EDITORIAL NOTES.

The Christian Union for February d contains a tinted supplement on the poet Longfellow, elegantly illustrated and containing a good porthe justly famous bard.

We learn from the Millennial Star February 14th, that Elder Edward Kay has been released from laboring as a traveling Elder in the heffield Conference, to return home account of ill health.

Elder John P. Sorenson has publighed at Napier, New Zealand, a small collection of Latter day Saints' by mus in the Danish language. It is a neat little book of fifty pages, and is printed by R. C. Harding.

England's two years' war with

Elder David James, of this city, has been manifest so many times arrived in England on the 1st of that we should be blind indeed if we February. The Star says: "He is could not discern it. Not only in heal here on a visit to relatives, and also

Arkansas-which is to be proounced Arkansaw, so decided by egislative enactment-is to try proprohibition. It is easy to enact suppressive measures, but very difficult and tended to the accomplishment to enforce them. However, the of God's purposes. Arkansas House of Representatives has passed a joint resolution, by 66 to 17, proposing an amendment to not far distant when He will demonthe constitution prohibiting the sale of liquor in the State.

The Southern Utonian is the name of Beaver's latest venture. It is a all their little doings will but conseven-column weekly-patent out- tribute in the end to the accomplishside, published by F. R. Clayton & ment of His great designs! Co.gand starts with great spirit and

courage in a field which is marked with so many fournalistic graves. We wish the new paper success financially and in every other way, and hope that Beaver county will be represented faithfully and ably by the Southern Utonian.

The miners of Silver Reef in compelling Supt. Allen to leave the town of Jan. 16, as follows in regard to a because he would not pay \$4 per day lady who had been given up by the for their services, have acted very doctors as an incurable case: for their services, have acted very foolishly as well as uniawfully. They have the right, of course, to throw away their time and \$3.50 a-day at once if they choose, but they have not the right to prevent other men from accepting the terms they re-fuse, aor to interfere with the liberty of Mr. Allen or any other man. Per-haps by the time they have impor-erished themselves and injured the mining district to an extent of many thousands of dollars, they will come thousands of dollars, they will come to their senses, as so many other unreasonable workingmen have been compelled to do, by the force of cir-cumstances and the pinchings of

GOD IN TEMPORAL AFFAIRS

At an annual meeting of Methodist ministers held recently in Spring-field, Massachusetts, a lively debate occupied considerable time over the question of healings through faith. The idea was advanced that prayer AT an annual meeting of Methodist was effectual for the healing of the good prospects for sight or ten more sick, some cases, reports of which
