

"BOISE OR BUST" CRY THE BOOSTERS

Lunch to Idaho Excursionists at Commercial Club This Afternoon.

ALL TO PULL FOR SALT LAKE.

Train Will Leave Tomorrow Evening At 10 O'Clock and Will Make First Stop at Montpelier Tomorrow.

The motto of Salt Lake today is "Boise or Bust," and that there is no bust is amply assured in the fact that Charlie Quigley, president of the worry committee of the Commercial club, is smiling after yesterday's ultimatum morning, and declares that the first thing he will do when he gets aboard Elsie Harris' personally conducted "Seeing Idaho" special, will be to buy up the porter in his car, and transform him into a waiter for anybody who wants anything moderately dry, except Mum's.

The booster special will be ready to go tomorrow evening, and the whistle will blow at 10 p. m. President W. J. Halloran of the Commercial club board of governors today presided at a lunch given at the Commercial club to those who are going. The lunch was to stir up a preliminary series of enthusiasm waves, and it was a great success.

The orators were there to paint the glories of the Gem state to the north, of its dollars that flow into the channels of trade, and of the good time assured all those who go to help clean out the trade channels leading to Salt Lake.

The heroic measures adopted yesterday by President Halloran to pull the town out of its lethargy in regard to going instead of trying to cheer the other fellow on his way, produced results today in the shape of a large number of additions to the list. Gov. Wells has been dropping in on the special for the last few days, as has also Col. Jos. Geoghegan, and a number of other prominent citizens, who have been destined at Boise and Twin Falls, and in one week and a few minutes after the time of departure, the special will pull back into the O. S. L. special, leaving all that is left of the noble band.

PAPER FROM BEET PULP.

Veteran Anxious to Start up Plant in Utah for Its Manufacture.

The very latest in the development of the by products from the sugar beet plant is the making of paper from the discarded pulp. This, asserts James Brashear, a veteran paper maker, is practicable, and he proposes, providing he can secure the necessary backing, to start up a plant in this state for the manufacture of paper from beet pulp.

Mr. Brashear is a recent arrival in Ogden, having come from Des Moines, Iowa, a month ago. His claims to have built the National Paper mills at Rock Island, Ill., and to have learnt his trade under Patrick Costello, the oldest paper maker in the country, Mr. Brashear is a G. A. R. veteran, and came to Salt Lake to attend the annual encampment.

SMELTER SITUATION.

No Change or New Developments Over Past Few Days.

The strike situation at Bingham Junction remains practically the same as it was yesterday. A few men, it is understood, are putting around the big United States plant, but the smelters themselves are shut down good and tight, and there are no indications of a sudden change for the better unless one side or the other capitulates suddenly.

G. W. Wells, president of the United States plant, said the men would be welcomed back to work at any time they choose to return under old conditions. The 200 men sent, however, are not attempting to meet with the company, and there the affair rests. The little town of Bingham Junction, while appearing busy because of the hundreds of men on its streets, is peaceful. No demonstrations have been reported and none are expected.

From the declarations of the firm's officials it is evident the company is ready to "stand pat" and let its plant lie idle as long as necessary. The men are spending their time around their homes with their families. Lack of work and a temporary cessation of income do not seem to be worrying the strikers at all. They declared today that they were asking for a 2-cent a day raise and not 50 cents as the smelter officials say.

MORE BOY BABIES.

Board of Health Reports Excess of One During Past Week.

The boys again lead by one in the birth record for the week, according to the report of the board of health. The death record shows an equal number of males and females have passed away. No further cases of spinal meningitis are reported, either as new cases or yet in quarantine. Following is the weekly report of the city board for the week ending May 17:

There were 49 births reported during the week, 25 males and 24 females; 28 deaths were reported during the week, 14 males and 14 females; 4 were shipped here for burial.

There were reported during the week 12 cases of contagious and infectious diseases consisting of 4 cases of diphtheria; 4 cases of measles and 2 cases of pneumonia.

One case of smallpox; 2 cases of scarlet fever and 11 cases of diphtheria remain in quarantine.

CAPT. SMITH IN COMMAND.

Special Order Issued From Headquarters of First Infantry Today.

The following special order has been issued from the headquarters of the First Infantry, by orders of Col. and Acting Brigadier Gen. Plummer:

"Capt. J. W. Smith is instructed to assume command of the remaining members of the First battery, F. A. He will take possession of all records, except those pertaining to property, etc. He will report to the commanding officer, First Infantry, for special instructions in connection with this detail."

The final meeting of the battery will be held next Monday night, when Capt. Smith will transfer one-third of the command to the other militia organizations, and the remainder will be honorably discharged from the service of the state. What will be done hereafter in the matter of an artillery organization for the state troops is a matter of conjecture.

SIXTY SURVIVORS ARRIVE IN TOWN

Sixty Shriners Who Were in the Honda Wreck Get in From Coast.

