SOLDIERS GOT EVEN WITH MURRAY NINE

Fort Douglas Managed to Turn Tables on Smeltermen Yesterday.

JACK THORNTON'S PITCHING

Was the Main Factor in Bringing Victory for Uncle Sam's Boys In Blue.

The Murray ball fans are being treated to a fine article of the national game these days, and that they justly appreciate it is demonstrated by the fact that the games are usually heavily attended.

Yesterdays contest between the Murray team and a nine from Fort Douglas, was no exception. It was a rattling good game from start to finish and the Soldiers got even with the Smelter men for the drubbing of the day before. The Boys in Blue walked off with the game by a score of five to one.

To "Happy Jack" Thorton belongs the chief credit for the warriors victor. He was on the slab for the Soldiers and right well did he perform. But for his clever twirling the result would probably have been different. The Murray boys certainly played a good game, but they were up against a brand of dips, spurs and angles ladled out by Thornton that were mighty hard to find. Thornton had fine control, remarkable speed and a mixture of ins and outs, ups and downs that would be hard to beat in any man's country. In addition to all this, the Soldiers gave Jack good support and were also better at bat than they were the day before.

That the game was a good one is shown by the fact that Wilkinson pitched for the Murraylites and was given almost errorless support. Although it was his second straight game in the box he did splendid work.

There is some talk now of another game between these teams for a side bet of $100, to be played at Murray or Salt Lake. Efforts will be made to bring the game here as the teams are certainly capable of playing in big league style. Manager Hughey of the Murraylites is considering the proposition, and it is possible that the game will take place next Sunday.

In yesterday's game the Soldiers were backed by about 125 of their friends from the fort, and the rooting they handed out was of the strenuous order. They nearly went wild in the first inning when, with one man gone, Kirby singled to right and was followed by Capt. Barriman, who batted one down first base line and beat the horsehide to the initial sack. Thornton then came up and pounded out a pretty liner to center. Then when Hart smashed out a long single two runs came in for Uncle Sam's boys.

In the seventh two more runs came in as a result of Hart's walk and hits by Wack and Wright. The last run came in the ninth.

Bert Margetts saved Murray from a shut out by leaning up against one of Thornton's fast ones for two sacks. He stole third and then purloined home as the ball was being returned from catcher.

MURRAY BEATS SOLDIERS.

Game at Smelter City Resulted in Score Of 11 to 5.

The game at Murray Saturday afternoon between the Murray team and a nine composed of soldiers from Fort Douglas resulted in another victory for the Smelterites. The score was 11 to 5, and should have been a shut out. The boys in blue would have drawn a cipher each and every inning but for the misplays of Hughey and Margetts.

The game had gone seven innings before Wilkinson had permitted a man to go beyond second base. He pitched a great game all the way through. In the eighth Wright sent a fly to Hughey, which the latter promptly dropped. A hit followed and Pingree brought Wright home with anothehr safe one. A walk came next, but the runner was caught off first. The man on third started a hot foot for home and Margetts at first threw the ball away and two runs came in. All this was followed by a hit, a couple of passes and two more soldiers came into camp, giving them their five runs. That is all they got. The detailed score follows:

A SUDDEN TWINGE

Of pain is generally the first warning of an attack of rheumatism. It feels as if the disease were in the bones or muscles, but the real cause of rheumatism is found in impure blood. In order to cure rheumatism the blood must be cleansed of the poisonous impurities which are the cause of the disease.

Dr. Pierce's Golden Medical Discovery has been very successful in the cure of rheumatism, because it entirely cleanses the blood from the poisonous uric acid which is the cause of the disease.

"Your 'Golden Medical Discovery' cured me of rheumatism after I had tried a dozen remedies without relief and also gone West in search of health," writes Harry Kitter, of No. 1645 6th street, Denver, Colo. "Only those who have suffered from this dread malady know the pain and misery I endured for over five years. Whenever the weather was damp or cold my troubles were increased and my joints would be so stiff and sore that I was hardly able to move about, and often unable to dress myself. I used a number of highly recommended medicines, but they had no effect whatever on me, and I came to Colorado hoping to regain my health, but failed to obtain the relief I had hoped for. A gentleman in the house where I lived advised me to use Dr. Pierce's Golden Medical Discovery, and in four months and a half after I began using it I was a well man, and have had no touch of it for the past seven months."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

Pierce's Pleasant Pellets. These tiny, sugar-coated anti-bilious granules regulate and invigorate Stomach, Liver and Bowels. Do not beget the "pill habit," but cure constipation. One or two each day for a laxative and regulator, three or four for an active cathartic. Once tried always in favor. Put up in vials; always fresh and reliable.

