VICTIM OF A BOLD ROBBERY

Robert Adams Robbed and Badly Beaten by a Holdup Last Night.

Weber County Affairs—In Legal Circles—Machinery for Canning Factory—Junction City Briefs.

Last evening about 6:45 just as it was getting dark Robert Adams was robbed by two men in the alley between the Z. C. M. I. and Stratford's furniture store. According to Adams' story he had been around the streets all day with a man named James Pett, alias Pearce, who had frequented the saloons during the day and at about the time above mentioned the two of them walked along Washington avenue to the alley, where Pett grabbed Adams by the arm and threw him into the alley on his back and another man jumped in behind him and kicked Adams in the face and head and Pett robbed him of about \$20 and then ran. Adams, in a dazed condition, jumped up and ran after one of the fellows down Twenty-fourth street to the alley going back of Brewer's wholesale store, where the man darted in and disappeared. Adams' face was badly bruised and covered with blood. He says that the man Pett, who robbed him, lives at Brigham City. The police are on his trail. A boy named Mortensen saw the men knock Adams down and rob him.

AFFAIRS OF WEBER COUNTY.

The county commissioners met in regular session and disposed of the following business:

It was ordered that a redemption certificate be issued to E. H. Finch on certain real estate on payment of taxes and cost of redemption.

A quitclaim deed was ordered issued to F. W. Gill on the payment of \$22.

It was ordered that the petitioners and school trustees of Warren district and all other residents of Warren district who are interested in the division of the Warren school district as well as any others who may be opposed to said division, meet with the board on January 2, 1900, at 2 p. m., at county court house, at which time the matter will be taken up.

The petition of C. W. Newton, praying for the clearance of his property from an erroneous sale to J. S. Carman in 1892 was denied for the reason that Weber county received no taxes from Albert Allen, then tax collector, and is therefore unable to take any steps to remedy the matter. Mr. Allen being responsible for the error.

A number of minor claims were allowed and ordered paid, and the board adjourned for one week.

FORECLOSURE SUITS.

Yesterday in the Second district court Henry W. Brant, receiver of the American Loan and Investment society, filed suit against Walter S. Cooper, A. L. Cooper and M. V. Gilbert, for the foreclosure of a certain mortgage. The amount sued on is \$1,106.31.

The same plaintiff filed similar suits against the following: Henry C. Johnson and W. Mead Hanson, for \$1,274.39; Anna F. Loomis and J. H. Loomis for the sum of \$1,556.01; Enoch Farr, Jr., and Mary Farr, for the sum of \$932.40; Joseph G. Young, Alice V. Young, Thos. Ballantyne and Jonathan W. Woolson, for the sum of \$1,143.22.

WANTS DAMAGES.

A. J. McNeill filed suit against the Oregon Short Line Railroad company for damages in the amount of \$5,000. The complaint alleges that on May 12, 1899, the plaintiff bought a ticket and got on one of the defendant's trains to ride from his home in northern Idaho to Salt Lake City, but at Montpelier, Idaho, the conductor of the train forcibly ejected him from the train and bruised and injured him very much.

Thomas Edwards filed suit against J. M. and L. M. J. Disher, alleging that defendants have withheld from plaintiff the possession of certain premises which belong to him. He therefore prays judgment in the sum of \$100 against the defendant.

SENT TO ASYLUM.

This afternoon at 1:15 o'clock Sheriff C. E. Layne, took William H. Ford, a young man, of Ogden, to the State Insane Asylum. He was adjudged insane yesterday by Drs. Condon and Dixon.

IN THE POLICE COURT.

Before Judge Hulanicki in police court Harry Wilson, the man arrested a few days ago for stealing clothing and other articles from various stores around town, was sentenced to ninety days' imprisonment.

Frank Rhea, the man arrested with Wilson, was let off, provided he gets out of town within twenty-four hours.

Lilly White, a colored woman, was arrested and given a night's lodging. She also promised to get out of town and was released.

Jim Mack, a vag, was sent on his way rejoicing.

LOGAN.

Death of Bishop Robert Davidson, Pioneer of the State Builder.

