OGDEN, UTAH, - - JULY 15, 1904.

DEMISE OF MRS. JAMES B. RIRIE.

Well Known and Esteemed Lady Died in Alberta, Canada, July 12.

OFFICERS ON TRACK OF DUE.

Funeral of Mrs. Sarah Nelson at Huntsville—Delicate Surgical Operation—Boys Steal Automobile.

The many friends of Mrs. James B. Ririe formerly of Eden, Weber county, will be pained to learn of her sudden death at Alberta, Canada, Tuesday, July 12. The sad intelligence was communicated to the family in Ogden yesterday causing much sorrow, as no intimation of her serious illness had been received. Mrs. Ririe was well known in this county, where she resided up until a short time ago when they removed to Alberta. The death followed the birth of her 13th child. She was about 40 years of age at the time of her demise. The funeral took place at Alberta yesterday.

BRIEFS AND PERSONALS.

Carl Badger, secretary to Senator Smoot, was in Ogden yesterday on business.

The funeral of Mrs. Sarah Nelson, wife of Lars Nelson took place yesterday afternoon at the Huntsville meetinghouse. It was well attended and consoling remarks were made by a number of her associates. Interment took place at Huntsville.

E. O. Watts of the Utah Construction company arrived in Ogden yesterday from Nevada. At Caliente he saw Captain Brown and Officer Pender, who have gone to the southwest after Oliver Due, the man considered in the highest degree responsible through his carelessness for the premature explosion at Glenwood park, resulting in the death of Daniel Shupe and Charlotte Clark.

The little 13-year-old daughter of Mr. Joseph West has undergone a critical operation at the Ogden general hospital for a stomach affliction, and is now slowly recovering.

The Royal Neighbors will entertain tonight at Glenwood Park.

Glenwood park closed its doors at the time of the disastrous explosion July Fourth, but will open up again tonight, and continue running for the summer.

Deputy County Clerk W. R. Swan was in Salt Lake city yesterday in attendance at the funeral of I. Marks, well known in Ogden.

Four boys, about 14 years of age, Leslie Downs, Carl Heiman, Frank and Jessie Peace, are under arrest on the charge of stealing H. E. Hoagg's automobile Tuesday night and riding to the Springs.

SOLD LIQUOR TO BOYS.

Joe Bachuf, proprietor of a Greek saloon, was arrested this morning by Sergeant Wilson and Officer Herrick, charged with selling liquor to minors. The arrest was caused through the discovery of a number of boys at the back of the saloon "rushing the growler." Bachuf put up $50 bail for his appearance in court tomorrow morning.

DUE ARRESTED.

The arrest of Oliver Due, one of the men charged with criminal negligence in connection with the Ogden explosion horror, is reported from Caliente, Nev., the man having been captured at Vigo, a station 45 miles down the line of the San Pedro, where he was engaged stringing wires fo the Western Union Telegraph company. Chief Browning received word from Capt. Brown a day or two ago that they were on the man's trail, so it is quite likely the reported arrest is correct.

PROVO.

The Daily News is delivered by carrier in Provo early every evening (Sundays excepted) on the same terms as in Salt Lake—75 cents per month. All complaints, requests for changes of address and payments of accounts should be made to R. J. Dugdale, 276 west 4th North St., Provo. Advertisements and orders for church works also received.

FRANCHISE FOR SUBURBAN.

Granted by City Council—Initiation of a Popular Railway System.

Special Correspondence.

Provo, Utah Co., July 15.—The city council met in special session last evening for the purpose of considering the question of granting a franchise to B. Mahler, Reed Smoot, Jesse Knight, C. E. Loose, George Havercamp and S. R. Thurman, for constructing an interurban railroad through Provo city. The ordinance granting the franchise was passed without any opposition, and in the consideration of the bill a number of the councilmen took occasion to say that they believed the project one that would be a great benefit to the city and the state. After the ordinance was passed, Mr. Mahler thanked the council and also expressed the opinion that in a few years the council would feel that their action had been for the public good. He stated that the spirit of his associates in the franchise has been an unselfish one, and that they had been actuated solely by a desire to promote the public good. Mayor Roylance also expressed his belief that the project would prove of great benefit to the city and state.

Franchises will be asked for from all the municipal corporations in the county and in Salt Lake and Weber counties, and obtained as rapidly as possible, after which surveys will be made and the work of actual construction will be commenced as soon as practicable.

The franchise as granted confers the privilege of constructing the road over such streets as may be selected by the grantees within 18 months from the time of the passage of the ordinance. The grant is to be accepted by the grantees within 60 days after the notice of its passage; the preliminary survey shall be commenced within 12 months, and at least one track shall be completed through the city within three years after the acceptance of the franchise, otherwise the franchise shall become null and void; provided, however, that said grant and franchise shall not be forfeited for the causes above set forth or for any reason whatever if the grantees without their fault, shall have been prevented or delayed in the performance of the conditions of the franchise by the act of God or the operations of law, strikes or other causes beyond their control.