RUNNING RACES A FEATURE.

State Fair Track to be Fast—Jones Offers $12,000 in Purses.

Manager W. S. Jones of the Utah Racing association on the western racing circuit, says that more than $12,000 will be offered in prizes for the coming six days' meet at the state fair track, beginning July 24. Mr. Jones says that running races will be a leading feature of the big meet, and that some of the fastest runners that could be secured will be entered for the events. Following are the names of some of the fastest ones: Prince Brutus, Cash Boy, Indiana, Limb of the Law, David Roland, Salable, Drage Kid, winner of the Colorado Derby; Rose Thorne, Moccorito, Procrastinate, Heather Honey, Miss Blue Bell, Montezuma, Tar Baby, Wiseacre, Sun Rose, Red Damsel, Daleman, Bountiful, Bourbon, Joe D, Flying Fox, Dolly Gray and many other well known horses that have followed the circuit.

Purple day will undoubtedly be the chief feature of the meet. This is the day the Elks will come down in great heards, and Jones says that July 27 will long be remembered by local horsemen and those who take delight in the racing game. In addition to four good events, there will be a couple of novelty races prepared by the Elks. There will be a mule race and a chariot race. Mr. Jones is trying to figure out something new for each day's racing, and the outlook for the meet is decidedly encouraging.

BOXING AT PORTLAND.

Amateurs Give Clever Exhibition of Manly Art at Big Fair.

Portland, Or., July 8.—Six boxing bouts to determine the championship of the Pacific coast were held at the exposition grounds last night under the auspices of the Pacific Coast Amateur Athletic association. The Olympic club of San Francisco sent three of its best men north to compete in the events, while Multnomah Athletic club and the Young Men's Christian association, of this city, were well represented in the different contests. Al Kaufman, of the Olympic club, the recognized amateur heavyweight champion of the Pacific coast, did not appear tonight owing to the inability of the management to find a suitable opponent for him. The events carded tonight were preliminaries, the finals to be decided tomorrow night.

William Dwyer, the 125 pound Olympic crack, was given the decision over O. Drango, of the Multnomah club. The contest was so even for three rounds that an additional round was fought. Dwyer will meet Edgar Frank, teh local champion in the finals tomorrow evening.

R. Landie, also of the Olympic club, was pitted against G. Mapes, who represented the Multnomah club. Landie was given little chance to display his skill, as no sooner had the men faced each other than Landie sent in a terrific right smash to Mapes' nose which sent the local lad to the floor in a heap, breaking his nose. Mapes was on his feet before the count but Referee Grant stopped the contest and awarded the decision to the visitor. The fight lasted but four seconds. The lads fought at 135 pounds. Landie will meet Douglass for the championship in the finals, and an easy victory is predicted for teh Olympic man. The remaining contests resulted as follows:

G. Newell was defeated by G. Teller, of the M. A. A. C., the latter securing the decision at the end of the fourth round. An extra round was necessary to decide the contest.

Douglass, M. A. A. C., received the decision over Hekley, Y. M. C. A. T. H. Pinkham, Y. M. C. A. succumbed to A. W. Walsh, M. A. C., being knocked out in the first round.

BARNEY OLDFIELD BEATEN.

Earl Kiser Was the Star Performer at Opening of Auto Races.

A St. Paul dispatch of Saturday says: Earl Kiser was the star performer today at the opening of the automobile race meeting which is being held at Hamline race track in connection with the St. Paul automobile carnival. Kiser won each of the four events he entered. He made his best time in the five-mile open event, 4:44 3-5, and thereby defeated both Barney Oldfield and Louis Chevrolet.

Oldfield entered only the one race. He gave two exhibitions, however, doing a mil dash in :56 4-5, and a five-mile run in 4:48. Webb Jay won his heat in the open race in 4:46 2-5, defeating Chevrolet. The finals in this event will be run Monday. Attendance, 15,000.

ARTFUL WON RACE.

