water committee as follows:

To the Honorable, the Mayor and City Council of Salt Lake City:

Your committee to whom was referred the question of the proposed change of water from Mill Creek and City Conservation canon for water for the Jordan & Salt Lake canal, as assigned by Chairman of J. M. Thompson, to it, has to ask to be the city's reasons in the matter, and to the Jordan & Salt Lake Canal Company, and the duties of its said conditions etc. is to be necessary of farmers and residents of this work, especially being given on Monday, pursuant to the Mayor's order adjourned the Mayor's office, when present the Mayor, Councilmen Lyman, Hoon, Allen, Hamlin and Stewart, and Messrs. Pratt, Farnsworth and Hall. Under the authority vested in the Mayor and Council by the Legislature, the Jordan & Salt Lake Canal Company has been granted the right to divert from Mill Creek and City Conservation canon, and what power rights, if any, the city has in the matter of the water rights of the Jordan & Salt Lake Canal Company
