## SUMMER EVENING CAPE OF BLUE CLOTH.

The long cape of light cloth or satin will be much worn on summer evenings on the boardwalk or hotel plazza. These capes are very becoming and are easy to make at home, the lines being most simple and the trimming easily arranged about the neck. This cape is of army blue cloth in chiffon weight and is circular in shape, though there are seams at the sides, lapped and fastened with small gilt buttons, except for an opening through which the arm passes. A flat collar of black satin and four larger gilt buttons finish the trimming.