Captured Brighton Handicap, the Richest All-Age Purse of Year.

New York, July 8.—Artful, the three-year-old daughter of the great Hamburg, galloped in front of her field from the start and eased up at the finish, carried the colors of the Whitney stable to victory today in the Brighton handicap, the richest all-aged purse of the racing year. A length and a half back of the winner came Ort Wells, winner of the Brighton mile and a straight favorite for the handicap. Eight lengths further back the great mare Beldame, beaten more decisively han in almost any race of her career, came home in third place thoroughly done. Trailing along in the ruck were Monsieur Beaucaire, Dolly Spanker and Delhi and Adbell.

Fully 25,000 persons were packed within the narrow limits of the Brighton on Beach track, and the enthusiastic manner in which they cheered Artful's splendid victory indicated that the great bulk of the public's money had been placed on the chances of the Whitney mare. The afternoon was showery and by the time the great race, the fourth on the card, was started, the going [illegible] to be sticky. Artful galloped the mile and a quarter in 2:04 4-5, an excellent performance under the conditions. By her victory today Artful won the title of champion filly of the year.

Throughout the betting today, which was heavy at all times, there was hardly a point's difference in the quoting of prices on Artful and Ort Wells. At the beginning some books marked up 7 to 5 against Ort Wells, 2 to 1 against Artful, 4 to 1 against Beldame, with liberal odds against the other starters. Prices generally ruled throughout the ring. At the close Ort Wells was a slight favorite at 2 to 1. Artful was to be had at 11 to 5, while Beldame's prices, after rising to 5 to 1, kept the Terrible, St. Bellane and Ostrich were scratched during the early afternoon.

PORTLAND TRACK MEET.

Multnomah Team Carried Off First Honors With Ease.

A Saturday Portland dispatch says: The big lead that Multnomah secured on the first day of the Pacific Northwest association championship meet carried the clubmen on to victory in the final day's sport. Eight events occurred today, which made the final score: Multnomah A. A. C., 91; Seattle, A. C., 39; Brockton A. C., 1.

The features of the day's events were the pole vault and the 120-yard high hurdles. Gilbert of Multnomah cleared the bar in the former at 11 feet even, and made an exhibition vault of 11 feet, 1 inches. Kuykendall won the hurdles in 16 3-5 seconds. The high jump went to H. W. Kerrigan of Multnomah, 5 feet 10½ inches with Grant of Seattle a close second.

Chance for Hyland.

It is probable that "Fighting Dick" Hyland will secure a match with Charley Neary in San Francisco. Manager Sammy McClintic received a wire offering him the match and he at once accepted for Hyland.

Neary is now in Denver but will be sent for if he agrees to the match.

Spokane promoters offer Hyland a match with Goodwin at Spokane. The latter was matched to fight Herrera, but the Mexican is in bad repute and is having a hard time to get engagements.

Other Ball Games.

Eureka teams under the ladership of George Therlon and Irvine Jensen played a fast game of 13 innings yesterday, the Therlon's winning by a score of 12 to 11. The Blue Points beat the Salt Lake Hardware team, 7 to 2.

The game between the Woodmen and Riverdales resulted in victory for the former, 10 to 7.

Sixteen to four was the score in a game between the Vincent-Notts and the Commercial Block teams. The latter lost.

Seattle, July 9.—The locals played a miserable poor game in the field today and Portland won easily by a score of 8 to 1. Fitzpatrick was not hit much harder than Reese, but the latter was effective with men on bases, and only one tally was scored by the Seattle aggregation. Outfielder Hall has joined the Seattle team and will break into the game in a day or so. Interest in baseball seems to be reawakening in Seattle, and the size of the crowds is increasing.

Score:	R.	H.	E.
Seattle	1	8	1
Portland	8	8	1

Batteries—Fitzpatrick and Dashwood; Reese and McLean.

Umpire—Bray.

Tacoma, July 9.—Tacoma took two games from San Francisco today. In both contests the visitors took the lead, but the home team fought against odds and won out. In the morning there was much wrangling between and Cravath being fined and put off the grounds. Lynch's steal home was the feature in the afternoon. Thomas was hit harder than Hill, but Tacoma took advantage of San Francisco's costly errors at critical times.

First Game—

Score:	R.	H.	E.
San Francisco	5	9	2
Tacoma	6	13	3
