DESERET EVENING NEWS WEDNESDAY NOVEMBER 10 1909

PRESCRIPTION FOR LAME BACK

The following prescription will be found to work wonders in curing lame back and all kinds of rheuma-tism, and restoring health and vigor. The ingredients can be supplied by any well-stocked drug stors and easily mixed. One-ounce compound acrup of Sar-

These to be added to hair pint of Sar-smartlink, one onnee Toris compound. These to be added to hair pint of whisky and used in tablespoonful doese before each meal and at bed time. The bottle must be shaken well each time."

results from this treatment come after the first few doses. This prescription was published here last senson and was used with splendid results by hundreds of pro-

characterized as shreds of suspicion and so disingendous that the authorized Glavis's dismissal.

"It is the same false coloring of iso-lated pertions of the record and of a series of transactions which in their entirety refute the inference Glavis wishes drawn from the portions pub-

GLAVIS SAYS STATEMENT IS IN PUBLIC'S INTEREST

"My attention has been directed t the text of an article purporting to Mr. Glavis, in his copyrighted article a Collier's Weekly, makes the followhave been written by Mr. L. R. Glavis, which is to appear in Collier's Weekly,

In contertions: "From 1902 to 1909 I was in the field service of the general land office. for the last two and a half years as chief of field division. In September. and advance copies of which have been "The Glavis story is a tissue of false chief of field division. In September, 1969, I was summarily removed from my position without a formal hearing by Richard A. Ballinger, secretary of the interior, by authorization of the presi-dent of the United States. That re-moval was accompanied by the publi-cation of a letter of the president to Mr. Ballinger. I believe that my re-moval was unfair, because in it the president gives weight to a charge hoods, and insinuations utterly unwarranted in view of the facts easily ob-"It is not surprising that a publication which could in pursuit of this same propaganda, recklessly, under date of propaganda, recklessly, under date of Det. 30, reproduce a view appearing on a familiar railroad folder of the Grand River canyon in Colorado, as a pictura of an available power site which was In danger of unlawful acquisition on the South Plate river, 200 miles away and across the continental divide, should be willing, without the slightest effort, to accertain the facts, to give wings to a story which had herelow been subpresident gives weight to a charge against me which I never had the op-portunity to see or answer. The presi-dent states in his letter that I withheld from him information favorable to my auperiors. I do not know of any such information withheld by me nor am i information withheld by me nor am I conscious of doing my superiors injus-tice. Nevertheless, I should not now make any public statement of the mat-ter were it not still possible to save for the government many thousands of acros of coal lands which I believe the land office may in the near future grant to frauduent claimants. The hope that my statement will help to arouse public sentiment, and that this danger to the national resources may be averted in story which had heretofeen been sub-mitted to so great and a man as The president of the Unitso States, who The president of the Units, states, who after a most careful consideration thereof, in which he had before him the complete files of the general land biffice, and of the secretary of the in-derior, relating to each and every one of the matters presented, pronounced those charges without justification. "The statement of Glavin has gained nothing either as to its veracity or jus-tification in the interval since its pres-entation to the president and in view sentiment, and that this danger to the national resources may be averted, is what actuates me. This statement will simply give facts and leave to the judgment of those who read whicher or not the land office has been zoalous in the public service. The facts are these: "The coal lands of Alaska owned by entation to the president and in view

the goal lands of Alaska owned by the government amount to over 100,000 acres. They are the future coal sup-ply of the nation, of almost inestimable value. Possession of them by private individuals means great wealthers mo-nopoly of them would be a national

"The article is simply a repetition of the charges submitted to the president, which the president, after examining all the evidence and the official records,

BECOMING BECOMING ADDITIONATION The suffering in store for the suffering in Thousands of women have found the use of Mother's Friend robs confinement of much pain and insures safety to life of mother and child. This liniment is a God-send to women at the critical time. Not

Hon mailed free. THE BRADFIELD REGULATOR CO.