Logan, Cache Co., Dec. 26.—Robert Davidson, bishop of the Third ward, this city, died Saturday evening at 8:30 o'clock, from the effects of cancer of the stomach. The Bishop had been ailing for a year and a half, and not until about four months ago did he begin to suffer acutely from the cancerous growth. Several doctors pronounced his affliction incurable, but everything that living hands could suggest was done to prolong his life. Finally, however, the inevitable arrived, and Bishop Davidson, the sterling pioneer and Latter-day Saint, passed to the great beyond.

Robert Davidson was born Jan. 31st, 1839, at Dundee, Scotland. Emigrated to Utah when fourteen years of age, being baptized while on the ocean into the faith of the Latter-day Saints. Located first at Salt Lake City, but in 1869 came to Logan, settling on the homestead he occupied until the day of his death, in the Third ward. Being one of the first settlers, he underwent all the experiences and hardships incident to the life of the pioneers. He was one of the force of Lot Smith in Echo canyon, and took part in all the operations against the Indians, who were troublesome in these parts in those days. Was appointed Bishop of the Third ward in 1873, and held that position until the day of his death. He leaves a wife, fourteen children and fifteen grandchildren, besides a host of friends who will sincerely mourn his loss. Funeral services will be held over his remains in Logan tabernacle tomorrow at 12 o'clock noon.

FUNERAL OF GUNDER JOHNSON.

Funeral services over the remains of Gunder Johnson, who was killed in Montana recently by a train running over him, were held in the Seventh ward meeting house today. The speakers were Bishops A. L. Skanchy and C. J. Larsen and Elder N. J. Hartvigsen, who testified to the excellent character of the deceased. Brother Johnson came to Logan in 1881, and was a faithful Latter-day Saint.

CHRISTMAS CHEER.

Christmas was quietly spent in this city. The weather was perfect and sleighing good, and many people participated in the sport. The representative of the "News" was invited to partake of the magnificent Christmas dinner prepared by Mr. and Mrs. J. Fred Kiesel at the Kiesel home. Needless to say the spread did justice to the well-earned reputation of this hospitable hostelry.

Elder Andrew King has returned from a two years' mission to the Northwestern States. His field of labor was in Montana.

AMERICAN FORK.

Funeral of Mrs. Varney—May Get His Rights—Busy Police Court.

Special Correspondence.
American Fork, Utah County, Dec. 27.—The funeral services over the remains of Caroline Varney, wife of Jacob Varney, were held in the meeting house yesterday at 11 a. m. The speakers were Elders S. D. Chipman, John B. Green, Thomas Barratt and George Cunningham, who spoke in terms of praise of the deceased. Sister Varney was an old and respected resident of this place, and leaves a husband and three grown sons, besides a numerous host of relatives and friends to mourn her loss.

MAY GET HIS RIGHTS.

About ten days ago a meeting was held in the City hall to protest against the unconstitutional and unjust treatment accorded by the House of Representatives to Hon. B. H. Roberts. Speeches were made and resolutions of protest adopted, which were duly forwarded to Senator J. L. Rawlins and B. H. Roberts. Chairman Clark received acknowledgments of the receipt of the protest yesterday in which Mr. Roberts extended his thanks for the action taken and expressing confidence that the House would eventually be accorded his rights.

The eight year old son of Mr. and Mrs. John Snyder is very sick with droupy.

BUSY POLICE COURT.

The Christmas holidays have had the effect of reviving business in the police court lately. The first on the list was a specimen of the tramp fraternity. He was locked up by Marshal Adams on account of his being drunk. Upon his appearing before Justice Jackson, he was given ten minutes in which to get out of town. But Mr. Tramp seemed desirous of spending a little more time as a guest of the city. He accordingly upon being liberated threw his bundle of bedding through the window of H. Adamson's restaurant, leaving the messes. His case was finally referred to Sheriff Storrs and County Attorney Evans, who took the individual to Provo.

Yesterday Abner Chipman and Willard Rushton were each fined \$3 by Justice Jackson for drunkenness. The cases of Alma Rowley, Jr., George Mitchell and a young man named Nelson from Pleasant Grove for fighting, and John Dean, Oscar Doyle and James Greenwood for resisting an officer—by endeavoring to rescue Abner Chipman from the officer—are to come up today.
