

# AGGIES AND U. OF U. MEET TOMORROW

Great Interest Centered In Track And Field Contests.

FAST WORK IS EXPECTED.

Capt. Maddock Pleased With The Interest Shown By Upper Classmen In Coming Struggle.

Friday at 5 o'clock the University of Utah and the Agricultural College will meet the first dual track meet of the season. The University athletes have been showing the best interest in track work that has been demonstrated for several seasons. There are several new men for the first time in their four years at the University. A good number of new men will enter tomorrow. The Agricultural College has never taken part in college athletics before. The University men have it hoped that they have little to fear from the Aggies in the track for their first time. Higgs and Stewart, on the Aggie side, are new men to the U. and Stewart ran for the Aggies two years ago. Higgs and Stewart on the Aggie side are both juniors, but this is their first year on the track. Coach Maddock is delighted with the interest shown by the upper classmen coming in at such a late period.

## SALT LAKERS LEAD.

Butte, Mont., April 21.—The end of the hour's racing tonight in the staidy roller skating race again found the position of the two leading Utah teams unchanged. The Salt Lake City team, which still leads by a quarter of a lap, with Green and Scholander in Logan second, Durr and Clark in third, two laps behind the leaders. Durr and Clark fourth team, made up two laps tonight.

And Paddock on the broad jump will be jumped upon to make points for the A. C.