there were about 200 ciaims flied cover-ing about 100,000 acres (nearly the whole of the coal fields). The law at-tempts to prevent monopoly of such claims by limiting the amount of each claim and providing that each claim-ant must take up the land in his own interest and for his own use. This hav has been interpreted by the surreme coort of the United States to forbid speculating in coal lands before entry--either by dunmy entrymen or by providing the consolidate

entry-either by dummy entrymen or by previous agreements to consolidate claims after entry. Of these 900 chains to Alaska coal lands-among them the as-called Curningham group-tho majority are fraudulent. "As to the action of the land office on these claims, I assort that the land office ordered the Cunningham claims to patent without due Isvenigation when Commissioner Hallinger knew they acre under suspicion: that while in office Commissioner Hallinger urged Congress to pass a law which would they were under suspicion; that while in office Commissioner Hailinger urged Congress to pass a law which would validate frandulent Alaska chiling, that shortly after senigning from of-fice he bestime attorney for the Cun-ningiant group and other Alaska claims, that soon after be bernne ser-retary of the interior, his office ren-dered a decision which would have vali-duied all fraudulent Alaska claims. A reversal of that decision on every point was obtained from Atty.-Gen, Wick-ersham's decisions, every fraudulent Alaska chain would have gone to patent. I assert that in the spling of 1929 the innel office urged me be on early irial of these cases before the investigation was finished, and whon Sery Ballinger as the president stated. Rnew that the Cunningham claims were invalid. When I appealed to Fery. Ballinger for postponement, he referred me to his subordinates. The depart-ment of ugriculture intervened. I was superseded in the claims, and the pateptonement was granted. I men-iately thereafter I make my report on the Cunningham cases to Fresident Tafi and was dismissed from the save-ice fur Baltinger as the president set-tor fur and the chains when any report on the Cunningham cases to Fresident at the was dismissed from the serv-ice for Insubordination." Mr. Glavis ther reliterates the story of Secr. Ballinger acting as attorney for one of the claimants, after he re-

Mr. Glavis then reiterates the story of Secr. Ballinger acting as attorney for one of the claimants, after he us-tired from the land office, and prior to his cabinet appointment. Mr. Bal-linger is accused of trying to rush the Canningham claims to patent when both in and out of office, and Land Commissioner Dennett and Asst. Secy. of the Interior Frank Plerce, are charged with collusion in the matter. Glavis enters into an elaborate review of the case and when he gets down to where his gervices were dispensed with eave: BRYB

with says: "It was at this time that I laid the facts in my possession regarding the Cumningham case before the president, The president has chosen to treat my report as a charge of criminality. I made no such charge, nor do I muke it now. The president's letter is a de-fense of Mr. Hallinger and Mr. Den-nett from charges not made in my re-port to him. I was not investigating either Mr. Hallinger or Mr. Dennett, but the Alaska coal cases. Because 'knew that these cases were to come fore Mr. Denneti and that there was no appeal from his decision save to Secy. Hallinger, because Secy Hallinger ind stated he would not act in these cases and because the ranknig officer of the department was Asst. Socy. Fierce, who had signed the decision which Mr. Wiekersham had overfuled, I believed the Alaska coal cases were to come The organized the seen in 'It was at this time that I laid the

which Mr. Wickersham had overfuled, I helieved the Alaska coal cases were in danger. The president had seen in this nothing but overzeal and insubor-dination on my part, and an opportun-ity to praise the secretary of the in-terior. I have not been informed what answer the department of the interior has made to my statement, but the public will judge whether I am right in thinking the Alaska coal claims are still in danger."

MOORE SAYS PART ABOUT HIM IS UNTRUE

ABOUT HIM IS UNTRUE Walla, Walla, Wash., Nov. 9.-Ex-Gov. Miles C. Moore, one of the claim-ants to the so called Cunningham group of coal mine claims in Alaska, who is in this city, today made a statement in reply to the Glavis article in which he savs: "Part of M: Glavis' communication containing what purports to be a state-ment from me has one serious defect. It contains no truth. "Glavis quotos me as saying Secy. Ballinger would have patented the Cunningham claims but for my protest. No such statement was made by Bal-linger to me or me' to Glavis. On the occasion mentioned Glavis said: "We have been examining Mr. Cun-ningham's books.' To my query: 'How

The Experience of This Kansas Woman Will Be Valuable to Others of Her Sex.