The franchise is for 100 years.

MERCANTILE CORPORATION.

The Lehi Cash Store has filed articles of incorporation with the county clerk. The corporation will transact a general mercantile business in Lehi, with a capital stock of $6,000, in shares of the value of $10 each. The directors and officers are: Samuel Worsencroft, president; A. M. Southworth, secretary and treasurer; W. W. Southworth, vice president and manager; Samuel Stark, J. Eugene Hulsh.

GARDEN CITY NOTES.

William Strong, baggage master at the Rio Grande Western, met with a painful accident yesterday, a trunk falling on and badly smashing his left foot.

Mr. B. H. Bower of the state board of horticulture left for the south last evening. He will go as far as St. George, and will inspect the orchards of various sections along his route.

LOGAN.

The agent of the Deseret News in Logan is C. B. Robbins, 190 North Main St., to whom all payments of accounts should be made. Daily News 75 cents per month, Saturday and Semi-Weekly News $2.00 per year. Complaints, changes of address, orders for advertisements and church works will be given prompt attention.

HAIL STORM DOES DAMAGE.

Trial of John Andrews—Wedding Bells—Muir Divorce—Politics in Cache.

Special Correspondence.

Logan, Cache Co., July 13.—A heavy hailstorm passed over the north end of the county yesterday afternoon, doing a great deal of damage to growing crops. In many places ripening grain was threshed out and in other parts whole wheat fields were beaten down by the wind and hail. The damage will amount to thousands of dollars.

Yesterday was circus day, and the streets were thronged by people from the county who came in to see the elephant.

The examination of John Andrews, charged with assault on the person of Alice Naylor, took place before Justice Smith today. Attys. Rich and Watters represented the defendant and W. W. Maughan the state. The examination was conducted behind closed doors, the witnesses also being excluded, except when called to testify. The testimony indicated that the case was not as serious as was at first supposed. The charge of attempted rape was not shown. The case was continued until tomorrow.

WEDDING BELLS.

Ernest Littledike and Delilah Merrill of Smithfield were married by Clerk Larsen today.

Jesse Harris, a well known stock man of Logan, and Miss Sarah Holliday of Lewiston, were married today, Bishop Thomas X. Smith performing the ceremony. An informal reception was held at the Harris home this evening, when a large number of relatives and friends gathered to offer their congratulations to the happy couple.

The following couples have been licensed to wed:

C. A. Larsen, 39, and Miss Helen W. Lyngman, 26, of Richmond.

Samuel Bankhead, 21, and Pearl Summers, 19, of Avon.

Alonzo Hansen, 22, of Franklin, and Ella Preece, 18, of Cove.

Levi J. Meservy, 25, and Emma Hansen, 24, both of Cleveland, Ida.

MUIR DIVORCE CASE.

Judge Hart today handed down a decision in the Muir divorce case which was heard in court several days ago. The plaintiff, Mrs. Muir, asked for a divorce, and that one half of the property be awarded to her. Her complaint charged that defendant had mistreated her, sometimes resorting to violence. Defendant was willing that divorce should be granted but objected to her receiving more than one-third of the property; denied allegations of plaintiff as to bad treatment and set up a counter charges that she had left his bed and board, etc. In granting the decree of separation the judge exonerated the defendant from the charge of wife beating and awarded plaintiff only one-third of the estate.

POLITICS IN CACHE.

Since the fixing of the date for the Republican state convention political matters are becoming of considerable interest. Of the gubernatorial candidates mentioned, Hammond is in the greatest favor in Cache county. Jesse Smith would likely be the next strongest candidate in this county. John C. Cutler and E. H. Callister are not very well known here, and are not likely to have the support of many of the delegates from this section. Cache county will undoubtedly ask the convention for a representation on the state ticket and will likely have a candidate for secretary of state.

Locally candidates for county offices are becoming quite numerous. Thomas Smart is now spoken of for the Legislature from Logan and W. H. Maughan, Jr., from Wellsville. D. R. Roberts and F. H. Merrill are out to succeed themselves. Thos. Smith is candidate for sheriff. W. C. Parkinson for treasurer and Rebecca Eames for recorder. All the above are Republicans.

In Democratic circles things are very quiet just at present.

SCHOOL TRUSTEE ELECTED.

Whooping-cough Abating—Good Crops of Alfalfa Without Irrigation.

Special Correspondence.

Hyrum, Cache Co., July 13.—The annual school election was held on the 11th instant. George C. Allen was elected for the term of three years, one ticket only being in the field. In the evening the reports, financially and otherwise, for the past school year, were read at the taxpayers' meeting.

The dry farm alfalfa has been very abundant this year; the prospects for a second crop are very promising.

With no new cases of whooping-cough it is to be hoped that the malady is nearing its end. Several children have succumbed, and many residences have been flagged for some time.

