NEWABK, N.J., 24.—Thomas P. Somerville, of New York, applied to ex-detective Nettleship last November stating that a friend had \$250,000 stolen in government bonds, and offered large induce-NEW ADVERTISEMENTS.

ments to Nettleship to secure an accomplice in the bond department in Washington to convert them into money. Nettleship pretend-ing to favor the plot conferred with Secretary Morrill, and it was ar-ranged that last night, Somerville, and his friend George Engle, should make over the bonds to Nettleship and receive the money in return. Both were at Nettleahip's house according to Nettleahlp's house according to appointment, and were arrested while making the transfers. Some of the bonds were stolen from the Ocean Bank, New York. All had been cancelled and registered, and were, therefore, worthless. The swindlers had substituted other names for those in which they were registered, and thus hoped to get them cashed through an accomplice. The names of Perry Hensley, Leo-

The names of Perry Hensley, Leo-nard Kean, and J. Ogden Snow had been fraudulently inserted in the bonds.

> Tweed's Release Connected with Oakey Hall's Disappearance.

Tweed's release was foreshadow ed by your correspondent two months ago. He has arranged to make such restitution to the city as is within his power, and made a clean breast of the proceedings of Tammany ring. The best impres-sion, to-day, is, that Oakey Hall's disappearance is connected with this affair; that he has fied either because he had ascertained Tweed's confession would compel him to water from a spring. These were thickly covered with blankets,

appear as a witness against Peter B. Sweeney or because Tweed's moral persuasion of an intension of the maximum of the boys, stir up within them ing with them that me shall have more fruit if we have fewer grubs, and that if we have fewer grubs, and that therefor under the provisions of the said act. Register, ing the coffin he took off his over-ing the coffin he took of the intension of the said act. given evidence that he must com-pel Sweeney to settle or abscond, Hall's spendthrift habits have left him nothing with which to make a settlement, and so it is believed he ing the coffin he took off his over-coat quite deliberately and laid it down, then gave his hat to the marshal and his comforter to the the prosecution in 1871, but it is claimed that his share in the Tamdistrict attorney as mementoes, and