To women who suffer, Dr. Williams' Pink Pills are worth their weight in gold. A woman needs medicine to re-gulate her blood-supply or her life will be a round of pain and suffering. Dr. Williams' Pink Pills are of untold value to women for they horses that portion Williams' Pink Pills are of untoid value to women for they increase that portion of the blood which absorbs oxygen, the great supporter of organic life. In this way they may be said to make new blood. They are good for men too b t are adapted in a special way to the needs of women and growing girls. Women who suffer will find en-couragement in the corn of Mix. They dore Howman, of No. 1802 North Teath street, Coffeyville, Kansas, who says: "I was troubled with smothering spolls for about three years and was a

spells for about three years and was a sufferer with weakness common to my sex. The smothering spells were worse in the morning but would last until noon. I could scarcely get my breath. They grew so much worse that I could they grew so much worse that I could get hardly any rest day or night. I had gas on the stomach and palpitation of the heart.

"My doctor said that I would have to "My doctor said that I would have to undergo an operation. I did not con-sent to this and received no help until I tried Dr. Williams' Pink Pills. The pills gave me great relief in a reasonably short time and finally cured me. My health has smose continued to be good." Dr. Williams' Pink Pills have correct-id extend to the stormach, have

ed serious disorders of the atomach, have revitalized he nervous system and re stored to health sufferers from severe disorders of the blood and nerves. For rheumatism, indigestion, nervous head achies and many forms of weakness and debility Dr. Williams' Pink Pills are recommended even if ordinary remedies have been tried without relief If you are ill and the treatment you

are taking does not cure you, write for proof of what Dr. Williams' Pink Pills have done in similar cases. Their merit has made them the most widely used has made them the most widely used family medicine in the world today. They are absolutely harmless to the most delicate system as they contain no opiate or narcotic whatever. A valuable bocklet, "Plain Talks to Women," containing information of value, will be sent free upon request. They are for sale by all druggists, or will be sent, postpaid, on receipt of price, 50c, per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schemetady, N. Y.

Scheneetady, N. Y.

CANADA GETTING THE BEST IMMIGRANTS

Nw York, Nov. 9.-Lord Northcliffe, the British newspaper owner, arrived this afternoon from Oitawa, after spend-ing several weeks in a tour of western Canada and the northwestern part of the United States. "Canada is gritting the best limit-grants," he said, sounding up the ob-servations of his trin. "Immigration from the Dikons and other states is now between 20:000 and 100:000 a year. And the Americans who are leaving for Can-ada are not being replaced by the type that made the United States what it is."

A BUSINESS MIRACLE

the story:-

A member of last year's salemanship class called on the Y. M. C. A. secretary, bubbling over with the good news:

"My pardner and I made \$1775 on this two weeks" trip-\$887 a piece. I had no idea a little study would do me so much good. You know I used to put the price to my prospective customer the first thing. This course taught me to keep that back until the proper selling moment. I used to talk too much, now I save time, make more sales and make a little impression by cutting down my talk. The course has increased my enthusiasm until now I feel equal to any salesmanship battle."

A YEAR AGO THIS MAN HESITATED ABOUT ENROLLING.

Mr. White can tell you his name if you wish. He can also tell you how to get into this "business-getters" class. Idmit is 40 men, so apply carly.