EAST JORDAN.

JORDAN STAKE EXCURSION

To Castilia Springs—Old Folks Made Guest of Honor—A Pleasant Affair.

Special Correspondence.

East Jordan, Salt Lake Co., July 14.—The annual excursion of the Jordan stake to Castilia Springs July 13 was a very successful affair. The old folks were, as usual, the honored guests of the day. More than 1,200 people were in attendance. The excursion was over the Rio Grande Western, and the manner in which the same was conducted by the railroad was very satisfactory. Two trains of 13 coaches each left Bingham Junction at 9 a. m., arriving at Castilla about 2 hours later. Lunch was srpead, and the old folks were treated to a veritable feast prepared by the ladies of the various wards in the stake. After dinner a short program was given. The Union band, with Wm. M. Cox as bandmaster was in attendance, and rendered several enlivening selections. Also the old folks' choir, consisting of 22 members, under the leadership of Elders Wm. E. Cox, was heard to good advantage. There were singing, speaking and reading suitable to the occasion. Also distribution of souvenirs and prizes. Each person over 70 received a box of candy, besides each man had a walkingcane and each woman a pair of gloves. Special prizes were given to James Osbourn of Draper, the oldest person present, 95 years of age. Brother Osbourn also received a prize for being the oldest that had not tasted tobacco. Patriarch Ishmael Phillips possessed the same virtue, but was too young to get the prize, being only 90 years old. Other prizes were given, mostly of a humorous character, the everpresent Mrs. Middleton coming in for her share.

A baseball game between Bingham Junction and Sandy resulted in a victory for the former.

The return trip was also in two sections, the first, bearing the largest crowd, left Castilla at 6 p. m., while a later train accommodating the young people who took advantage of the evening for dancing, left at 9:30 p. m.

With the exception of some minor difficulties in procuring enough tables for the picnic in the morning, everything passed off in good style, and the hearts of young and old were made glad.

DRIGGS, IDAHO.

WEEK OF GAY CARNIVAL.

Patriotism and Sports Galore—Handsome Gift to the Queen.

Special Correspondence.

Driggs, Fremont Co., Idaho, July 10.—The Teton Valley stake carnival commenced July Fourth with one of the most magnificent parades witnessed in eastern Idaho. All the wards, auxiliary organizations and business houses of the valley had a place in the procession. The carnival was a success each day and lasted from Monday, the Fourth, until Saturday night, at 12 o'clock.

After the parade the multitude of people assembled in the large pavilion, size 40x84, and listened to one of the most interesting programs in years. J. D. Killpack was master of ceremonies.

Following the patriotic opening services came the crowning of the queen, and the address of welcome by President Don C. Driggs. His references to the queen, extolling her goodness and virtues, elicited boisterous cheers from the congregation. At the close of the president's address he presented to the queen and fastened on her neck a handsome locket, which the First National bank of St. Anthony gave her. The inscription read, "To Ada Bowles, queen of the carnival, 1904; by the First National Bank, St. Anthony, Ida." This was an elegant token, inlaid with 15 diamonds.

T. R. Wilson read the Declarsation of Independence, and the oration was delivered by Ernest Bramwell of Rexburg.

The bands were out in force and discoursed patriotic airs.

After lunch the people witnessed a genuine Indian war dance, races, the fair, baseball, etc. In the evening the opera "Katie Dean" was given to a crowded house.

Splendid programs of sport were given every day, with theatricals, operas and balls at night. On the last day there were over 3,500 people out. The leading features of the closing day were a barbecue and free lunch, roping of wild steers by cow boys from Jackson Hole, Indian attack on the U. S. mail, with a sham battle, and a baseball game between the Tetons and a picked nine, and closing ball attended by the queen and her maids.

The sum of $2,500 was cleared, which go to help on the new stake house now under construction. The presidency of the Teton stake thank the entire county for their help and means in making the carnival such a grand success.

NEIGHBORLY.

The new bishop coadjutor of Albany, the Rev. R. H. Nelson, wished to indicate, in a recent address, the spirit of friendliness and helpfulness that should exist between neighbors.

"Too many neighbors," Mr. Nelson said, "resemble a physician and a lawyer who used to live next door to each other in historic Germantown.

"The physician, one day, asked if he might borrow from the lawyer his edition of Florio's 'Montaigne.'

"'You are welcome to read the work in my library,' the lawyer answered, 'but you can't take it away with you, I am sorry to say, for I have lost so many books through lending them that I have sworn never to let another volume leave my house.'

"The physician thanked the lawyer, but of course he did not attempt to get through so ponderous a work as 'Montaigne' in the other's library.

"A week passed, and the lawyer came and asked the physician for the loan of his lawn mower.

"'I am only too glad to lend you my lawn mower,' said the physician, 'though it is my rule never to let it leave my lawn. There, however, you may use it all you please.'"
