A SAFE STRONG BANK FOR SAVINGS DEPOSITORS.

Savings accounts draw 4 per cent interest, compounded semi-annually.

Accounts can be opened for churches or fraternal organizations and be under the control of two or more officers. Minors may open accounts, subject to their own control. Parents may open accounts for children and retain control. Married women may open accounts in their own names.

With the strength given by ample capital, the strength given by careful and conservative management and the strength given by experience, this institution has grown to be one of the largest savings banks in Chicago and San Francisco, and continues to add steadily to the number of its depositors.

Still better, this sentiment seems to be universal among all the patrons of this institution.