THE SINALOA LAND AND FRUIT COMPANY

Is offering its spiendid colonizations lands at Orange Grave. Sinaloa, Mer-too, at bottom prices for the present only. Town lots \$25 and up. Acreage ints 614, 12 % and 25 acres, each \$10 to \$35 per acre These are among the richest and most fraitful lands in America. A frontless climate, green corn, tomatoes and watermelons in December and January. Oranges, dates, pine apples, bananas and all asmi-tropical fruits grow abundantly. Six heavy crops of alfaifs per year. Near the intersection of two transcontinental railroads, suid one of the fluest deep-water harbors on the Pacific coast. Colonists, are now moving on to the lands. Finest opportunity in America for home-seekers and investors. Come and investigate our grand prize offer to invents.

ningham's books.' To my query: 'How did you find things?' he repiled: 'Everything seems to be all right, and I see no reason why you should not have your patents.' I then asked: 'How soon?' He said: 'Within 60 days.'

soon? He said: 'Within to days.' "This conversation occurred more than a year after receiving final re-ceipts and some 10 months before Glavis claims to have been asking for further time for investigation. These entries had previously been clearly listed by reputable special agents after careful investigation." careful investigation

HENRY SAYS STATEMENTS FALSE IN SOME PARTS

Scattle, Wash., Nov. 9.—Denying em-phatically that any of the entries of coal lands in Alaska made by the claimants in the so called Cunningham group were fraudulent or made with instit to deceive the government, H. C. Henry and C. J. Smith, who are inter-ested in the claims, made answer today to the statements of the former field inametor.

inspector. "Galvis's statements in some clases are absolutely failse," said Mr. Henry. "He is an agitator who is being used by some people higher up for ulterior mo-tives of their own to prevent the de-velopment of the Alaska coal fields and a fair and judicial examination into the Cunningham coal minus, to the end that the men who have puid the gov-ernment their good money for these lands and are entitled to ratents shall not come into the possession of what come into the possession of what believe to be their rights under

the law." "The rich character of these coal lands." said C. J. Smith. "had long been a matter of public knowledge. The claims were filed upon under the ex-isting laws: everything done was done openly and above hoard: there was no attempt at concealment of anything, and the men who filed on these claims are American citizens of good record and entitled to fair and just treat-ment and a square deal by the govern-ment."

10,000 ACRES OF CAREY ACT LAND, choicest in IDAHO. Pronounced by expert horticulturists to be especially adapted to the successful growing of fruits. Water rights, \$65 per acre with ten years in which to make payments. 5-8 of an inch of water furnished with every acre, which is equal to 10 inches of rainfall every month during the irrigating season. Maintenance guaranteed by the Company not to exceed 85 cents per acre.

ACREAGE TRACTS THAT CAN BE SOLD FOR TOWN LOTS SOON.

The company will offer at the time of the drawing, NOVEMBER 16, a trad of deed land. EVERY TRACT WILL BE SOLD FOR EXACTLY \$1050. A payment of \$210 will be required at the time of filing and the remainder will be divided into four equal payments due in one, two and three years. These tracts are all different sizes and will be sold by CAREY ACT DRAWING. The person drawing the first chance may take his choice of a small tract near the town, or along the RIVERVIEW BOULEVARD, or a large one removed a short distance from the town. The first payment includes everything to be paid for one year as the company makes on the water. Water will be furnished on CAREY ACT TERMS.

RESIDENCE LOTS THAT WILL SOON BE BUSINESS PROPERTY. BUSINESS LOTS WILL SOON BE SOLD BY THE FRONT FOOT.

The townsite of Medbury will be offered for sale on the same date at public drawing. The company has platted but 90 acres of townsite. The new town is in the center of the tract to be opened and will experience the same lively growth of other irrigated tracts. There is a great opportunity for profit in town lots at MED-BURY. The small acreage platted, and the small number of business lots gives the investors farther out a chance to make the profit out of the growth of the town.

WE GUARANTEE THE PRICE TO ADVANCE. The Company guarantees to purchasers that within thirty days after the opening all of its property either town lots or acreage tracts remaining unsold will be ad-vanced in price 25 per cent, so that the purchaser can offer his holdings at an advanced price immediately and have no competition from Company property.
