## Automobile Boat Wrecked.

New York, July 22 .- A 65-foot auto mobile boat owned by Frank C. Hay ens, a wealthy citizen of Oakland, Cal., has been partially wrecked in the East river. Four men were aboard, and the boat was moving rapidly when it col-lided with a car float. Nearly six feet of the little craft's stem was torm away, and some of the passengers jump-ed to the float, believing their craft was about to sink. A wrecking tug reached the scene quickly, however, and hoisted the automobile boat out of the water. It is not known if the own-er was aboard when the collision occur-red.

The Russians are contesting the ground splendidly. "The Japanese flanking movement to east is the real cause of our retirement.

Heavy losses have been sustained. "The Japanese artillery has again shown its superiority." The scene of the fighting is not men-tioned by the correspondent.

TOGO'S FLEET.