About 90 survivors of the Honda wreck, on their way homeward from Los Angeles, are in the city for the day. They are traveling in a special train, and as Salt Lake was on the itinerary for the return trip, they decided not to miss the opportunity to see this city. The entire party were on the ill fated train which jumped the rails last Saturday, resulting in the death of 29 people, and the serious injury of perhaps as many more. Most of the dead were members of the Rajah Temple of Shriners from Reading, Pa., but a number killed were from the Island Temple, from Buffalo.

In charge of the party is J. H. Prescott, of Buffalo, a member of the Ismailia temple. In speaking of the terrible disaster today, Mr. Prescott said it made him shudder every time he thought of it. "I was in the car just behind the diner," said Mr. Prescott, "and it was only the baggage car and the dining car that were wrecked. Besides the two cars named, there were five coaches of excursionists, including one coach attached to the train for the benefit of passengers to San Francisco. We started from Los Angeles in the morning and were making good time. The party comprising the Ismailia and Rajah temples occupied the rear car, but at the time of the crash, the Fourth ward quarter, Mrs. Lewis T. Cannon, Louie Glaque, Annie Poulton, William Pardee, George A. Langston, Claire Callister, Louise Watson, Minnie Poulton, Walter A. Wallace, Nellie Worthen, John D. Bowers, Elder A. B. Needham, Tessie Smith.

Fifth Ward Carnival—With a crowded house and the distribution of prizes to the winners the Fifth ward carnival of fun ended in a blaze of glory last night. Herman Griffiths was adjudged the most popular person in the ward and carried off a season ticket to Lagoon, while Jacob Reiser, whom Capt. Wells to the fore during the entire contest, came out second best and was awarded a season ticket to "Nature's Beauty Spot." The voting throughout was quite spirited and while some were disappointed with the result, the vanquished took their defeat good naturedly and extended hearty congratulations to their more fortunate neighbors. The dancing contests resulted in many happy surprises. Bishop Seddon walked off with a beautiful Axminster rug and a quilt. George W. Parratt claimed a handsome rocking chair, while Annie Bywater got a silk lined quilt. Mrs. John Hurt a water color picture, Liz and George a hand painted cushion. Dead going to the home of Mrs. George Bywater a cushion, and many other prizes equally desirable. The festival was a pronounced success and all attending enjoyed it immensely.

THE BIG PEACE MEETING.

Complete Program of Tranquillity Session Called by Governor Cutler.

A great peace meeting will convene in the Salt Lake Assembly hall tomorrow afternoon, immediately after the close of the regular services in the Tabernacle. The gathering has been arranged for by a committee representing the N. W. R. S., under whose auspices meetings will be held in most of the temples of the United States. An interesting program has been arranged for the meeting at the assembly hall (it is more than likely that the attendance will be so large that the tabernacle will be used) as follows:

Singing.....Tabernacle Choir Invocation.....Dean Brewster Selection.....Tabernacle Choir Opening remarks.....Gov. John C. Cutler, presiding Address.....Mrs. Ruth M. Fox Solo....."The Lord is My Light," (Allison).....Mr. Walter Wallace Address.....Rev. Benjamin Young Organ solo.....Prof. J. J. McClellan Address.....Elder John Henry Smith Solo....."If With All Your Hearts," (from Elijah).....Mr. Fred C. Graham Address.....Rev. Elmer I. Goshen Solo.....The Flag Without a Star Plummer Presentation of resolutions.....Mr. J. M. Sjodahl Singing.....America.....Benediction.....Mr. Nephi L. Morris

WARD ENTERTAINMENTS

Foreword to Elder Needham—On Friday night next, in Pioneer stake hall, a farewell party will be given in honor of Elder Albert B. Needham of the high council prior to his departure on a mission to Great Britain. A splendid program has been arranged and Elder Needham's friends are cordially invited to be present. The program includes the following: Agnes Edquist, Isabel Leatham, Fourth ward quartet, Mrs. Lewis T. Cannon, Louie Glaque, Annie Poulton, William Pardee, George A. Langston, Claire Callister, Louise Watson, Minnie Poulton, Walter A. Wallace, Nellie Worthen, John D. Bowers, Elder A. B. Needham, Tessie Smith.

Excursion to Saltair Tonight—There will be an excursion of the high school

athletes at Saltair this evening, where the medals and ribbons won in the contest this afternoon will be awarded.

Clive Recital—Barratt hall was crowded last night, on the occasion of the violin and piano recital given by the pupils of Prof. W. C. Clive, the well known instructor of this city. The recital was a pleasing success in all particulars, the youthful performers acquitting themselves with credit both to themselves and to their instructor, so that the evening was much enjoyed.

Pacific Islanders' Reunion—The Pacific islands missionary reunion committee have just completed arrangements for their annual reunion to be held at Lagoon, Aug. 14. All returned elders and their friends are requested to hold this date in reserve and the committee promises an even more entertaining program this year than last in the shape of Japanese sword contests, Jiu Jitsu and other spectacular features.
