"Chicago Wagon." — We understand that another car load of these wagons has just arrived at the U. C. R. R., consigned to Naylor Brothers. Several car loads have been previously sent here, the rapid sale of which can be regarded as evidence that they are a good article and well purchased.

The Gentleman who picked up a flag boat on the State Road, on the 14th, will please leave it at his office and be rewarded. \$275

We know of no firm that could be more advantageously recommended as first class in every way than that of Howland, Hooper & Co., 411 First Street, San Francisco, California, whose prices are below those of the Chicago and St. Louis markets, thus affording great advantages and an inducement for the trade.

The advertisement of Murphy, Grant & Co., San Francisco, will be found in another column. They are extensive importers of American and European staple and fancy dry goods. This is one of the largest and most reliable firms on the Pacific Coast. Purchasers will find it to their advantage to enter into business relations with it.

NEW REFORM. — The introduction of Soda Water and Sarsaparilla, by Day & Co., has done more in the way of a Temperance Reform than all the lectures that have been delivered in the country. The natural condition of man is a thirsty one, and it has long been an established fact that water will not quench thirst.
